

World Memon Organisation Chapter Plan

Introduction

A goal without a plan is just a wish

What better way to describe the importance of planning in our day to day lives.

Successful people plan their actions and work endlessly to stick to their plan The key to success is not just having a plan but also executing it to achieve your goals and objectives.

WMO Key Projects

Education Assistance

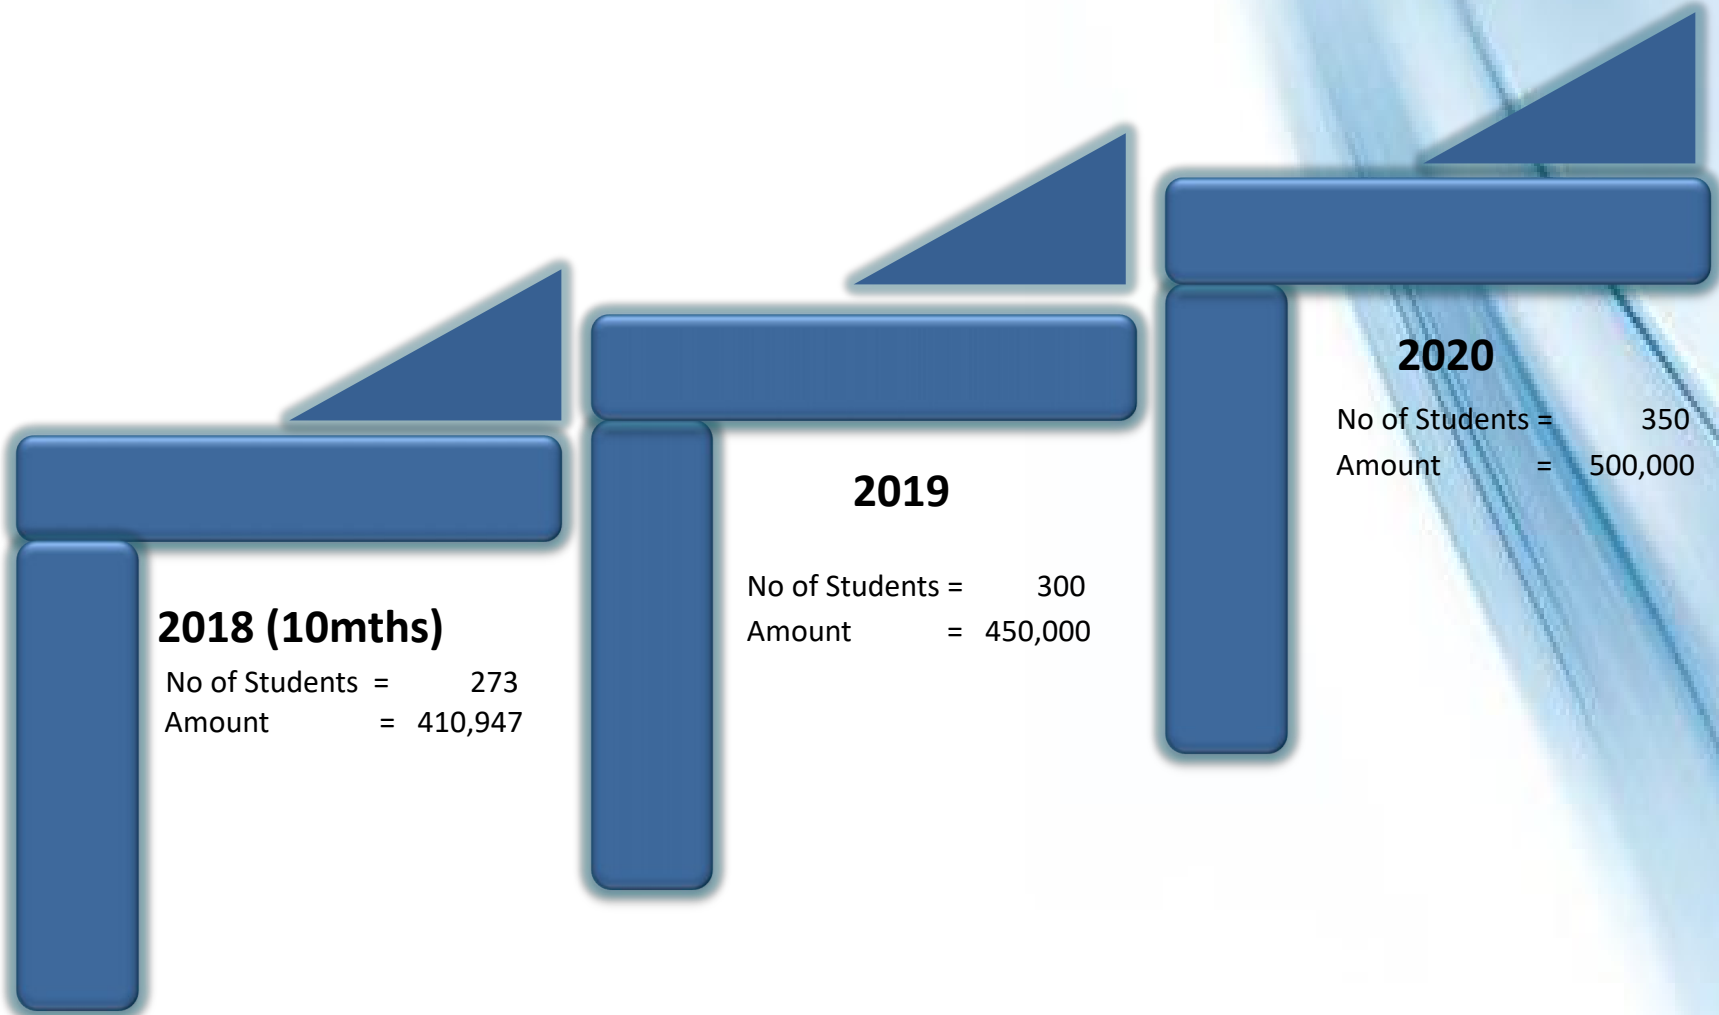

Till October 2018 WMO helped 273 students to chase their dreams by paying the school fees of those students who cannot afford to pay the school fees of AED 410,947.

WMO ME Chapter intended to continue this good work to help needy and deserving students by helping 300 Students in Year 2019 and 350 students in Year 2020. The Target amount of Education assistance would be AED 450,000/- in 2019 & AED 500,000/- in Year 2020.
