**SERVING MANKIND**

WMO Trustee, Fazila AK Ismail assisted by fellow Jama'atun Nisaa ladies, Shireen Arbee, Halima Abdoola, Feroza Mohammed and Shireen Abdoola coordinated a massive Ramadan 2021 distribution in the KZN region. This mammoth task was fully supported by Mr AK Ismail and Trustee, Mr Yusuf Kamdar.

This task entailed receiving of sponsored goods, storage, personally supervising every distribution and overseeing all the logistics involved. The hot summer days in South Africa together with the ongoing pandemic and challenges arising from the Covid19, did not deter the team from fulfilling the rights of the destitute and needy. The hands on approach from volunteers and the generosity of our donors was spiritually uplifting during this blessed month and appreciated by all our recipients.

WMO Trustee; Yusuf Kamdar motivated a campaign and donated a very generous contribution to work with committee members of NMJ and the ladies of Jama' Atun Nisaa, feeding the absolute needy in their hometown of Durban KZN. Jama'Atun Nisaa contributed towards the hampers, blankets and mattress during this campaign.

NMJ completed the challenging task of distributing in the most poverty stricken areas of KZN and sponsored the hampers in addition to the WMO Maize Meal Campaign. Those afflicted with poverty in South Africa are devastated and the challenges of the new Covid era we are currently living in makes the needy much more vulnerable with loss of income and bread winners being affected with the sickness, leaving their families more destitute than before this pandemic. WMO, Jama'Atun Nisaa and NMJ are most grateful to be given this opportunity of being of services to Mankind. When so many unite, only then can one achieve the results that one dreams of

A very special thank you to NMJ President Mohammed Gany, Vice President Kim Jooma, AC Cassim and the NMJ committee members for their untiring efforts in coordinating this relief aid to ensure that it reaches the most needy under the personal supervision of our most valued humanitarian activist; Mr Cassim Malani who is well known for his dedication to the plight of the needy working endless hours till late at night feeding the homeless.

A special note of thanks to Mr AK Ismail for securing a huge sponsorship of rice, sugar and beans from our generous sponsors; Gold Keys and to the AKI Group who facilitated the transport for this massive distribution. The coordination of logistics of this aid was assisted by; Fazila AK Ismail, Shireen Arbee, Halima Abdoola and Fazila Kamdar.

WMO KZN is always grateful for the never ending support of WMO AFRICA chapter; VP Mr Feizul Ayob.

Note of appreciation to Trustee; Mr Yusuf Kamdar for initiating this campaign and Trustee; Fazila AK Ismail for coordinating these humanitarian efforts in KZN partnered with the NMJ and Jama'Atun Nisaa teams.

When you hear the heartbreaking words that what you will provide will be the only meal for the day, there is nothing that can describe the emotions that you experience on hearing this so very often in the rural areas of KZN. WMO Trustee Fazila AK Ismail assisted by Halima Abdoola and Shireen Arbee personally arranged the despatch of food items so urgently needed by the most vulnerable of any community and that is our elders and children.

Shireen Abdolla and Feroza Mohammed were actively involved in ensuring that everything was arranged in advance to avoid the elders from sitting in the scorching heat and it being during the month of Ramadan we were much more sensitive to the pangs of hunger that these elders were experiencing which made us much more eager to not delay from despatch to distribution time. Chairs were arranged in advance by Aneesa Vawda who was responsible for the protocols of social distancing and wearing of masks to be strictly adhered to. Caring for the elders and children has always been a cause close to the hearts of WMO and Jama'Atun Nisaa and we continue to do our best to provide much needed food for the vulnerable in informal settlements and areas of extreme poverty. On the 05 May 2021 we provided grocery hampers, bags of mealie meal and packs of sugar beans to the elders of Chesterville Ext 3. Many of these elders have to care for orphaned children with just a minimum grant, so very often they go hungry. The generous hampers sponsored to them will ensure that they have food for the next few weeks.

We also sponsored bags of mealie meal to the soup kitchen and ECD Center that runs in Chesterville. The soup kitchen feeds 300 children daily and 30 ECD learners twice a day. The bags of mealie meal will assist greatly towards feeding the children for whom this is the only meal they get for the day. Project coordinated by Aneesa Vawda

The Prophet Muhammad SAW said: "Whoever feeds the person who is breaking his fast, he will have his reward [for his fasting] without decreasing anything from the reward of the fasting person."

MADRESSAH**

Many Muslim families in the Mayfair area had been recently afflicted with damages and losses caused by fires. Mr Moosa Carrim immediately responded under the banner of WMO by donating linen, clothing and alternate accomodation to the residents who were left devastated by these tragic events. And now, during the freezing cold days of winter, we endeavour to ensure that much needed blankets are distributed to those less fortunate.

WMO AFRICA CHAPTER completed its annual grocery hamper distributions in partnership with Jumma Masjied & Educational Inst. This took place in Newclare and Westbury (Gauteng) where we successfully handed over 300 hampers to needy Muslim families of the community. Each family is pre-registered and the hampers are collected on the last Sunday of Ramadan. This partnership has been in existence for the past 11 years and we make dua Allah SWT grants us the ability to continue being a part of this worthy cause. We would like to thank all our ZAKAAT DONORS who have generously directed their funds to WMO and allowed us to fulfil the rights of our Muslim brothers, sisters and children in need. May He reward you in abundance, Dunyaa, Qabr & Aakhira AAMEEN.

# **WORLD MEMON ORGANIZATION AFRICA CHAPTER SUPPORTS MASJIDUL AQSA IN COLLABORATION WITH UUCSA**

## **MAINTENANCE PROJECT**

**When the United Ulama Council of South Africa (Uucsa) made a clarion call to preserve and safeguard Masjid Ul Aqsa, the World Memon Organisation Africa Chapter & the ladies of Jama'atun Nisaa were the first to respond. The two organisations collected R300k in total towards this cause.**

**The donations will go towards a Waqf that will sustain the project over the coming years. The contributions will restore the archaic mosque to its former glory and will help preserve it for several decades. A Sadaqah Jariyah for the kind donors, the benefits and rewards they will continue to reap, even after they are long gone. May Allah the Most Gracious, the Most Merciful provide us opportunities to do many forms of giving sadaqah for His pleasure and reward us the best life, especially in the Hereafter.**

**On the 8th of May 2021, Mr. Feizul Ayob (Regional Vice President of WMO Africa Chapter) joined several dignitaries from across the globe on a live joint radio broadcast to express solidarity for Al Aqsa.**

**An additional R50 000 Zakaat was donated to Africa Muslims Agency in aid of their Emergency Response appeal made via the Pledgeline on ITV Networks.**

**WMO AFRICA CHAPTER has once again delivered. Our annual grocery hamper distributions and daily feedings in KLIPSPRUIT GAUTENG has come to fruition. Overseen by our RMC members, Moosa Carrim and Haroon Gutta who ensures that this community's needs are met every year. The recipients being elderly and 57 children were well taken care of this year. ALHUMDULILLAH**

**Dr Taheera Hassim (RMC MEMBER) coordinated our Eid Clothing Distribution project with the assistance of our youth, YasmIn Gani and Nabeela Gutta. This took place on the 01st May 2021 at the Al Hudaar Foundation where the children were surprised and gifted with beautiful Eid clothing to complete their day of celebration. The children were over the moon with joy on receiving their gifts. Every child wishes to wear their best clothes and partake in a day of delicious meals, celebrating their sacrifices not only made during the month of Ramadan but every difficulty they may endure throughout their lives. And we at WMO AFRICA CHAPTER are honoured to be able to save our orphans and make this a reality, reminding them that they are loved and appreciated.**

**We would like to thank Azim and Haseena Omar for donating each child with a blanket and Fati Online for the shoes and jewellery for our young ladies. We would also like to thank our ASG; Dr Haroon Gutta who supported this initiative and attended the handover ceremony. And a very special thank you to all our donors and volunteers who have taken on the amanat of caring beautiful children.**

Description	The money was donated for the purchase of uniform for Hammanskraal madrassah.
Valuation	R17,500.00 (Seventeen Thousand, Five Hundred)

**Thank you for your generous support.**

**Baitul Salaamz NPO** is a registered non-profit organization that is based on selfless sacrifice aimed at the social improvement of underprivileged communities.

To a student of Deen the uniform expresses being a part of something bigger, their proud identity as a Muslim - Muslimah and making a statement of empowerment with the knowledge acquired.

Alhumdulillah WMO AFRICA LADIES WING has donated uniforms to all the students of Hammanskraal Madressah. The children were beaming with joy when their uniforms arrived and truly appreciative.

We at WMO hope that this initiative would be one that brings some financial relief to the parents, build self esteem of every child at the Madressah and this kind gesture will remain embedded in the hearts of all the learners as they start a new year of striving towards success and great achievements Inshaa Allah.

We would like to thank Khudaija Suliman for overseeing the project and to all our donors who consistently supports all our endeavors.

Educators at Addington School in Durban have taken a very keen interest in the plight of alleviating hunger and enhancing children's active learning capacity by identifying those children who come from needy families to take home a special hamper filled with contents making the day of Eid special. Besides the normal daily school feeding project a hamper drive is undertaken so that kids can take home the basic food necessities for parents can prepare nutritious meals. Educators; Ayesha Essack and Saajida Mohammed work closely with Shireen Arbee and Fazila AK Ismail, discussing the needs of these children on a regular basis. Shireen has raised funds on an ongoing basis as she is extremely passionate about the School Feeding Project and is involved in projects with various schools. Ayesha Essack wanted this years Eid to be different for these children and went the extra mile to personalize each child's gift bag with their names and special artwork.

Halima Abdoola personally selected the items and was responsible for ordering of all the special items, while Fazila AK Ismail managed the delivery.

Lots of behind the scenes goes into these project and we are ever thankful for all those who contribute which enables us to help those most deserving.

The WMO's invaluable contribution of R50 000 (Fifty Thousand Rands) will be used as part of the AWQAF SA Quraan Waqf Fund that will ensure the ongoing sustainable production of The Glorious Quran in several languages.

Over the past 2 years around 190 000 Qurans have been distributed to individuals, masjids and Islamic educational institutions including masjids in economically challenged communities.

On the 16 April and 28 May 2021, Dr Taheera Hassim visited Diepsloot Secondary School and Kgoro Ya Thuto High School in Ratanda with the Mycup team and reached out to +-300 girls. They facilitated an educational session with these young ladies enlightening them about the streamlined menstrual cups made of silicone which could possibly be a life changer in the long run.

She kept the students interested and inspired throughout the programme and left them with some hope for better days to come. The menstrual health management being one of South Africa's biggest issues, not to mention that many of these children come from poverty stricken homes. We at WMO will continue to strive towards fulfilling the basic human rights of our females and allowing them to seek another fundamental right to education without any hindrance.

This project is solely maintained by the generous LILLAH donations of our supporters and we would like to thank you for helping us make the difference.

# THE POWER OF INDEPENDENCE

WMO AFRICA CHAPTER donated braille typewriters to BLIND SA to help the visually impaired enabling a blind person to take notes in braille and link the device to their smartphone. R45 000 was donated to purchase these devices. This device will assist them to perform their daily duties better, be it in a work environment or at an educational institute etc.

BLIND SA promotes and facilitates the dignity and independence of blind and visually impaired South Africans. Their main focus areas are employment, education, mobility, and braille services.

Our ASG; Dr Haroon Gutta has personally met with the committee of BLIND SA to discuss the donation made by WMO and how this will benefit the recipients.
