## WMO BATTLES **Corona** IN THE MIDDLE EAST

The coronavirus crisis has upended the lives of millions, with no clear end in sight. The number of unemployed around the World has hit an all time high. The numbers are staggering.

As restaurants, shops and businesses across the globe shut down to help slow the spread of the virus, swaths of workers are being sent home. For many, the uncertainty looms large, as to when they'll see their next paycheck.

The COVID-19 pandemic marks an unprecedented time in modern history that will require the best of humanity to overcome.

When the World is battling this fatal pandemic, the most important priority is your family's health and safety. As every country is under a lockdown and all businesses are shut, WMO Middle East Chapter is providing funds to the unemployed and the less-fortunate so that they can take care of their families during these uncertain times.

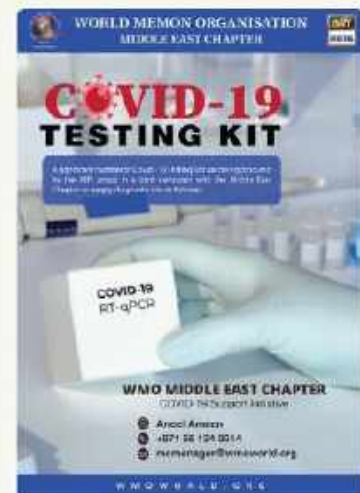

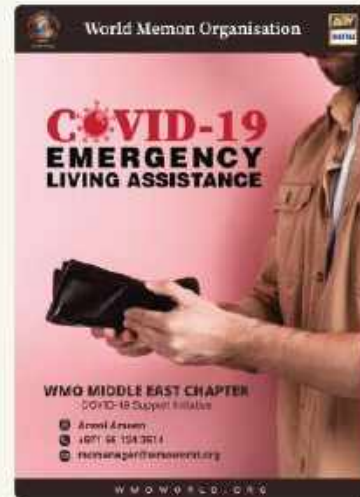

A significant number of Covid - 19 Testing Kits are being procured by the ARY group in a joint campaign with the Middle East Chapter to supply diagnostic kits to Pakistan.

The Chapter is also distributing packs containing essential food items, sanitizers, tissues and other hygiene material to underprivileged families to carry them through these difficult times. 2000 packs already being distributed in Dubai, Sharjah, Ajman and Ras Al Khaimah. With these humble initiatives, we hope you continue to stay home, stay safe and permit us to provide for your families.

The Holy Quran clearly states that Allah Swt is the best of Providers. He is Ar Razzaq - the Supreme Provider; He is Al Wah'hab - the Giver.

As everything comes from Allah Swt, we are asked to spend from what He has provided us. Muslims are commanded to spend for His sake in the path of righteousness from what He has granted them before the coming of the Day of Resurrection.

Today, your underprivileged brothers and sisters expect you to provide for them and their families. The World needs your kindness, your generosity like never before. Time to step up to the plate for Humanity.

# COVID-19 MEDICAL AID

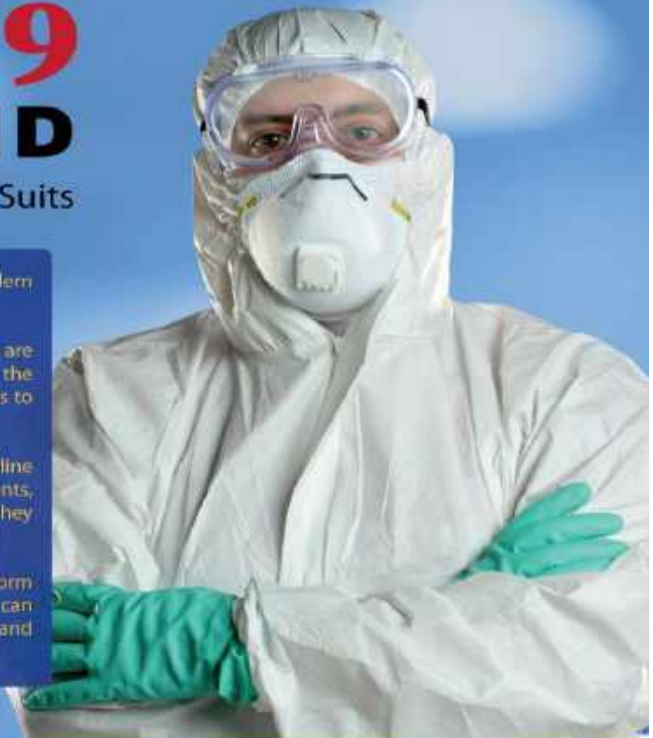

Diagnostic Kits • N95 Masks • Body Suits

The COVID-19 pandemic marks an unprecedented time in modern history that will require the best of humanity to overcome.

A significant number of Covid - 19 Testing Kits and N95 masks are being procured by the ARY Group in a joint campaign with the World Memon Organization to supply diagnostic and safety kits to Pakistan.

The paramedics, nurses and doctors are battling on the frontline against the Corona virus. They work in high risk environments, unflinching answering every call, attending to every patient as they work tirelessly to combat the disease.

The ARY group and WMO shall provide protective gear in the form of full body suits for all medical professionals so that they can continue their work unabated. We salute these Corona Warriors and pray the Almighty keep them safe during these difficult times.

The blessed month of Ramadan is a month of faith, fasting, generosity and mercy. In keeping with the bountiful spirit of giving in Ramadan, the World Memon Organisation Middle East Chapter has hosted several Iftar camps across Dubai and Ajman over the past five years.

Since the Ramadan of 2015, the Middle East Chapter has served Iftar meals for the entire duration of the holy month. Rozgars are provided meals for 30 days as they gather together, under one roof to break their fast. These brothers are mostly poor migrant workers who have travelled to the Middle East in hope of a better life for themselves and their families back home.

Unfortunately, due to the Corona pandemic, Iftar camps will not be organized this year but the humanitarian Ramadan tradition shall continue unabated in the form of Iftar Meal Boxes. These meal boxes will be duly delivered at construction sites

and labour camps so that no brother goes hungry after a long day's toil under the hot sun.

Alhamdulillah our target is to send atleast 20,000 Iftar Meal Boxes which is currently happening in different Labor Camps in Ajman Area.

## Education Assistance - Local

WMO Middle East Chapter again in the crises faced by families and give solution to needy families whosever would not be allowed to give exams by giving donation of AED 60,000/- provided by Donors. The amount would be applied towards tuition fees of HH Shaikh Rashid Al Maktoum School Dubai students.
