2018**

**CREATE  
A BRIGHTER  
TOMORROW**

For over a decade World Memon Organisation has endeavoured to educate the under privileged children around the world and to empower men and women through education.

WMO has provided shelters to thousands of families, creating an environment more suitable for their wellbeing. Because we believe that a decent house is a fundamental human right of everyone, to live in security, peace, and dignity.

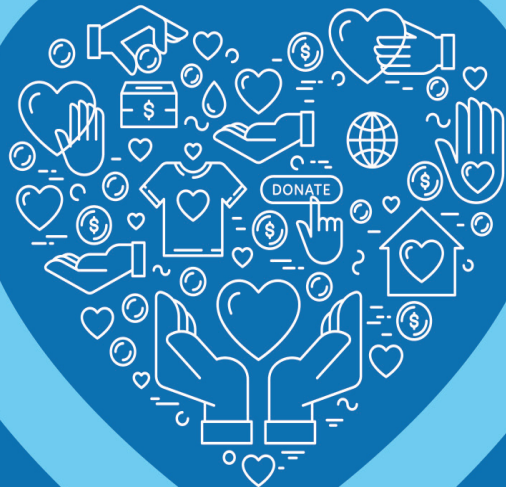

**WMO VISION:** By the year 2020, no child in the community will be deprived of education, no family will be without a roof over their head and all Memons will be self-sufficient.

We have always sprung into action to assist the unfortunate victims; be it a human tragedy or a natural calamity in any part of the World. We contribute to alleviate the pain and suffering of our brothers and sisters.

The World Memon Organisation continues to care for Mankind, striving to make the World a better place for everyone.

**“BELIEVE IN ALLAH AND HIS MESSENGER, AND GIVE FROM WHAT HE HAS BESTOWED UPON YOU. THOSE AMONG YOU WHO BELIEVE AND GIVE (TO CHARITY) HAVE DESERVED A GREAT RECOMPENSE.
