## Mr Salman Iqbal **PRESIDENT**

**Founder & President - ARY Digital | Owner - Karachi Kings | CEO - Salman Iqbal Films/ARY Films | Chairman - ARY Laguna.**

Salman Iqbal has over the last two decades, spearheaded the launch and growth of Pakistan's largest satellite television network. ARY Digital is a global powerhouse, broadcasting 12 television channels into 120 countries worldwide.

With the potent combination of self-belief and risk-taking ambition, Salman Iqbal was instrumental in fact, he was the dominant force behind sparking the growth and development of Pakistan's television industry revenue from a 60 million dollar market in 2001, to more than the half-a-billion dollar industry it is valued at today.

Following his business degree graduation from the University of Houston (1995), Salman Iqbal began his career as the Head of Treasury for the ARY Group, where he also took charge of vital sectors such as gold sales and properties.

Alongside the launch and immense success of ARY Digital Network, Mr Iqbal has many other achievements in his portfolio. From reviving Pakistan's film industry to helping catapult the Pakistan Super League into one of the most prominent cricket leagues in the world, Mr Iqbal is a visionary who has taken financial risks in unorthodox ventures and transformed them into money-making enterprises.

In November 2020, Salman Iqbal launched ARY Laguna, a joint venture between ARY Group and DHA City. It provides the first ever man-made, beach-living residential accommodation in the region. ARY Group and DHA City are recognised for their positive contribution to the urbanisation of Pakistan. With ARY Laguna DHA City, both entities have collaborated their resources to offer spectacular waterside living. The project was sold out within days of its opening. Following on from this initial offering, ARY Laguna DHA Gujranwala was unveiled. This too, sold out immediately.

Taking his passion for sports a step further, Salman Iqbal recently launched A Sports, Pakistan's first HD sports channel. It will broadcast diverse sporting events, such as the ICC Men's T20 World Cup, Formula 1 and the 2022 FIFA World Cup, thus taking sports in Pakistan to greater heights.

Mr Iqbal has been awarded several prestigious accolades. Most recently, he was nominated for the Sitar-E-Imtiaz by the government of Pakistan, for his role in promoting cricket and elevating the nation's athletes in the global arena.

A gentleman of distinct skill, Salman Iqbal is yet to reach the peak of his abilities. This can only bode well for Pakistan.

It was due to these consistent efforts that Microsoft awarded Khurram H. Kalia the Microsoft 'Circle of Excellence Award' for his outstanding performance and leading the business with clear vision and judgment.

Khurram holds an MBA from the world top ranked London Business School with a Distinction.

Khurram also holds a degree of Bachelors in Computer Science from FAST National University, a prestigious Computer Science University in Pakistan. He graduated summa cum laude in 1999 with a CGPA of 4.00/4.00 with Gold Medals in all 5 categories. This was an unprecedented achievement in the entire history of FAST and a record that is yet to be equaled. This achievement was recognized and highlighted when he received the "Genius of the year 2000" award from Karachi Club, which is one of the most exclusive social clubs in Pakistan.

KalSoft, under his leadership, has been awarded with multiple regional and global awards and accolades. More noteworthy, is the Best Microsoft Services Partner Award for Middle East and Africa and Best Country Partner Globally awarded at the Microsoft World Wide Partner Summit presided by CEO Steve Balmer.

Khurram, as part of entrepreneurial endeavors has been part of many start-ups leading them to sustainability stages and onward growths. His recent focus has been the online world, mobile apps and the social media revolution and working on innovative ideas, which will harness the immense potential to produce regionally and globally successful ventures.

Ms Shabana Abdul Razzak  
**CHAIRPERSON  
 INTERNATIONAL LADIES WING**

Born in the fourth generation of leading gold trader's family, she had a natural inclination towards the myriads of facets of the jewellery industry. She grew up amidst the electrifying times when Dubai was developing from a small town into a highly diversified economy and getting established as "City of Gold and Diamonds".

Shabana did her BSc in Marketing from South Eastern University.

Her deep interest in the Jewellery Industry took her to various workshops and courses. She is a certified grader of diamond, coloured stone and pearls from IGI.

After completing her education, she was formally inducted into the corporate world under the guidance of her farther Late Haji Abdul Razzak. She was given the charge of the Group's retail business.

With her remarkable understanding of gems and jewellery coupled with a passion to succeed, Shabana took the group's retail business to new heights.

Shabana has been connected with the World Memon Organisation since its inception. With her far-sighted approach, she introduced the "Ladies Wing" within the organisation.

Her untiring efforts through this venture have brought forward many women with positive contributions towards the society.

## MESSAGE FROM THE PRESIDENT

***Assalamu Alaikum Warahmathullahi Wabarakathuhu***

Dear Trustees, Patrons and Members

Now is the monsoon of our discontent!

Pakistan has been ravaged by the floods of the century, one third of the country is submerged and one in every seven Pakistani has been affected. I call upon all my brothers and sisters to stand united, shoulder to shoulder with Pakistan in their hour of need.

We meet after long but we meet under tragic circumstances. I welcome you with a heavy heart to the 20th World Memon Organisation Charitable Foundation AGM. It's the 20th Anniversary.

20 years of Serving Humanity is a significant milestone for WMO. An organization whose founding President was my Tayaa, the legendary Haji Abdul Razzak Yaqoob (ARY). We strive to carry forward his legacy of philanthropy and generosity through our Services to Mankind under the WMO banner. Now more than ever as he would have dearly wanted us to do our utmost for his beloved Pakistan.

The large body of humanitarian work over the past two decades has touched and changed lives of millions across the globe. Education, Housing & Rehabilitation, Healthcare, Humanitarian Aid, Empowerment and Food continue to remain our areas of focus.

The WMO Food Bank project epitomizes the evolution of WMO. From an organization that was founded to uplift the Memon Community to an institution that Serves all Mankind. The global Food program was launched as a movement to eliminate Hunger in all corners of the World. The Langars lit up across the globe and these community kitchens don't discriminate. The meals are served to

all, irrespective of religion, community, race, colour and creed. They remain the potent symbol of equality wherein nobody is returned on an empty stomach and the only eligibility criteria is hunger.

The WMO Rozgar Scheme in Pakistan has achieved its objective of enabling the recipients to earn a livelihood, sustain their families, provide their children with an education thus ensuring a life of dignity. A record 250 rickshaws, motorcycles and utility vehicles were delivered to marginalized families to create jobs and self employment.

The Memon Industrial and Technical Institute (MITI) continues to be the top ranking Vocational Training Institute of Pakistan. MITI has created job opportunities for more than a hundred thousand youngsters who have cultivated special skill sets through the wide variety of technical, IT and multimedia courses taught at the institute.

I applaud the dedication, passion and hardwork of its driving force - H M Shehzad, Chairman of MITI and Regional President of WMO Pakistan Chapter for building a strong foundation for the youth and creating a brighter future for a better Pakistan, a Naya Pakistan.

The Empowering Through Inclusion project deserves a special mention as it has made a difference in the lives of hundreds of children with special needs in Pakistan.

The World Memon Organisation 2022 Telethon on the ARY network was a watershed event in the history of WMO. A fundraiser, broadcast on the world's largest Urdu Network in 120 countries across the globe was an unequivocal success.

The telethon has singlehandedly increased the global footprint of WMO. Every donor in every corner of the World showed great heart and a considerable sum was

collected. But it wasn't the philanthropic gesture that stood out, it was the bond of brotherhood that came shining through. The telethon was yet another global event whereby our organization urged Mankind to come together to help people in an hour of crisis.

The Covid crisis has been addressed with utmost urgency in India and precious lives have been saved. Covid Centers have been established in many cities and towns to care for the ailing, oxygen and breathing apparatuses have been delivered across the length and breadth of the nation, including remote villages in the hinterlands of the country.

Vaccination drives have been initiated and vigorously promoted to safeguard against the unrelenting pandemic. Monetary assistance in the form of hospital bills and insurance covers have been provided, along with monthly food rations to the families of the afflicted.

Mr. Ehsan Gadawala, Regional President of WMO North India Chapter and his formidable team will be remembered for their courage under fire, as they stood undaunted and saved their countrymen from succumbing to not only a ruthless virus but a far more prevalent and archaic disease - Poverty.

The complete renovation of the Anjuman Urdu High School and Junior College in Shegaon was undertaken by WMO North India Chapter. Two entire floors were added on both wings, all class rooms were refurbished and with the application of a brand new coat of paint, the Anjuman stands tall in all its peach, pink glory.

Education is the bedrock on which communities and nations rise and stand. It is the birth right of every child. And it is on this firm belief, that WMO continues to build these temples of knowledge in all corners of the globe. The huge boards plastered with the WMO name in the brand new wings and corridors of the Anjuman, acknowledge the efforts made by the North India Chapter. They stand testament to the core ethos of the World Memon Organization - Education is the most Powerful Weapon which you can use to change the World,

I congratulate the India Chapter on the recent inauguration of their sprawling office in the heart of Mumbai. It is the first and invaluable piece of real estate owned by the World Memon Organisation in India which will serve as a hub for humanitarian endeavours in the country. I would also laud Mrs. Raziya Chashmawala for building an industrial and training centre in the suburbs of Mumbai for the furtherance of women empowerment.

The Africa Chapter has done us proud. The feeding programs for all, the upkeep of orphanages, the innumerable ladies wing initiatives, Ramadan campaigns, wheelchairs distribution drive...the list goes on.

The WMO Food Bank project in KwaZulu-Natal has been a revelation. Feeding patients in hospitals, building madressahs, distributing relief aid, water, hampers,

blankets, the Food project has evolved into an extraordinary humanitarian program in Africa with the assistance of our exceptional partners Natal Memon Jamaat and Jama'atun Nisaa.

Keep up the good work Mr. Feizul Ayob, Mr. Yousuf Kamdar, Mrs Fazila AK Ismail, Mr. Moosa Carrim and the entire Africa Chapter team.

The resilience and fortitude shown by the WMO Far East Chapter after being ravaged by unending waves of the pandemic is an inspiration for us all. They continued to brave the virus and initiate several Covid support programs.

The school kit distribution drive is an extremely commendable program., under the able leadership of Regional Secretary General - Ameen Bhaila. He has been leading from the front, traveling from coast to coast, personally visiting every school and college to deliver the school bags to deserving children.

His dedicated efforts towards the furtherance of education in Sri Lanka is a testament to his passion to Serve Mankind which must be duly recognized and applauded.

I express my deepest gratitude to WMO Middle-East Chapter for hosting the The WMO Strategic Review Conference in Abu Dhabi.

I am grateful to all the Trustees and other towering stalwarts of WMO, who came together from across the globe to celebrate the 20 year anniversary of their beloved organization. And to give their invaluable inputs that will keep WMO going strong for the next 20.

In the past year North America Chapter has been the hub of frenzied activities with so many rising stars emerging from this region of the World for WMO. I am confident that North America will be one of the most important pillars of the World Memon Organisation in the coming years under the leadership of our many stalwarts who make us believe in this American dream.

By amending the Constitution, we are giving the ladies their rightful place in the upper echelons of WMO where they can play the vital role of decision makers through constitutional changes. Women around the World have overcome all odds, broken the glass ceiling and are leading their nations to glory. WMO must follow suit and with my dynamic sister Shabana at the helm, the dream shall soon become a reality.

We believe the youth of today are the leaders of tomorrow. We need to groom the next generation leaders who can bear the WMO cross and take this organization to greater heights. Mr. Khurram Kalia has done wonders with the youth wing. The Elevate platform has provided jobs and global placements at prestigious multinational firms. The youth are being trained to invest in stock markets and are being taught the intricacies of block chains and crypto currencies. Trees are being planted to save the environment and a massive sporting spectacle in the form

of Memon Olympics will soon dazzle the World and provide a platform for the youth to showcase their talents.

Over the past year, WMO has worked in close liaison with other esteemed philanthropists from various trusts and organizations including the Rotary Club, Saylani Welfare Trust and the Pakistan Business Council to create an effective global coalition to combat poverty in all corners of the World. We have launched several thoughtful initiatives including the popular Inspire Card which as the name suggests, inspires the Spirit of Giving.

My team has reached out to all members of WMO, appointed regional Advisors to cater to every chapter. I wish to place on record my appreciation for my fellow Trustees, Patrons, Office Bearers and the Regional Chapters for their wonderful teamwork, Members of the Management Committee (MC) for their unflinching support and constant encouragement, the Sub Committees including the Ladies Wing and Youth Wing for their efforts and our Manager, CFO and other regional staff for their untiring efforts as they are the vital cogs that run the WMO machinery.

I thank Almighty Allah SWT for providing me an opportunity to serve the community and Humanity. I am also thankful for all the friendship, support and camaraderie that I have been blessed with in WMO. But there is so much more to be done and Insha'Allah together we will continue our journey of touching and changing lives.

I end by quoting the Mahatma- we must become the change, we wish to see in the World. And a change is coming to WMO that will truly transform our beloved organization into a top Charitable Foundation and much much more.

Yours in Service

**Salman Iqbal**  
*President, WMO*

## MESSAGE FROM THE CHAIRMAN BOARD OF TRUSTEES

***Assalamu Alaikum Warahmathullahi Wabarakathuhu***

Dear Trustees, Members, brothers and sisters,

I am delighted to welcome you all in person to celebrate the 20th Anniversary of the World Memon Organisation Charitable Foundation.

As we reflect on the last 20 years of serving Humanity, we must remember our founding forefathers who started WMO with the mission of Upholding, uplifting and uniting the Memon Community under one common organisation. We will strive to carry on their legacy in the many years to come.

For two decades we have been providing food, shelter, medical assistance, education and housing to the marginalized members of our community. We have even crossed boundaries and provided humanitarian aid to those who were affected by disasters and conflicts.

As we reflect on our last year we will know that it has not been an easy year for anyone. The Covid crisis left us all with much to think of. It was delightful to see our members come and contribute generously across all the chapters to address this pandemic which took the lives of several million people across the globe. WMO provided critical care services to those affected by Covid and food to all those who lost their livelihoods as the world battled to overcome and stay afloat during the difficult times.

In view of this, Last year we started the WMO Food Bank project, which took a whole new step towards serving mankind. Food was served to all members without any discrimination. I am pleased to inform that this project is still ongoing till this day.

With the Covid crisis easing and people returning to their normal lives, everyone was hopeful that the worst was behind them. Unfortunately for Pakistan, this turned to be

just the beginning of yet another calamity. It is therefore very devastating to see the damage that the recent floods have caused in Pakistan. With 1/3rd of the country under water, millions of people displaced and hundreds of thousands of dead we pray to Allah SWT to ease their burdens. I thank all the members of the WMO who have so generously contributed towards the relief project that is undergoing in Pakistan under the leadership of Mr HM Shahzad. I would also like to acknowledge and appreciate the magnanimous donation made by our WMO President, Mr Salman Iqbal who has continued to lead by example. We pray that Allah SWT bless him and his family abundantly for this generous donation. I also plead to all the members to keep donating towards the Pakistan Flood Relief specially towards the rehabilitation of all those who have been affected.

In 2021 we hosted our first WMO-ARY Telethon where we collected close to 1.5 million dollars and this year, we have had 2 Telethons, one during Ramadan and the other when the devastating floods hit Pakistan. The Memon community has shown that their generosity knows no bounds as they continue to donate.

The Trustees and few key members of WMO met up in May this year for a Strategic Review Meeting where we reflected on the last 20 years of WMO and how we can move forward and grow WMO to become the one true representative Memon organisation globally. Two important decisions were taken; Education must remain the primary focus of WMO and all Jamaats must come together with WMO and together we will uplift our community.

The Youth are continuing to prove that they are the future of WMO. The ideas and projects that are being launched are all directed towards empowering and uplifting the youth and it is very delightful to note that they are following the steps of us seniors and contributing towards the goals and objectives of the WMO.

I want to thank the ladies for the tremendous work that they

have been doing in their chapters over the last 2 decades with one goal in mind which is to empower Women. On our 20th anniversary, we celebrate them by amending the constitution and giving them the rightful place in the decision making process of WMO.

We are also relooking at our investments and in view of that we have sold 17 properties in Dubai this year and transferred the money to UK. The investment committee headed by the Chairman, Mr Solly Noor will be taking decisions on the best investments for WMO to obtain the maximum returns.

We also have appointed advisors from amongst our trustees to cater to every chapter. I am thankful for my fellow trustees, office bearers for their unwaivered commitment to WMO. I also thank Almighty Allah SWT for providing me the opportunity to serve our community and humanity.

Jazakallah Khair

**Ashraf Sattar**

### ITEM 5. To receive & approve the Audited Accounts of WMO for the year ended 31st December 2020 by Mr Suhail Khandwani, Treasurer WMO.

Mr Suhail Khandwani presented the Audited Accounts with the key points as below

- The Consolidated Balance Sheet stands at US\$ 8.128mn which has increased by a nominal \$109,200 from 2019, which is due to the increase in the fund account balances.
- Consolidated Statement of Financial Activities shows a surplus of \$342,965 mainly due to the retained rental funds and non-zakat specific funds.
- During year 2019 and year 2020, Zakat collections remains tilted towards Ramadan.
- This continues to be a challenge and we should request the Chapters to get this unevenness sorted by pushing for collection throughout the year.
- As per the financials the Zakat collections for 2020 (Approx. \$3.389mn) with a mere 2% growth compared to the previous year.
- The Zakat distributions of over \$3.3mn, this year mainly focused on COVID relief projects, Education schemes for Pakistan & North India and Housing in Northern India.
- The total operating cost stands at \$302,351 with a reduction of almost 20% compared to the previous years. This is mainly due to reduction

cost of meetings and other social event due to the pandemic

- The significant cash and cash equivalents as at the balance sheet date consists of mainly the unutilized Zakat funds of Pakistan, Europe and Middle East Chapters, which were utilized by March 2021.
- This also comprises of savings account balances consisting of the Micro finance funds,
- Matured short-term investments and its returns, which were reinvested only in the following year.
- During 2020, also the income from properties in Dubai saw a dip by 7.5%, due to the continued dropping property market in Dubai.

The audited accounts were proposed by Mr Haseen Aghadi and seconded by Mr Zubair Chasmawala

**ITEM 6. To appoint Auditor(s), in accordance with Article 40 of the WMO Constitution, to hold the office till the conclusion of the next Annual General Assembly Meeting and to fix their remuneration.**

- It was proposed to allow the current auditors to continue.
- A suggestion was put forward that we must engage an international firm considering that WMO is progressing.
- The potential appointment of a top 5 Audit Firm will be looked at for the coming year.
- It was suggested that the main auditor appointed should set the terms and conditions for audit at the chapter levels so that the audit can be conducted satisfactorily.

The appointment of current auditor was proposed by Mr Altaf Muhammad and seconded by Mr Haroon Mohammed.

**ITEM 7. To approve any Amendments to the Governing Documents (the draft of which will be circulated 6 weeks before the AGAM in accordance with Articles 24.5.2 to 24.5.4, 35.1.3 & 46.2 of the Constitution.)**

The Amendments were circulated 6 Weeks before the AGAM and with no objections was proposed by Mr Nowsad Gani and Seconded by Mr Omar Karim

**ITEM 8. Any other matter with the permission of the Chair.**

The following chapters presented the progress of their chapters as of 30th September 2021.

- Pakistan
- South Africa
- Europe
- South India

- Far East
- The Global Youth Wing and International Ladies shared their plans for the rest of the term as well.

The following comments, observations and suggestions were noted:

- Pakistan Chapter requested funds to carry out their education projects.
- Far East Chapter was requested to reach out to Memons in Bangladesh
- A suggestion was put forward to those members having saved money that would have otherwise been spent travelling for a physical AGAM donate such amount saved to WMO. Mr Kamran Ghani initiated by pledging \$10k
- A request was made to members to enroll their children as members of WMO
- A proposal was made to initiate scholarships based on Jamats
- It was noted that the Ladies Wing is having difficulties enrolling paid members due to the age limit of GYW set at 40 years. It was proposed to amend the upper age limit to 25.
- Mr Farooq Ahmed was gratified by the Pakistan Chapter for his instant response to constructing a Well in Balochistan which will provide water to 8 villages.
- Pakistan Chapter has offered to host a Memon Premier League
- It was noted that female Global Youth Wing members can be part of the Ladies Wing and no separate membership is required.
- It was requested to control the content of the WhatsApp groups to avoid unrelated posts (political, birthday, replies to messages) and the President informed that the group will be monitored more strictly going forward

**ITEM 9. Dua and Closing**

Deputy President, Mr Mahmood Shaikhani addressed the members and below were the key points:

- The members were reminded that WMO is 20 years old and we should not forget the founding members who laid out the foundation for WMO.
- WMO's mission is to uplift and unite memons not to act only as a charitable organisation
- Requested all memons to come forward and become members.

**ITEM 10. Closing and Dua**

The meeting was concluded with a Dua by Mr Ismail Gadit.

# SECRETARY GENERAL'S REPORT FOR THE YEAR 2021

It is my privilege and honour to serve our community through this visionary organisation which was set up in 2002 to bring Memon's together from all corners of our planet to uplift and serve our community as well as humanity in general.

Having taken office at the end of 2020, our President Mr Salman Iqbal, our Deputy President Mr Mahmood Shaikhani, myself and the entire team of Office Bearers including our Chairman of the Board of Trustees Mr Ashraf Sattar, embarked on a program of bringing to life new projects as well as maintaining the projects and programs handed over by our former President Mr Solly Noor and his team.

Some of the main focal points were to further develop the Global Youth Wing under the ambitious leadership of the new Chairman Mr Khurram Kalia who was the former Chief Advisor from 2017-2020 to GYW Chairman Mr Bashir Sattar. His task was to work with the new team of Office Bearer's to drive the development of exciting projects moving forwards.

Another key focal point was to develop and formalise the formation of the Global Ladies Wing and transform that from a sub-committee into a formally constructed and structured Wing so that the WMO can attract the immense talent that prevails within the Ladies Community of Memon's globally. This work would use the template of the formation of the Global Youth Wing in 2017 to construct newly written clauses for approval at the AGM in October 2022.

In working with the Chair of the Ladies Committee under the leadership of Ms Shabana Razaak Yakoob, a team was formulated and included, Dr Sana Darvesh, Farzana Mahomed, Shazia Sangani, Dania Hanif, Rabbiya Wasiq and Dr Shahana Pathan. This team worked very well together and their energies and passion to get this right was clear. It was my pleasure and honour to work with such a talented team of sisters as consultant guiding them to ensure we got the structure and rules of administration correctly configured. It is an important event that at this AGM in October 2022, the Global Ladies Wing will finally be born.

During 2021, we witnessed many more challenges due to the Global Pandemic of Covid-19. With entire economies at a standstill in some cases and the granted normalities of life severely affected including travel. It was undoubtedly a very challenging time. The fact that the WMO could not conduct its annual event of meetings was also significant. Live annual meetings of the WMO were not conducted in 2020 & 2021.

Despite the immense challenges in some cases, it was a remarkable effort that prevailed to ensure the work required to help and serve our community and wider humanity, really kicked into action with many initiatives being conducted around the globe.

During the year 2021, here are some of the highlights of the work conducted throughout the Chapters of the WMO;

## America & Canada Chapter

The chapter despite having being spread across a vast territory embarked on community outreach programs including youth community events. Visits were conducted by the Regional Management Committee Members to different cities, attending events, meeting with community members and taking part in Memon organisations celebrations, events and activities. The chapter was pleased to welcome Houston Memon Association as its institutional member.

The chapter continues its project "Empowering through Inclusion" jointly with Pakistan chapter which has been successfully running since 2019. The Qurbani Project, another annual project was also conducted successfully with the sacrifice of 63 cows in Pakistan. During the year the chapter continued to send Bridal and Party dresses to Pakistan for distribution to needy families.

The chapter initiated a new project "Shifa" pillows, specifically for women who have undergone mastectomies and these pillows were distributed to Cancer Hospitals and individuals in North America. The chapter also donated winter gear and shoes to Afghan refugees through the Muslim Soup Kitchen (MSKP) affiliated with the Al-Huda Masjid in Albany, NY.

The chapter collected US\$ 133,056 of zakat during the year and their contribution continues to grow year on year alhamdulillah. We thank and wish the team under the leadership of Regional President Mr Bashir Akuly, all the best as they continue to grow the penetration of the chapter by engaging more Memons throughout this region which has immense potential.

## Europe Chapter

The Regional Office Bearers and WMO Secretary General, Mr Bashir Sattar appeared live on Islam Channel where they shared the history of Memons and the WMO's humanitarian work across its chapters. This was an opportunity for the WMO to inform the world about the sterling efforts being made by all chapters to change lives for the better.

The chapter also launched the WMO Food program to assist underprivileged families and the less fortunate across the country. The Board members and their families actively took part in the packing and distribution of food packs. A total of GBP £55K was received for this project. AS part of the Covid relief program, the chapter donated GBP £50k worth of food items and essentials across London and Leicester.

The Ladies Wing led by Mrs Shamim Osman carried out various welfare projects. Ms Shahida Ahmed helped raised GBP £2K which was donated to the SWAN organisation where over 130 meals were served at a Soup Kitchen at Stratham Mosque and iftar food packs were distributed during the last 10 days of Ramadan at the Croydon Mosque.

The ladies also donated GBP £5k to the Memon Association UK to provide immediate financial relief to refugees. A collection drive was also held at the Memon Centre in London where more than 150 bags of clothes, shoes and accessories were delivered to organisations such as Care4Calais, Harrow Afghan Association and Kingston Council. Several other relief aid programs were conducted by the ladies.

The youth of the chapter came forth this year and carried out several projects such as distribution of food to families in Lisbon, Portugal. They also hosted a cricket tournament called the Memon Premier League (MPL) in London.

The chapter hosted a family get together for the members at Hyde Park where several activities were conducted.

The chapter also continues to provide services to the Memons in UK to avail the support available through the countries welfare system.

We thank the Regional President Mr Imran Panaawala, the Regional Secretary Mr Shahzad Iqbal, the Regional Treasurer Mr Arif Mundiya for their efforts to date.

### **Far East Chapter**

The chapter has a strong welfare system in place with over \$700,000 disbursed to assist over 1,500 people for education, medical, housing, self-employment and covid relief support projects. The chapter also provided cash and food packs to over 1,500 needy families across Sri Lanka who were affected by the Covid.

The Gift of Sight Project is a project initiated by Far East Chapter in collaboration with Pakistan Chapter to provide healthy corneas to the needy in Pakistan. Alhumdolillah, 265 people have had their eyesight restored through this project till date.

Education Projects: The chapter is supporting a few schools with infrastructure upliftment and teacher support. The Ladies Wing compliment the men of the chapter and do their fair share of welfare work. During the year 5 corneas were donated and a wheelchair was provided to a needy recipient apart from their contribution to the other

welfare projects of the chapter.

The Youth Wing are one of the most active across WMO and they have carried out several projects during the year; First Aid Training Program, 2nd Season of Memon Champions League, Paanji Ghaal (to promote the Memon language), the youth also distributed ration packs, pulse oximeters and hosted Iftar and Suhoor at orphanages.

The regions Vice President Dr Haroon Admani and his team of Office Bearers have been working to ensure the WMO in Far East remains effective during the Pandemic and these immensely challenging times.

### **Middle East Chapter**

This is one of the most diversely represented chapters in terms of the origins of our members which have settled from all corners of the globe. The membership has now expanded from the UAE to Saudi Arabia and Oman. The chapter not only carries out projects locally but also significantly donates towards projects in several other chapters.

During 2021 the chapter placed its primary focus on Education supporting 2,000 students mainly in Pakistan but also the UAE. The chapter has set strict benchmarks to ensure that the right support is provided to students.

The chapter played a vital role in the Covid Relief efforts in India with a contribution of USD \$250K to provide oxygen, setting up of Covid Centres and general monetary assistance.

The chapter has also actively contributed towards of the Memon Hospital in Palghar India with contribution exceeding US\$150,000

A worthwhile cause funded by Mr Farooq Ahmed and his son Mr Imran Farooq is providing monthly financial support of Rs. 5000 to families in Pakistan. During the Year 2021 over US\$150,000 was donated to 3,500 families.

One of the Flagship projects of the Middle East Chapter was the Ramadan Distribution which witnessed 2,000 people receiving ration bags during the year. The chapter also continued its Ramadan Feeding program which has been running since 2015 and in 2021 over 20,000 Food packs were distributed across Dubai, Sharjah and Ajman. Other welfare projects were also conducted; wheelchair assistance in India, water supply and distribution of woollens in Pakistan.

The chapter also conducted several education and health related webinars and programs in collaboration with the Ladies' wing; The complimentary Knee Health check-up, Bingo-Coffee Mornings, Chef of the Month, talk on Endometriosis, wonder women campaign, webinars on Keeping your eyes healthy are just some of the several programs conducted during the year.

The chapter hosted a fellowship Dinner in March 2021 where WMO President, Mr Salman Iqbal launched the

“Inspire Card” project. The project was so well received that pledges of up to US\$200,000 were received at this event.

The chapter hosted the Memon Indoor Premier League (MIPL) 2.0 which is a six-a-side cricket tournament. This was conducted in July, 2021.

The Regional President Mr Ahmed Shaikhani and his talented team of Office Bearers have been working consistently to ensure the WMO lives up to remaining one of our most inspiring and productive Chapters. We thank Ahmed Shaikhani and his team for their sterling efforts.

### **Northern India**

The North India Chapter continues its hugely inspiring work under the dynamic leadership of regional President Mr Ehsan Gadawala and his team comprising Mr Haseen Aghadi the Regional Treasurer and Mr Shabbir Patca as Regional Secretary. Education, Housing and Medical assistance are ongoing projects of the chapter benefitting underprivileged members of the community.

WMO NIC provided education assistance to 658 deserving students during the year. School books are also distributed to needy students.

During the Covid Pandemic the chapter distributed ration bags across various cities in India with the help of numerous city Chairmen, Youth wing volunteers, Ladies wing members, NGOs, local Memon jamats and welfare institutions. The chapter also provided help with hospital/medical bills to those who were infected with covid.

Medical support was provided to patients by means of monthly medical expenses. WMO also provided medical equipment such as oxygen cylinders, ventilators, bipap machines, multi parameter machines and 2 CT Scan machines during the Covid pandemic. The chapter assisted the purchase of 1 ambulance and donated a further 2 ambulances during the year.

Medical Camps are also periodically conducted to test for Diabetes, Hijama, Dental checkups, etc. Free eye check-up camps are also conducted and to date more than 1000 cataract surgeries have taken place free of cost.

The chapter has for several years been constructing apartment complexes and handing them to needy members of the community and this project has continued through 2021. Jasdan Housing Colony, Gadhada Housing Colony are some of the latest projects.

WMO has also assisted the construction of Shegoan School.

Financial assistances are provided to poor especially widowed families which is done on a quarterly basis.

Project Farishtey – Differently abled children are supported with their education. Individuals are also provided auto rickshaws and other equipment to become self-dependent

as much as possible. The chapter also supports Ummeed School which is an establishment for children who have varying degrees of ability.

Project Mohabbat is a project which initiated on the eve of Eid-E-Milad-Un-Nabi and continues throughout the year where several essential items such as food, rations, clothes, etc are distributed to the needy.

The chapter also conducts individual and mass marriage programs so that the newly wed couples can start their lives free of worry and debt.

The chapter provides Micro Finance to low-income individuals which helps with their education, business, purchase of house, etc.

During the year floods hit Jamnagar which resulted in over 16,000 individuals losing their homes and businesses. The chapter supported the affected families with rations and helped with the setting up of businesses.

The chapter also conducts several Job Fairs across various cities which help graduates and unemployed professionals and people to secure jobs.

Project Langhar was started to provide fresh meals across several location in India. This project has been successfully running for over 1 year now.

The Ladies Wing of North India are a major driving force. Several projects have been launched and are currently running under the leadership of Ms Masheela Naviwala and Ms Razia Chasmawala; Monsoon Drive, Roti Bank, Sapno Ki Udan, Sardi Ka Anchal, Rozedar ko Thandak, Fun & Fairs are just some of the several projects that were conducted during the year.

The youth are working towards empowerment and held a two-day conference in Surat where over 500 delegates and 20 speakers participated. A Youth Connect program was also conducted at Navsari with another Virtual Youth connect program conducted for the youth in Chhattisgarh. The chapter has collected and spent over US\$200,000 Lillah and US\$1.5 million Zakat during the year 2021. We thank Regional President Mr Ehsan Gadawala and his team for their most consistent sterling efforts and endeavours in serving the people of their region.

### **Pakistan Chapter**

Being the oldest and one of the largest chapters of WMO, the Pakistan Chapter continues to its efforts to reach out to impoverished members of the community in Pakistan. They continue with projects related to Housing, Medical and Education (Education for All and Higher Education) while striving to improve the level of service they provide.

The chapter embarked on the latest WMO Food Bank project where at least 1,000 meals are being served on a daily basis across different locations in Karachi.

The chapter also continues its projects which it is carrying

out in collaboration with other chapters; Qurbani Meat Distribution, Empowering Through Inclusion Project, Cornea and Distribution of Wedding and Party Dresses.

The first of its kind ARY Telethon was conducted during the month of Ramadan 2021 and pledges of around US\$1.5 million were received.

The Ladies Wing carried out several welfare projects; distribution of blankets, shawls and slippers during the winter season, Distribution of Ration and Qurbani Meats. The Ladies Wing also organized free medical and surgical camps in Thatta for the poor and needy residents of the area.

MITI is and always will remain the pride of WMO and we are pleased to note that several thousands of students graduated and secured employment through the various placement opportunities provided by MITI. MITI also continues to partner with several organizations to provide courses to students. MITI seeks support to purchase new equipment, expand the existing facilities and introduce new courses which will benefit the students.

We thank the Regional President Mr H M Shehzad and his team for their selfless consistent efforts throughout 2021.

### **Southern Africa**

The Chapter grows in strength due the strong relationships it maintains with the local organizations: Jama'atun Nisaa, Purposeful Giving, Gift of the Givers, Sabre Chiti, Hajie Lutfie, Lajpaal Foundation, Falaah Projects, Natal Memon Jamaat, Muslim Relief SA. The welfare projects are never-ending and include distribution of hot meals, food hampers, blankets, assistance to widows and orphans and other necessities being carried out every month.

The chapter continues to make a difference in people's lives with its projects such as the wheelchair campaign and mycup project.

The Ladies Wing of South Africa are one of the strongest pillars of the chapter. In collaboration with local organisations several welfare projects are carried out every month.

The Regional President Mr Feizul Ayob has been the key driving force in the chapters consistent performance improvements, and we thank him and his team for their dedication to serve those most in need in our community and beyond.

### **Southern India**

The youngest Chapter shows that it is not short of any passion to serve the community.

The Chapter carries out several food and ration distribution drives and rice bag distributions including during the month of Ramadan. The Youth Wing and Ladies Wing also conducted various welfare projects from distribution of essential items to adopting and supporting students. The Ladies Wing have also implemented vocational training

courses.

An annual mass wedding event was also held for many couples during the year.

As part of the Covid Pandemic Relief program the Chapter carried out several projects in Bangalore and Chennai. Some of the projects included Free Corona Kavach, Memon Vaccine Day, Doctors on Call on top of general rations and food for distribution.

The Chapter also took part in the global WMO Food Bank project and served hot meals across various cities and donated funds towards North India Project Zindagi.

We thank the regions President Mr Abdul Azeez and his team whilst recognising the immense potential of this important region.

### **Global Youth Wing**

The Global Youth Wing has made great strides under the leadership of the current chairman, Mr Khurram Kalia. Emphasis is being placed on launching projects which promote leadership, empowerment and sustainability while promoting and maintaining Memon culture.

GYW launched project entitled "Elevate", a platform which connects Memon Jobseekers with job opportunities across the globe. Another notable project which has launched is "WMO2". This is a project which demonstrates the WMO's responsibility towards the environment, as such, this project has the ambitious goal of planting a tree for every Memon on the planet. There are several other global projects that are currently being planned which will benefit the youth and uplift the community.

The youth have been quite active in their respective chapters:

The Far East Chapter youth conducted several programs during the year; First Aid, Paanji Ghal, Memon Champions League Season 2, Distribution of rations, stationery and equipment to hospitals. A training program on the local Stock Market was also conducted. They also launched the Young Memon Achievers award to recognise young Memon professionals who have contributed and made an impact in their field.

The North India Chapter created a Rapid action team to empower youth to become leaders in different cities. The chapter has also focused greatly on entrepreneurship and carried out projects such as Project Genesis, Memon Startup Fund, Online Skill Development, Mulakaat and WMO Investment Forum. Other projects such as We The Memons, a non-fiction web series and a magazine was also launched.

The Middle East chapter hosted the Memon Indoor Premier League (MIPL).

## **International Ladies Wing**

This year 2021 marked a pivotal moment in the development of the Global Ladies Wing. Currently existing as a sub-committee, but being structured and developed into a formal wing of the WMO. The Global Ladies Wing will have its own formal hierarchy within the organisation as well as clauses within the governing documents which will determine how it is to function within the Global framework. It is envisaged that the GLW will, through its new structure, attract the immense talent that we know prevails within the Memon community globally. The chairwoman, Ms Shabana Abdul Razzak and her team have worked really hard to put together the proposal which we look forward to approving at the forthcoming AGAM in Dubai in October 2022.

The Global Ladies Wing provide much of the support required for delivery of various WMO projects such as WMO Food Bank, Ramadan Iftar meals and ration distribution.

The Global Ladies Wing have a vision that every women must be self-reliant and self-sufficient. With this in mind, an institution was launched in Mumbai offering a multitude of courses to destitute women. The heart and soul of this and several other notable humanitarian projects is Mrs Razia Chasmawala who has been the spearhead of such an important work over the past few decades in India. Razia Bhai hopes to open similar centers across several other cities in due course.

The Memon Connection project is another noble cause of the Global Ladies Wing which continues to work towards encouraging and promoting marriages between families across the globe. Thus far, over 50 Nikah's have been recorded to have taken place to date.

## Global Ladies Wing Structure

# TREASURER'S REPORT

*Assalamu Alaikum Warahmathullahi Wabarakathuhu*

We have presented the audited consolidated financial statements of WMO chapters for the year ended 31st December 2021.

The consolidated financial statements of the World Memon Organisation is prepared by amalgamating the financials of;

- The Europe,
- Middle East,
- Pakistan,
- Southern Africa,
- America & Canada,
- Far East,
- Northern India and
- Southern India.

The consolidated financial statements have been prepared in accordance with the accounting policies set out in notes to the accounts and comply with the charity's governing document, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published in October 2019.

Our Consolidated Statement of Financial Activities shows a surplus of \$544,345 mainly due to the retained rental funds and non-zakat specific funds (i.e. MITI Funds/Welfare Funds). The Consolidated Balance Sheet stands at US\$ 8.331m which has increased by a nominal \$203,000 from 2020 due to the fund account balances.

Year	Net Assets	SFA Surplus
2021	\$ 8,331,786	\$ 544,345
2020	\$ 8,128,281	\$ 342,964

During the year 2021 and year 2022, Zakat collections remained the main focus in the month of Ramadan. This continues to be a challenge and we should request the Chapters to get this unevenness sorted by pushing for collection throughout the year.

Zakat collections for 2021 (Approx. \$4.28mn) achieved a substantial growth of 28% compared to the previous year. But the year 2022 so far shows an increasing trend and hopefully we could achieve the projected figures by the end of the year.

The main contributors to the Zakat collections for 2021 in comparison to the previous year;

Chapter	2021	2020
Africa	\$506,694	\$302,800
America & Canada	\$151,056	\$49,951
Europe	\$184,656	\$268,631
Far East	\$839,400	\$669,985
North India	\$698,640	\$709,504
Middle East	\$878,588	\$732,312

- Pakistan was the highest zakat collecting chapter during the year 2021, the collection has increased by over 50% in comparison with the previous year
- Middle East chapter is the 2nd largest contributor with a growth of 20% from 2020
- 25% increase in Far East Chapter collection and continues to contribute significantly in Zakat collection
- Southern Africa with over 60% growth in collection

This year's Zakat distributions of over \$1.5mn mainly focused on Educational scheme projects, alongside the second most being spent on housing assistance.

Project	Zakat
Educational Assistance	1,433,902
Housing Assistance/Community Rehab	912,919
Other Specific Zakat Projects	1,010,934
Community Welfare / Financial Aid	298,406
Disaster & COVID Relief Aid	234,256
	<b>3,890,416</b>

WMO's total Trustees stand at 50 members, out of which 37 Trustees have paid their trustee fee in full. The balance of 13 trustees who pay their fees annually, paid \$ 164,000 in the year 2021. We are hopeful that we could collect approx. \$ 230,000 for the year 2022. The collection of Trustee fee by different chapters will be shown only in the Statement of changes of the fund since these funds are of restricted nature and its only being reflected in the accounts once it is utilized for any approved expenditure.

This year also the income from properties in Dubai saw a dip by 10%, due to the continued drop in property rental market in Dubai.

The significant cash and cash equivalents as at the balance sheet date consists of mainly the unutilized Zakat funds of (\$1,096,501) Pakistan, North India, Europe and Middle

East Chapters, which were utilized by March 2022. This also comprises of savings account balances consisting of the Micro finance funds, matured short-term investments and its returns, which were reinvested only in the following year.

Overall, we have moved closer to the target of being an efficient international charity. The chapters shall continue to implement the WMO policies and procedures and monitor the same by the office bearers. In Sha Allah, this will lay a strong foundation for WMO to grow from strength to strength in a more transparent manner that will result in recognition by the global bodies resulting in a significant increase in membership and Zakat collections in the future.

# Strategic Report

## Structure, governance and management

### Governing document

The charity is controlled by its governing documents given below;

1. Constitution of World Memon Organisation Charitable Foundation, including amended Articles
2. Standing Orders to the Constitution

### Trustees

The charity's trustees are not remunerated, and also they spend out of pocket even though they are allowed to reimburse their expenses in accordance with WMOCF expenses policy. Trustees are registered and appointed after they obtain the trustee membership from the charity and it is a voluntary service oriented appointment.

- Mr. Nowsad Abdul Gani
- Mr Bashir Sattar
- Mr. Haroon Karim
- Dr Esmail Harunani
- Mohamed Salman Iqbal
- Ashraf Abdul Sattar
- Mahmood Shaikhani
- Muhammad Shoaib Ismail

### Staff and Volunteers

Our team shares a huge passion for the work we do, and as we are a small organisation every team member sees first-hand the difference we make to families. At the year end, we have 2 professional consultants and 5 freelance consultants.

We also have around 10 regular volunteers who assist with service delivery in the charity office or helping us to raise awareness and funds in the local community.

### Risk management

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

### Financial policy

The charity has a written financial policy that sets out the procedures for the day-to-day management of the charity's finances. This is reviewed once in 2 years.

### Safeguarding

The charity is fully committed to safeguarding and promoting the welfare of all communities receive our welfare The policy is reviewed and updated bi-annually.

## Diversity and inclusion

The provision of recreational facilities and activities in the interests of social welfare with the object of improving the conditions of life for those Memons and non-Memons in need of such facilities.

### Reserve policy

In accordance with Charity Commission guidance, free reserves are uncommitted reserves freely available, which exclude restricted and designated funds and amounts invested in tangible fixed assets. Designated funds arise when the Trustees set aside unrestricted funds for specific purposes. Restricted funds arise when conditions are imposed by the donor, or by the specific terms of appeal, and can only be spent on the activities specified.

World Memon Organisation relies entirely on voluntary income, which is subject to fluctuation. In order to ensure the continuance of the charity's day-to-day activities, the Trustees have established a policy to hold free reserves, excluding grants and expenditure from restricted funds planned for the year ahead.

Total funds increased by \$203,000 in 2021 due to the carry forward restricted fund balances, which was utilized during the 1st quarter of the following year. Fundraising and administration expenditure had increased due to the increased post COVID charitable activities.

**Unrestricted funds:** Unrestricted funds amounted to \$523,493 of which were of Investment in properties and cash reserves. The Board of Trustees had reviewed the charity's reserves policy and agreed to maintain six months expenditure to cover essential operating costs.

**Restricted funds:** Restricted funds (Zakat) amounted to \$1,352,128 of which 90% related to the Education assistance related funds which would be utilized in the first 3 months of the following year. The Endowment Funds (Trsutee) 2.4mni the trustee fund balances which will be invested as these are considered as seed money.

**Regular review:** The Trustees take responsibility for reviewing the reserve policy to actual reserves during 2021, to actively consider the evolving situation with Covid-19 and the impact it may have on reserves, the potential need to build reserves given the uncertain economic outlook, and WMO's ability to meet its charitable objectives.

### Looking forward

In May 2022 a strategic review was conducted by Trustees & Office Bearer's. The following keys points were identified for further appropriate approval and actioning:

- Conduct a global Census of Memon's
- To work towards ensuring that all Memon's are able to join the WMOCF

- Strengthen the participation and performance of the Global Youth wing
- Conclude and formalize the formation and set-up of the Global Ladies Wing
- Increase participation of Memon Jamaats around the globe
- Increase participation of other Memon institutions and organisations around the globe
- Continue to provide Education assistance and increase the number of students/children supported and work towards 100% literacy in the community
- Continue and expand the Housing projects for Memon's in the sub-continent
- Continue to increase and provide medical assistance to those most in need
- Review the structure of the chapters of the WMO and ensure they have sufficient support to meet and deliver Humanitarian projects of value to society
- Participate in disaster relief missions as required from time to time around the world
- Conduct projects during the holy month of Ramadan to support the deserving
- Develop the WMO brand and digital presence to better showcase our work, build awareness of the charity and engage new stakeholders.

## Trustees' responsibilities

Disclosure of information to the auditors

We, the directors of the company who held office at the date of approval of these Financial Statements as set out above each confirm, so far as we are aware, that:

- there is no relevant audit information of which the company's auditors are unaware; and
- we have taken all the steps that we ought to have taken as directors in order to make ourselves aware of any relevant audit information and to establish that the company's auditors are aware of that information.

# Independent Auditors Report to the Members of World Memon Organisation Charitable Foundation

We have consolidated financial statements of the World Memon Organisation chapters, WMO Europe (which has been audited by KWSR) WMO Middle East, WMO Pakistan, WMO Africa, WMO Far East, WMO America & Canada, WMO North India, WMO South India (which has not been audited by KWSR but audited by their respective auditors) for the year ended 31st December 2021 which comprise a statement of financial activities, Balance Sheet and related notes. The financial reporting framework that has been applied in their preparation is the applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) including Financial Reporting standard 102.

## Respective Responsibilities of Trustees and Auditor

The trustees are responsible for preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with Auditing Practices Board's Ethical Standards for Auditors.

## Scope of the Audit

An audit involves obtaining evidence about the amount of disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatements, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the charity's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the Trustees; and the overall presentation of the financial statements.

## Opinion on the Financial Statements

In our opinion the financial statements:

- give a true and fair view of the state of the Charity's profit or loss for the year ended 31 December 2021;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006 and the charities Act 2011

## Opinion on other matters prescribed by the Companies Act 2006

In our opinion the information given in the Trustees Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

## Matters on which we are required to Report by Exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us following report to you if, in our opinion:

- Adequate accounting records have not been kept; or
- certain disclosures of trustee's remuneration specified by law are not made; or
- We have not received all the information and explanations we require for our audit; or
- returns adequate for our audit have not been received from branches not visited by us; or
- the company financial statements are not in agreement with the accounting records and returns.

# Notes to the Financial Statements

## Summary of significant accounting policies

### (a) General information and basis of preparation

World Memon Organisation Charitable Foundation is a company registered by guarantee in England / Wales . In the event of the charity being wound up, the liability in respect of the guarantee is limited to \$1 per member of the charity. The address of the registered office is given in the charity information of these financial statements. The nature of the charity's operations and principal activities are;

- Assisting and promoting the religious, technical and professional, general and further education of Memons including education concerning the cultural and religious identity, customs and language of the world wide Memon community.
- The relief of poverty, sickness, distress and suffering of any persons who are in need irrespective of their race, caste, nationality and creed,
- The provision of recreational facilities and activities in the interests of social welfare with the object of improving the conditions of life for those Memons and non-Memons in need of such facilities

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act 2011, the Companies Act 2006\* and UK Generally Accepted Accounting Practice.

The financial statements are prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements are presented in United States Dollar (\$) which is the functional currency of the charity.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

### (b) Funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The cost of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements. Endowment funds represent those assets which must be held permanently by the charity. Income arising on the endowment funds can be used in accordance with the objects of the charity and is included as unrestricted income. Any capital gains or losses arising on the investments form part of the fund. Investment management charges and legal advice relating to the fund are charged against the fund.

### (c) Income recognition

All incoming resources are included in the Statement of Financial Activities (SoFA) when the charity is legally entitled to the income after any performance conditions have been met, the amount can be measured reliably and it is probable that the income will be received.

For donations to be recognised the charity will have been notified of the amounts and the settlement date in writing. If there are conditions attached to the donation and this requires a level of performance before entitlement can be obtained then income is deferred until those conditions are fully met or the fulfilment of those conditions is within the control of the charity and it is probable that they will be fulfilled.

Donated facilities and donated professional services are recognised in income at their fair value when their economic benefit is probable, it can be measured reliably and the charity has control over the item. Fair value is determined on the basis of the value of the gift to the charity. For example, the amount the charity would be willing to pay in the open market for such facilities and services. A corresponding amount is recognised in expenditure.

No amount is included in the financial statements for volunteer time in line with the SORP. Further detail is given in the Trustees' Annual Report.

Where practicable, gifts in kind donated for distribution to the beneficiaries of the charity are included in stock and donations in the financial statements upon receipt. If it is impracticable to assess the fair value at receipt or if the costs to undertake such a valuation outweigh any benefits, then the fair value is recognised as a component of donations when it is distributed and an equivalent amount recognised as charitable expenditure.

Gifts in kind donated for resale are included at fair value, being the expected proceeds from sale less the expected costs of sale. Where estimating the fair value is practicable upon receipt it is recognised in stock and 'Income from other trading activities'. Upon sale, the value of the stock is charged against 'Income from other trading activities' and the proceeds are recognised as 'Income from other trading activities'. Where it is impracticable to fair value the items due to the volume of low value items they are not recognised in the financial statements until they are sold. This income is recognised within 'Income from other trading activities'.

Fixed asset gifts in kind are recognised when receivable and are included at fair value. They are not deferred over the life of the asset.

For legacies, entitlement is the earlier of the charity being notified of an impending distribution or the legacy being received. At this point income is recognised. On occasion legacies will be notified to the charity however it is not possible to measure the amount expected to be distributed. On these occasions, the legacy is treated as a contingent asset and disclosed.

Income from trading activities includes income earned from fundraising events and trading activities to raise funds for the charity. Income is received in exchange for supplying goods and services in order to raise funds and is recognised when entitlement has occurred.

Income from government and other grants are recognised at fair value when the charity has entitlement after any performance conditions have been met, it is probable that the income will be received and the amount can be measured reliably. If entitlement is not met then these amounts are deferred.

Investment income is earned through holding assets for investment purposes such as shares and property. It includes dividends, bank profits and rent. Where it is not practicable to identify investment management costs incurred within a scheme with reasonable accuracy the investment income is reported net of these costs. It is included when the amount can be measured reliably. Bank profits is recognised using the accrual method and dividend and rent income is recognised as the charity's right to receive payment is established.

Other income includes the conversion of endowment funds into income which arises when capital funds are released to an income fund from expendable endowments or when a charity has authority to adopt a total return approach to its permanent endowment fund. It also includes other income such as gains on disposals of tangible fixed assets.

#### **(d) Expenditure recognition**

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Expenditure is recognised where there is a legal or constructive obligation to make payments to third parties, it is probable that the settlement will be required and the amount of the obligation can be measured reliably. It is categorised under the following headings:

- Costs of raising funds includes of overheads and professional fee;
- Expenditure on charitable activities includes Zakat and Non-Zakat donation made to the various projects; and
- Other expenditure represents those items not falling into the categories above.

Grants payable to third parties are within the charitable objectives. Where unconditional grants are offered, this is accrued as soon as the recipient is notified of the grant, as this gives rise to a reasonable expectation that the recipient will receive the grants. Where grants are conditional relating to performance then the grant is only

accrued when any unfulfilled conditions are outside of the control of the charity.

#### **(h) Tangible fixed assets**

Tangible fixed assets are stated at cost (or deemed cost) or valuation less accumulated depreciation and accumulated impairment losses. Cost includes costs directly attributable to making the asset capable of operating as intended.

Depreciation is provided on all tangible fixed assets, at rates calculated to write off the cost, less estimated residual value, of each asset on a systematic basis over its expected useful life as follows:

Freehold land	-
Freehold buildings	10%
Leasehold land and buildings	10%
Plant and machinery	33%
Fixtures and fittings	20%
Motor vehicles	20%

Land and buildings were valued using market value

#### **(i) Heritage assets**

Heritage assets are recognised on the balance sheet and initially measured at cost when purchased or if donated, their valuation. Assets are subsequently stated at cost or valuation less accumulated depreciation and accumulated impairment losses. Fair values for donated assets are estimated by reference to market prices.

Where information on the cost or valuation of heritage assets is not available or the cost of providing such information significantly outweighs any benefit to the users of the accounts then heritage assets are not recognised on the balance sheet.

Acquisitions only arise when donated to the charity or if it is believed that they will further the charity's objectives. Once acquired they will be preserved by the charity in order to keep their historical, artistic, scientific, technological, geophysical or environmental qualities to such a high level as to contribute to knowledge and culture. A register of all assets held by the charity is available and the assets themselves are accessible to the public with prior agreement. Heritage assets are to be held for the foreseeable future.

#### **(j) Investment properties**

Investment properties are measured at fair value at each reporting date with changes in fair value recognised in 'net gains / (losses) on investments' in the SoFA.

#### **(k) Investments**

Investments are recognised initially at fair value which is normally the transaction price excluding transaction costs. Subsequently, they are measured at fair value with changes recognised in 'net gains / (losses) on investments' in the SoFA if the shares are publicly traded or their fair value can otherwise be measured reliably. Other investments are measured at cost less impairment.

Current asset investments are short term highly liquid investments and are held at fair value. These include cash on deposit and cash equivalents with a maturity of less than one year.

#### **(l) Debtors and creditors receivable / payable within one year**

Debtors and creditors and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in expenditure.

#### **(m) Loans and borrowings**

Loans and borrowings are initially recognised at the transaction price including transaction costs. Subsequently, they are measured at amortised cost using the accrual method, less impairment. If an arrangement constitutes a finance transaction it is measured at present value.

**(n) Concessionary loans**

Concessionary loans include those receivable which are interest free and are made to advance charitable purposes. All loans are / Where the loan is repayable on demand within two years, the loan is measured at cost, less impairment.

**(o) Impairment**

Assets not measured at fair value are reviewed for any indication that the asset may be impaired at each balance sheet date. If such indication exists, the recoverable amount of the asset, or the asset's cash generating unit, is estimated and compared to the carrying amount. Where the carrying amount exceeds its recoverable amount, an impairment loss is recognised in profit or loss unless the asset is carried at a revalued amount where the impairment loss is a revaluation decrease.

**(p) Provisions**

Provisions are recognised when the charity has an obligation at the balance sheet date as a result of a past event, it is probable that an outflow of economic benefits will be required in settlement and the amount can be reliably estimated.

**(q) Leases**

Assets acquired under finance leases are capitalised and depreciated over the shorter of the lease term and the expected useful life of the asset. Minimum lease payments are apportioned between the finance charge and the reduction of the outstanding lease liability using the accrual method. The related obligations, net of future finance charges, are included in creditors.

Rentals payable and receivable under operating leases are charged to the SoFA on a straight line basis over the period of the lease.

**(r) Foreign currency**

Foreign currency transactions are initially recognised by applying to the foreign currency amount the spot exchange rate between the functional currency and the foreign currency at the date of the transaction.

Monetary assets and liabilities denominated in a foreign currency at the balance sheet date are translated using the closing rate.

**(s) Employee benefits**

When employees have rendered service to the charity, short-term employee benefits to which the employees are entitled are recognised at the undiscounted amount expected to be paid in exchange for that service.

**(t) Tax**

The charity is an exempt charity within the meaning of schedule 3 of the Charities Act 2011 and is considered to pass the tests set out in Paragraph 1 Schedule 6 Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes.

**(u) Going concern**

The financial statements have been prepared on a going concern basis as the trustees believe that no material uncertainties exist. The trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. The budgeted income and expenditure is sufficient with the level of reserves for the charity to be able to continue as a going concern.

**(v) Shariah and Zakat donations**

The WMO complies with Shariah law as provided in the Holy Quran and Sunnah.

## Assalamu Alaikum Warahmathullahi Wabarakathuhu

I am truly honored and pleased to present a brief overview of the annual performance of the North America Chapter for the year 2021. I would like to take this opportunity to express my gratitude to the Board of Directors, RMC members, members, volunteers as well as WMO Headquarter for their trust and support of our work to serve the community living in North America and elsewhere in the world.

This year World Memon Organization North America (WMO NA), realizing of having such a vast territory where Memons are settled in different parts of the continent, embarked upon a COMMUNITY OUTREACH PROGRAM including participation in YOUTH community events. These activities include WMO NA leaders visiting multiple cities, attending events organized by and meeting a number community members and Memon Organizations in their celebrations, events and activities. These endeavors are proving to be quite successful from community UNITY, AWARENESS and interest in engaging. Houston Memon Association becoming member, Memon Organization of North America (Los Angeles) participating making clear examples for others to become member thereby influencing community members to become members of WMO NA.

Our members from places like New York, Chicago, California, Texas, Florida, Atlanta and Toronto etc., are collectively supporting the projects both in US continent and overseas in India and Pakistan namely INCLUSION THROUGH EMPOWERMENT in Pakistan, EDUCATION, SHELTERS and REHABILITATION in India and Pakistan are few of our pride projects besides ongoing Bridal dresses collections and distributions In Pakistan. Matrimonial, Education and accommodation assistances in USA. Memon youth are being encouraged and applauded for their sports activities throughout.

Starting with modest beginning the North America Chapter is growing slow and steadily in Membership. Hence perfected its presence and collaborating and assisting in various Humanitarian activities. We have capitalized personal visits of various Memon dignitaries to different cities by honoring and welcoming them involving local Associations and community members. All these visits are proving to be vital in bringing them to participate with WMO NA on reciprocal basis. Chapter is moving forward on set multiple goals and hence through multiple committees

handling tasks to achieve aimed objectives.

Our special initiative has been on special projects besides the ones set forth by WMO International, where we collaborated in Telethon and appealing community to donate in WMO FOOD BANK PROJECT.

Our team comes from highly diversified backgrounds and we look forward to deliver their best for the WMO's cause to UNITE, UPHOLD and UPLIFT our community to serve the MANKIND We pray to almighty Allah (SWT) to accord wisdom, perseverance and assistance to our team to do their utmost and set road map for the future generation. Here are some of the highlights of the year 2021.

The meeting concluded with a closing address and a dua

## WMO EUROPE CHAPTER LIVE ON ISLAM CHANNEL

Vice President of World Memon Organisation (Europe Chapter) Mr Imran Panaawala was also live on Islam Channel program "living the life". with General Secretary Mr Waseem Yousuf Adil and Regional Treasurer Mr Shahzad Iqbal. Where they promoted the WMO community and raised awareness regarding their charitable work.

In addition, Mr. Bashir Sattar, WMO secretary general and chairman of the global youth wing, appeared on the Islam channel. Where he discussed the history of memons and highlighted the charitable work carried out by WMO around the world in different chapters.

## WMO EUROPE CHAPTER FOOD PROGRAM

During the second lockdown of the country, WMO Europe Chapter launched the WMO Food Program to assist

underprivileged families and the less fortunate across the country. WMO members came together at Memon Centre London to organise the food distribution drive. Most of the Board Members along with Office bearers with kids together help themselves to pack the food parcels and organise the food distribution. Food packs containing essential food items were distributed to the deserving. WMO partnered with many local and international charities to facilitate the distribution aiming to reach and benefit maximum individuals and families. Total £35K total pledges received for WMO Food Program.

The WMO team was led by Mr. Mahmood Shaikhani (Deputy President – WMO), Mr. Bashir Sattar (Secretary General – WMO), Mr. Imran Panaawala (Vice President – WMO Europe Chapter), Mr Waseem Yousuf Adil (Regional Secretary General – WMO Europe Chapter), Mr. Shahzad Iqbal (Regional Treasurer – WMO Europe Chapter), Shabbir Wali Mohammad (President - MAUK), Mr. Arif Mundiya and Mr. Farhan Farooq (Board Members WMO Europe Chapter)

The ladies wing team led by Mrs. Shamim Osman along with the children came together to create and move the food parcels for transportation and delivery to charities. In total 500 food parcels were delivered to Care4Calais, homeless people, Tooting Kitchen and SWAN Charity

Another WMO Europe Chapter Food Drive run for six months from February 2021 to August 2021 through Barnet council to Barnet Food Hub where we catered 200 food parcels in total 1200 Food Parcels for deserving families. Additionally, 200 food parcels were delivered to the St. Mary's Church.

## WMO EUROPE CHAPTER COVID 19 APPEAL

WMO's Europe Chapter is doing its part to provide some assistance to mitigate some of the pandemic's adverse effects. Until March 2021, Europe Chapter had received £50k for Covid-19 appeal.

Some relief initiatives that Europe chapter proudly undertook are as follows:

- 100 essential food items were distributed to Crisis Charity
- 200 tea and coffee boxes were supplied to St. George's Hospital NHS Trust
- 100 essential food items distributed to Lewisham NHS

Trust

- 50 essential food boxes were delivered to local district Nurses in South London
- 500 food parcels to be distributed to Peace Charity in Leicester.
- 200 food parcels were distributed to International students in East London.

## **WMO EUROPE CHAPTER LADIES WING**

The ladies wing Europe chapter contributed wholeheartedly, proving dedication and sincere commitment throughout the year.

An active member of WMO ladies wing Ms Shaida and family raised £2000. The WMO Europe Chapter Ladies Wing organised an initiative for underprivileged Syrian and Yemeni refugees led by our own Shaida Ahmed, along with her daughters and the support of the rest of the team. Over £2,000 was successfully raised by selling savouries and cakes from home, and was donated to the SWAN Organisation here in the UK.

WMO served 130 meals along with fruits and cakes via the Soup Kitchen initiative at Streatham mosque in collaboration with Swan Charity.

During the last ten days of Ramadan, WMO Europe Chapter provided meals and iftar food packs to the marginalised at the Croydon Mosque, located in the boroughs of London. This was led by Ladies' Wing Chairperson Mrs. Shamim Osman, accompanied by her husband Mr. Hanif Osman and members of the Ladies' Wing volunteered to distribute meals to the less-fortunate at the soup kitchen while on the mosque premises.

## **AFGHANI AND REFUGEE CRISIS APPEAL**

WMO Europe has been working actively to ensure refugees arriving in the UK feel welcomed and that all their critical needs are met. Refugees were supported in rebuilding their lives in the UK.

Refugee support program initiated by WMO Europe Chapter in collaboration with Memon Association UK helped the large influx of Afghan migrants entering Europe.

A donation of £5000 has been made to provide immediate financial relief. In addition, a collection drive was held at the Memon Centre in London. In this drive, more than 150 bags of clothes, shoes and accessories have been delivered to organisations such as Care4Calais, Harrow Afghan Association and Kingston Council. The team was led by Shamim Osman to assist in the Refugee Crisis.

Many thanks to Mrs. Zeenat Vali Mohammad, Ladies Wing Chairperson of Memon Association UK and our dedicated team of Yasmin Omar, Fatima Gadit, Sajida Tayub, Obada Khan, Shenaz Vali Mahomed, Sajida Daud and Shahina for being a part of this worthy cause.

On 8th October at the Radisson Blu hotel, Cromwell. WMO was present where many families, including 400

individuals, were temporarily displaced. WMO primarily communicated with the Afghan Association through this they identified the crucial need for shoes for men and women. 425 pairs were distributed on to the families in need. This was a valuable contribution that helped the Afghan refugees.

## **YEMEN FOOD PACK DISTRIBUTION**

An additional £1,600 was sent to Yemen for food parcels during the worldwide lockdown through MIT (Midland International Trust) for the underprivileged, providing Ramadan food packages for families in Yemen.

Furthermore, Streatham Food Bank and winter clothes initiative collaborated to support elderly people and lowincome families, under-privileged Syrian and Yemen refugees, and disabled people.

## **LADIES SPORTS ACTIVITIES**

There is Basketball for Girls on Monday nights and Keep-fit Class and Badminton on Friday Nights both were well attended at the Memon Centre in London. Nevertheless, due to the various restrictions and rules, all activities are temporarily halted.

## **WMO EUROPE CHAPTER YOUTH WING**

The Youth Wing of WMO Europe Chapter consists of the Youth Wing of Memon Association UK, Memon Association Leicester and the Youth wing of Portugal. The Youth Wing was active in terms of the provision of cricket, volleyball, basketball and badminton activities at both the Memon Centre in London & Leicester.

Every year WMO usually plans to organise 4 functions with the help of Memon Association UK. However, this year due to fluctuations in restrictions and various rules WMO could not arrange all planned events. The youth have taken a key role in assisting with the organising of many social events and their enthusiasm and participation is ever increasing, Alhumdulillah.

In 2021, certain activities due to COVID were unable to be undertaken by the Memon Association UK and Memon Association Leicester in collaboration with World Memon Organisation (Europe Chapter). We plan to organise many engaging events in the coming year.

- Badminton
- Volleyball
- Ladies and female youth football & Basketball classes with a qualified professional.
- Regular youth meetings at MC London
- Regular cards and pool sessions at MC London
- Playing Cards played every Wednesday & Saturdays at different venues in Leicester
- Weekly Friday Night activities – Now stopped due to lockdown
- Football training for under 16s in Leicester
- Indoor Football in Leicester
- Outdoor Football in Leicester
- Talim classes for youth in Leicester at MC Leicester

## PROJECTS INITIATED AND LED BY GLOBAL YOUTH WING PORTUGAL

### Food distribution to families in Lisbon

On 13 July 2021 The WMO Global Youth Wing Europe Chapter, led by Irfane Hameed, partnered with Noor Fatima Volunteering Association to provide basic necessities to 175 marginalised families in Lisbon. The food distribution drive was initiated and led by our stalwart Mr. Liyakat Hameed (Board Member WMO – EC) and conducted in the Greater Lisbon and Sacavem areas of Lisbon city. These regions are home to several underprivileged African natives of Guinea-Bissau who escape to Europe in search of a better life.

### Food pack distribution Portugal

A joint Project of WMO Europe Chapter and Islamic Help for Ration Distribution in Portugal.

## MEMON PREMIER LEAGUE MPL

After several months of lockdown and being indoors, an exciting match brought the youth together. The matches involved four teams participating from different regions of London, providing the youth with ample opportunity to showcase their talent. Mr. Arif Mundiya who heads the Europe Chapter Sports Committee did a commendable job. He has promised many more sporting events in the near future to encourage youngsters to stay active and improve their skills within the community.

We applaud the members of the sports committee which include Mr. Imran Panawala (Regional Vice President of Europe Chapter), Mr Waseem Yousuf Adil (Regional Secretary General), Mr. Shahzad Iqbal (Regional Treasurer) and Mr. Farhan Farooq (Regional Management Committee member) for organising a spectacular event and are grateful to the top brass of WMO – Mr. Mahmood Shaikhani (Deputy President WMO), Mr. Bashir Sattar (Secretary General WMO), Sir Iqbal Sacranie (Former Deputy President of WMO) and Mr. Tanveer Merchant for being the driving force behind the tournament.

This first cricket tournament held on English soil under the WMO banner was a colossal success.

## SUMMER FAMILY GET TOGETHER AT HYDE PARK LONDON

Families got together in Hyde Park on a beautiful summer day to enjoy a picnic together, where there were many active sports, a variety of food and games for children. The youth socialised and communicated while the adults spent meaningful time with one another. It was a fun and eventful day.

## EUROPE CHAPTER MEETING WITH PRESIDENT

The office bearers of the Europe Chapter met with the president of WMO in Pakistan.

Mr. Imran Panaawala (VP – Europe Chapter), Mr. Mr Waseem Yousuf Adil (Assistant Secretary – Europe Chapter) and Mr. Shahzad Iqbal (Treasurer – Europe

Chapter) had an elaborate discussion on the plans, upcoming WMO projects in Europe and their scope. WMO members were assured of the president's support on the matter.

## WMO EUROPE CHAPTER MEMBERSHIP DRIVE

Memon Association UK and Memon Association Leicester are assisting the WMO Europe Chapter to achieve its target to maximise the membership of WMO. We have introduced WMO membership stands at functions of MA London and MA Leicester to promote WMO membership among the community, and senior members present a five-minute report to inform members about the projects being carried out on different continents by WMO. Also, with the introduction of our GYW VC and team executives we have seen a record increase in the Youth Membership category. This is mainly as a result of the introduction of GYW.

## WMO EUROPE CHAPTER ZAKAT COLLECTION

The WMO Europe Chapter in conjunction with the Memon Association UK and Memon Association Leicester make all out efforts to collect zakat. Prior to Ramadan, WMO appeal letters will be sent out by email, highlighting WMO activities. With the efforts of senior members and the Board of Management new donors are being approached. Calls are being made by office bearers and senior RMC members to the potential donors in London, Leicester, and Portugal. In 2021 WMO EC's collection was \$155k.

## WMO EUROPE CHAPTER MEMON BUSINESS DIRECTORY

WMO EC is compiling data on Memon businesses operating in Europe. This information gathering will benefit all Memons to advertise their businesses across Europe to start with.

Will help them to do business with other Memon brothers and sisters. To promote their businesses and give incentives, i.e., offering discounts, providing apprenticeships, business advice for start-ups and investment opportunities.

## WMO EUROPE CHAPTER WELFARE ACTIVITIES

Europe and especially the UK has its own welfare system which provides legal aid, housing support as well as different kinds of benefit support and medical facilities. However, for our Memon's who cannot afford it, we offer free services in respect of legal, medical, social issues, etc. Professionals who are also listed on the website. We intend to have regional advisors giving advice on matrimonial, family disputes etc. Memons have called us several times this year 2021 regarding their housing, family welfare, and immigration concerns. We have been able to deal with the issues by discussing their concerns and coming up with practical solutions.

We support some of our Memon's with hospital expenses and funeral expenses if they are having financial difficulties. WMO Europe Chapter works hand in hand with our Apex Body Memon Association in London and Leicester.

## **WMO EUROPE CHAPTER NEW APPOINTMENTS**

During the 6th RMC meeting held on 1st December 2021, the board members unanimously appointed Mr Shahzad Iqbal as Regional Secretary General and Mr Arif Mundiya as Regional Treasurer. In addition, the management committee and Global Youth Wing appointed Faisal Bhesania as Regional Youth Vice Chairman. Many congratulations to the following appointees.

## EDUCATION ASSISTANCE IN PAKISTAN

WMO believes Education is a fundamental Human Right.

Education is an important in helping improve lives, break the cycle of poverty and ensure that all people, particularly children have control over their destine.

One of the principal aim and objective of WMO is to facilitate the promotion of education at all levels.

WMO ME through Donors have managed to support over

2,000 Needy students studying different school in Pakistan as well application received for Education Assistance of families in UAE as well.

WMO ME set the benchmark where students should have a good education & attendance record, simultaneously making sure its real needy person in co-ordination with different Memon Jamats.

## WMO MIDDLE EAST CHAPTER TO COMBAT COVID IN INDIA

As the devastating second wave of the Corona pandemic batters India, overwhelming healthcare facilities and despairing families scramble to source oxygen, medicine and hospital beds for their loved ones, the crematoriums and graveyards are unable to keep pace with the rising number of deaths.

The WMO India Chapter has been on the frontlines as the nation battles a rampant pandemic.

Oxygen is the most precious commodity in India today. Most fatalities have occurred due to steep falls in oxygen levels in the body, leaving patients gasping for air. High capacity oxygen cylinders, breathing apparatuses and oximeters have been delivered to the ailing.

Covid Centers have been established in various cities, towns and villages to ease the suffering. Each centre is under expert medical supervision, has an inexhaustible supply of oxygen and life saving medicines. Along with free treatments, the centers stock essential food items which are provided to the families of the afflicted.

Monetary Assistance in the form of payment of hospital bills and insurance policies to cover medical expenses have been availed for the needy.

WMO Middle East Chapter to combat the situation in India generously donated AED 917,600/- through its Donor.

### **WMO ME – MEMON HOSPITAL PALGHAR**

This project is a need for the District of Palghar and will serve over 2 million residents with overall benefit going to WMO for establishing the Hospital. The Project construction is on going and looking for funds. WMO ME through its donor contributed AED 513,000/-towards construction of the Memon Hospital which once complete will have a capacity of 135 Beds.

### **WMO ME CHAPTER FINANCIAL ASSISTANCE IN PAKISTAN**

A total of 3,500 families benefitted as a financial support of Rs. 5,000/- each by Mr. Farooq Ahmed Bha and Mr. Imran Farooq Bha who generously donated in Pakistan a sum of Rs. 2,500,000/- (AED 60,000/-) each month since March 2021 totaling todate Rs. 25,000,000/- (AED 600,000/-) the deserving families in Pakistan.

### **WMO ME CHAPTER ASSISTANCE IN INDIA CHAPTER HOUSING PROJECT**

The capitalist tide that has avalanched the world in its snowball has made human life a tragedy worse than ever before. It has rendered humanity homeless; a primal necessity that cannot be overlooked. Influenced by these mishaps, the WMO NIC has risen to the occasion whenever the clarion call of time has demanded and has filled shoes meant for others to wear. In a recent campaign to provide the downtrodden and the underprivileged with the basic survival ingredient, the WMO NIC has launched housing scheme in various parts of India the program is currently in all major and populous cities, including Ahmedabad, Surat, Dhoraji and Kodinar. Alhamdulillah WMO ME Chapter has arranged AED 180,000/- (\$ 50,000/-).

### **WMO ME RAMADAN RATION FOOD PROGRAM**

In keeping with the bountiful spirit of giving during the holy month of Ramadan, WMO Middle East Chapter distributed food packs to the underprivileged families that dwell in their corner of the World.

Each pack consists of several kgs of essential food items such as rice, wheat, dal, sugar, tea, oil and other necessary commodities, During the Month of Fasting we would like to ease the burden on our Muslim brothers and sisters hence we are doing our bit to bring food on their table.

A total of 2,000 bags delivered in the Month of Ramadan to Pakistan, UAE India and Egypt.

We are thankful to our donors who have generously donated and made this campaign successful.

### **IFTAR MEAL BOX**

WMO Middle East Chapter has led by example and always from the front, when it comes to Serve Mankind.

In the Ramadan of 2015, the Chapter served Iftar meals for the entire duration of the holy month. An Iftar camp was set up in Dubai and 37,500 Muslim brothers were provided meals for 30 days as they gathered together, under one roof to break their fast.

These brothers were mostly poor migrant workers employed in the bustling Middle East construction industry. They toil laboriously throughout the day, without food and water, building skyscrapers that will soon adorn the Dubai skyline whilst religiously fasting under the hot desert sun.

Since then the Ramadan Iftar Camp has become an annual feature on the WMO Middle East Chapter Calendar. By 2019, three Camps were set up and almost a 100,000 meals were served.

In the year 2020, due to the Corona outbreak, Iftar meal boxes were distributed to the marginalised as WMO Middle East Chapter adhere to Covid protocols and refrained from setting up Iftar Camps to avoid large gatherings. The same ritual followed in 2021 and over 20,000 such bags were distributed in six different places of Dubai, Sharjah and Ajman.

### **WHEEL CHAIR ASSISTANCE IN INDIA**

A total of AED 6,750/- (INR Rs. 134,500/-) has been donated through our Donor for Wheel Chairs in India, delivering wheelchairs to the aged, infirm and children with special needs for year todate.

WMO ME Chapter consider it our duty, an honor and a great blessing from Al Mighty Allah to be able to contribute to improving the quality of life of our elders. We endeavor to always give and cared for them with kindness, patience and respect.

We are thankful to our donor Mr. Haroon Mohamed & Mr. Farooq Ahmed for his generosity and look forward to the same support for this worthy cause in future as well.

### **WMO WATER SUPPLY PROJECT IN PAKISTAN**

Alhamdulillah with a assistance of our Patron Donor Mr. Farooq Ahmed with a assistance of PC Chapter arranged Pak Rs. 1,100,000/- (AED 26,000/-) towards water supply project in Villages in Baluchistan as a Non Zakat Fund which will be utilized towards this necessity requirement.

### **DISTRIBUTION OF WOOLENS IN SEVERAL PARTS OF INDIA**

The distribution of Woolens continues in India under the leadership of Mr. Haroon Mohamed, Regional Secretary General WMO Middle East Chapter.

India is in the grip of a cold wave with temperatures dropping to freezing levels in many of the Northern States. Several cities and districts of Gujarat including Porbandar, Ranavav, Baroda and Godhra were covered under the distribution drive. Blankets were also delivered to the residents of an old age home Ashiana, located in the suburbs of Bangalore.

A lot has been accomplished but a lot more needs to be done. We hope our donors will spread the joy this holiday season by warming up to this pertinent cause.

### **WMO FOOD BANK PROGRAM**

The WMO Food Bank project continues in the Middle-East with meal packs being delivered in the Sonapur Industrial Area of Dubai.

The Sonapur Industrial Area is home to many migrant workers from India, Pakistan, Bangladesh and Africa. These brothers have travelled many a miles in search of a better life for their families back home.

They are mostly employed in the bustling Middle East construction industry. They toil laboriously throughout the day, building skyscrapers that will soon adorn the Dubai skyline.

May Allah SWT accept our humble endeavors and reward our donors for their generosity.

"In the Name of Allah, the Most Beneficent, the Most Merciful. All the praises and thanks be to Allah, the Lord of the 'Alamin (mankind, jinns and all that exists).

*"It is also charity to utter a good word."*  
- Prophet Muhammad (P.B.U.H)

Charity is the act of giving help to those in need of it. It is a humanitarian act which involves giving money, goods, time and effort to those who need it. It is done without expecting something in return. I started my Journey as a president of World Memon Organization in the year 2017 and Alhamdulillah now WMO is a leading organization working as a Non-Profitable Charitable Organization involved in various social activities for entire humanity & especially for Memon Community. WMO India Chapter as an organization strictly follows work transparency, dedication & motivation to Memon Community. WMO has provided humanitarian and development assistance to the people across India. We provide assistance in the areas of Housing, Education, Health, Matrimonial, etc. We have worked to ensure that our beneficiaries' get what they deserve. It was also observed that major part of people's earning are going in paying rent and thus our main motive is to provide shelter to the deserving applicants so that they can live in their own DREAM HOME without paying any rent. We also conduct Job Fair and offer Micro Finance (Interest Free Loan) to make them financially capable in the society. World Memon Organization also supports Ladies wing where they support needy women by providing them financial assistance, educating women of the community, training and crafting the women with self employable skill to make them financially independent and providing interest free loans to them so that they can start their own business

ventures, etc. The organization is also preparing the youth of the community for betterment of the society. Youth wing is focusing on getting the youth together from different domains and expertise of the community on one common platform so that the community reaps the benefits of the same. Some of the important areas that have listed out by the youth wing are School children education, Re-skilling of the youth in various fields and Medical Facilities, etc. Uphold, Uplift – are those beautiful 'WORDS' for WMO, but simultaneously we believe in that "To succeed you have to believe in something with such a passion that it becomes a reality and the end result of kindness is that it draws people to you."

## EDUCATION HELP

WMO promotes and supports Education as it is one of the key components for an individual's success. It has the ability to shape one's life in the right direction. Education is a process of imparting or acquiring knowledge, developing the powers of reasoning and judgment. It prepares oneself or others intellectually for mature life. It improves not only the personal life of the people but also their community. Thus, one cannot neglect the significance of Education in life and society.

Systematic and Professional working strategies have been adopted so that a deserving applicant may not miss to avail benefit and getting education. WMO has helped 658 deserving students this year and all this is possible by the kind Mercy of The Almighty Allah Subhanahu Wa Ta'ala and the best support of Nathani Charitable Trust.

## **RATION HELP**

World Memon Organization, India after responding with great urgency in the unprecedented time of outbreak of COVID-19 pandemic 1st Wave, WMO also helped for the ration to the underprivileged in the 2nd Wave of COVID-19 and in the month of Ramadan through social welfare activities and delivering essentials items to people in the affected areas through our widely-spread network of WMO i.e. Board Members, City Chairman, youth wing volunteers and along with the other NGO associated.

All this was not possible without the help of our Local Memon Jamats, and Welfare institution. WMO is working with Humanitarian & Charitable causes irrespective of Caste, Creed, Criticism and Religion with the ultimate goal and objective of being uplifting the under privileged sections of the society & Memon Community, and in the process of contributing to the task of nation building.

## **HOUSING HELP**

A world in which only a few can afford housing is not sustainable. Everyone deserves a safe place to live: it can transform the quality of life of individuals and families. Today, however, most cities around the world are facing major challenges in providing safe and adequate housing for their people, especially cities that are growing rapidly and where the affordable housing options are limited. Even those who earn steady wages are unable to buy or rent affordable housing. Rents remain alarmingly high and out of line with incomes forcing many to pay more than 50% of their income each month on housing. Key workers such as teachers, police officers, firefighters and nurses cannot afford to live near the communities they serve, instead having to bear the costs – in time and money – of commuting.

Many Altruistic and Philanthropic personalities of Memon Community realized to cater the basic needs to the Memon families and especially in Metro-cities now as it is not possible to buy your own flat or house. By the kind mercy of The Almighty ALLAH Subhanahu Wa Ta'ala, WMO is able to fulfill the Own House Dreams of Memons into Reality.

## **COVID HELP**

The Covid-19, worldwide phenomenon, in this tough time many families were affected with financial problems as there was worldwide lockdown, with this it was difficult for families to bear the medical expenses which occurred after diagnosis with Covid-19 Positive.

In this tough time WMO came forward to help these families to pay their Hospital/Medical bills for their family members affected due to COVID-19. In 2nd Phase of Covid-19 many families were benefited financially to fulfill their health expenses.

## **FINANCIAL HELP**

World Memon Organization also supports people financially where our main motive is to help poor individual

of the community with some financial help. Such case might come from any part of India. We have already helped number of widows and destitute' under this project by providing them a specific amount on quarterly basis and also help many other individuals for e.g.: a person who lost his house in riots or doesn't have anything to eat.

## **AMBULANCE HELP**

World Memon Organization helped purchase of an Ambulance in Nanded, Maharashtra and also donated 2 Ambulances to Pir Makhdum Saheb Charitable Trust & 1 Ambulance Juma Masjid Trust Mumbai, Maharashtra.

## **SCHOOL BOOK DISTRIBUTION DRIVE**

It is rightly said, "Books are man's best friend". However, books are inaccessible to a large number of people because of their meagre purchasing power which is sometimes perhaps not even sufficient to pay for their basic needs like food and shelter. Underprivileged people are denied their basic rights and are thus victims of the vicious circle of poverty. This vicious circle can be broken by educating these people which can be done if books are made accessible to these people. Hence, World Memon Organization organizes various book distribution campaigns throughout the year to provide free books and stationery to underprivileged children. These campaigns are very beneficial for realizing the sustainable development goal of providing education to all.

## **MEDICAL AND MEDICAL EQUIPMENTS HELP**

WMO also supports medical patients by helping them with their monthly medical expenses. In the year 2021, WMO supported more than 150 patients. WMO has not only supported for medicines expenses but also for Medical Equipments such as Oxygen Cylinders, Ventilators, Bipap Machines, Multi-Parameter Machines and 2 CT Scan Machines during the 2nd wave of Covid 19.

## **MEDICAL CAMPS**

Medical camps were organized in Andheri, Palghar Mumbai and Dewas. Different types of health checkups were done in various camps such as Diabetes, Hijama, Dental Checkup, Orthopedic, etc.

## **THE GIFT OF SIGHT**

World Memon Organization in collaboration with Khimat-E-Khalq & Hopes India Foundation organized free eye check-up camps in different areas of Mumbai. Free eye examinations were conducted of the underprivileged. The eye camps were well equipped with all the necessary gears for examining the patients' eyes. These eye checkup camps took place in Mahim, Ghatkopar, Mumbra, Thane, etc. Till date more than 1000 Cataract surgeries took place which was all done free of cost for the patients.

## **PROJECT FARISHTAY**

Children born with disabilities are so "special" that a person working for them has to understand and comprehend situations as well as people. Every child with a special

need is different and so we have to understand the level of need for each child and devise a specific method. We at World Memon Organization help such students under our one of its kind program "Project Farishtey" for their studies. We also help individuals who are especially able to start their own business by providing them Auto Rickshaw or any other equipment which can become an earning source of their life and also help them for purchasing own house.

## **PROJECT MOHABBAT**

WMO initiated project Mohabbat on the eve of Eid – E – Milad – Un – Nabi (Birthday of the Prophet S.A.W) with the objective to spread love (Mohabbat). Unbounded and everlasting love that Prophet Muhammad (PBUH) has in his heart for his Ummah, immeasurable love that we have towards our beloved Prophet and the love that we can express towards our fellow human beings by undertaking charitable endeavors that would uplift Humanity.

WMO teams organized and executed Project Mohabbat across more than 170 towns & cities in India and amongst all age groups, irrespective of caste, religion, community or creed. Fresh fruit packets were distributed to the ailing at hospitals. Food packets were distributed at various venues including orphanages, old age homes and hospitals. Medical camps were organized and arranged across India to provide medical assistance to the suffering. Medicines were distributed at hospitals. Blood donation camps were organized to encourage youngsters to donate this life-saving commodity to hospitals and blood banks. School kits were distributed to children in order to encourage education amongst the poor. New and used clothes were delivered to the ailing in various hospitals. Three wholesome meals, clothes, medicines and consultations were provided to cancer patients in Mumbai. Mrs. Raziabai Chasmawala with her team distributed clothes, Slippers, Food to the children's and 5000 Sanitary Napkins to the poor and underprivileged women for creating hygienic awareness among them.

## **INDIVIDUAL MARRIAGE HELP**

We try to support the girl and her family by giving them financial help for bearing the expenses of the wedding. We believe that no girl should be treated as a burden just due to her marriage expense. We aim to provide the funds required for a wedding and help such families and brides.

## **MASS MARRIAGE HELP**

Family runs on indispensable responsibilities having Moral values and it becomes very difficult for a poor family to meet wedding expense. Finance is not a big deal but Family Peace and dignity matters which is emphasized by WMO. Whatever legitimate expenses or basic commodities required for Newly Married couples is being provided equally in Mass-Marriages.

## **MEMON HOSPITAL (PALGHAR HOSPITAL)**

"MEMON HOSPITAL" The second dream project of World Memon Organization. 117 bedded multi-specialty hospital is being built at Shirgoan Village, District-Palghar,

a village approx. 100 kms from Mumbai towards Gujarat. and 7 Km from Palghar Railway Station. World Memon Organization in collaboration with Palghar Memon Welfare Trust (PMWT) started initiative to provide Charitable and self sustaining Hospital in Palghar area. They are actively involved in Humanitarian services in different part of the world. The reason to build a hospital is that there is lack of proper medical facilities in around 100 - 150 km of Palghar. There are 500 to 600 families of our community residing in that locality surrounding 50 to 60kms. There are 100 to 120 small villages and they have to travel 150 km for the treatment and that also no such facilities are provided under one roof. This hospital is being built in 2 phases, The Phase I is having 56 Beds, which Consists of 4 beds-Emergency/ ICU, 17 beds - General Beds for male, 19 beds -General Beds for female, 5beds - AKD , 4 beds – NICU, 3 Beds Pre Post labour Room and 4 beds Single Room.

## **UMMEED SCHOOL.**

A Dream Project of WMO North India Chapter has become the perfect reflection of Humanity, the Hope for abandoned section, the care and love for Specially Abled children, a restoring hope and support to parents/guardian of these children. The name-UMMEED reflects its true Action for Humanity. Ummeed Foundation established in 2011 in densely Muslim populated Suburban Area of Mumbai. The Foundation consists of small apartments with tiny classrooms; it remains the only beacon of hope for hundreds of underprivileged Muslim families and even Non Muslims too.

## **SHEGOAN SCHOOL CONSTRUCTION HELP**

In 1905 the forefathers of Memon family in Shegaon envisioned that there must be an education institution for the community. To fulfill this pious mission Saleh Mohammad Jamal of Memon family purchased the Land in 1905. Later on they founded Anjuman School and all the expenses of the school have been paid by Alhaj Sattar Ibrahim Seth Sahab of Memon family.

At this time Anjuman education society proposed the financial and moral support to WMO for the cause of education. In view to promote the quality education among the students of the community, WMO sanctioned the construction work for the Anjuman. The newly constructed building by WMO will fulfill the need of the quality education of these students.

The advent of WMO has increased the spirit and enthusiasm of the society to work towards the goal of quality education of the needy. WMO becomes the ray of hope for the institution to flourish in the future. It is due to the encouragement given by WMO that even during the Pandemic, the school has faced challenges bravely and continued on-line education for the students as well as provided door step school to bridge the gap of education.

## MICRO FINANCE

Micro finance is defined as a provision of financial services that's available to low-income people. This type of loan helps aspiring entrepreneurs generate income, build assets, manage risks and meet their household needs. WMO provides small loans to such needy people for Education purpose, helping micro entrepreneur to boost their business, needy people for purchasing a new house, Jamats for constructing Community Halls, Medical help loans and Loan for Business Vehicle (Ola, Uber, etc).

## JASDAN HOUSING COLONY

World Memon Organization is coming up with one more legacy project in Jasdan, Gujarat. The housing colony will consist of total 40 houses which will be provided to the needy and underprivileged Memon families. Construction work of the colony has already been initiated. This project will give World Memon Organization one more feather on its Cap. Innauguration was done by the hands of Dr. Nasir Fulara and Mr. Shabbir Patca.

## GADHADA HOUSING COLONY

World Memon Organization dreamt of helping in constructing one more housing colony and made it possible at the Bank of River Ghela in Gadhada, Gujarat. A housing colony project be home of 21 marginalized families of the Memon community in the first phase of the colony.

## CYCLONE TAUKTAE

Extremely Severe Cyclone; Tauktae, with winds gusting up to 185 km per hour made its landfall on the Gujarat coast, after dumping heavy rains in Mumbai. It forced the evacuation of over 1.5 lakh people in Gujarat and left two barges with 410 people on board adrift in the Arabian Sea. Tauktae killed more than 169 people, which is more than the toll from any single cyclone from the Arabian Sea over the last one decade. WMO helped cyclone affected people. Mrs. Raziabai Chasmawala along with her Ladies wing team took rapid action and went to see the scenario after cyclone. Ladies wing helped almost 350 families by handing over relief materials to them such as Tarpaulins and other necessary items. They also took a decision of helping 10 kids who lost their parents due to Covid or Cyclone of providing them food, education and shelter.

## KONKAN FLOOD RELIEF

After Covid 19 Pandemic, Lockdown, Cyclone and Landslide, now Flood hit and affected Konkan villages in the worst way it could. Many people mostly from Mahad and Chiplun were affected due to this flood. The height of the water was approximately 20 feet and more. House and Shops were all under water. People were running for their lives. However soon after this worst case scenario, WMO and Mrs. Raziabai Chasmawala of WMO Ladies wing sent relief to Konkan villages and helped affected people by providing them basic needs like food, Medicines, clothes, sanitary pads, etc. WMO also helped 94 needy people whose business and household items were badly affected due to flood.

## JAMNAGAR FLOOD RELIEF

The northern part of the country has recently experienced a devastating flood due to the continuous and torrential rain for few days. Jamnagar, Kalavad, Aaliyabada and Rajkot are some of the districts where the losses of properties are immense. A severe spell of rainfall was experienced on 13th and 14th of September, 2021 due to which an unprecedented flood ravaged number of districts in Gujarat. Jamnagar is a city with most number of Memons in India i.e. more than 16000 approximately out of which few people faced loss in their Business and also lost their Household items. Many people lost their small scale Businesses like Vegetable and Fruit Carts, Small General item shops, Mobile Accessories shops, etc. There were many individuals who still complained about not having rations in their homes. School books of children washed away in flood perhaps leaving them without any source of studying. All their house items were thrown away as they were of no more use. World Memon Organization in this worst case scenario helped people setting up their business and also for providing them ration. A total number of more than 200 people were benefitted.

## JOB FAIR

World Memon Organization (WMO) and Andheri Suburban Halai Memon Jamat (ASHMJ) in association with Association of Muslim Professionals (AMP) organized a Mega Job Fair in Jogeshwari, Mumbai on Sat, 4th Dec, 2021, which was a huge success. The Job Fair was attended by jobless youths across caste and communities affected by the Pandemic and the Lockdown and also by those seeking change.

The Job Fair was conducted at The Grand Chunawala Lawn, off S. V. Road, Jogeshwari, Mumbai to help unemployed youths to get placed in reputed Corporates and to provide opportunities to the needy without any discrimination of caste and creed. Through this exceptional event, the organizers endeavoured to give back to the Nation and the Community, by helping the youth gets Jobs.

65 Corporates with number of vacancies from across various industries participated in this Job Fair with a massive turnout of around candidates. At the end of the day around 400 candidates were given on-the-spot offers by the recruiters while more than 900 were shortlisted for the next round of selection.

## MEDICAL EQUIPMENTS DISTRIBUTION

Mrs. Raziabai Chashmawala provided Home Health Care Oxygen Machines to the needy people who were fighting with Covid 19 but wasn't able to get bed in hospitals and so was kept home isolated. This Oxygen machine helped many needy people during the time of pandemic. Mrs. Raziabai also distributed Thermal checkers, Oxymeters and other essential items during the Covid -19 2nd Wave to the doctors and health workers of the low line area.

## PROJECT LANGHAR

Keeping in line with the WMO Food Bank, several cities organized Langar in different locations of India. (Mumbai, Ahmedabad, Dewas, Porbander, & Jalgoan) under this project meals were served to the needy gatherings. Despite significant economic progress in the past decade, India is home to about 25% of the world's hungry poor. But it's not just the developing world that is afflicted by hunger. Many Indians are forced to skip meals in day to day life. Seeing the scenario of these hungry people, World Memon Organization started Project Langar where they are currently feeding approximately more than 1000 people in different cities of India without any caste and creed. WMO is currently providing cooked food packets to the needy people and running this project from more than past 6 months. Mrs. Raziabai Chasmawala distributes Food Packets on daily basis to the poor ladies and starving children.

On 3rd January, 2021, Ms. Naziya Pakizawala organized soap making webinar for the women of our community where Ms. Ghazia Sorathia taught to make Soap without using any machinery.

## **VACCINATION CAMP – LADIES WING, SURAT**

Vaccination camp was arranged for females from all communities. As health is more important of Females, measurements of the population's general knowledge of the corona virus vaccine are very important to improve public acceptance and decrease vaccine hesitancy to confront the disease.

Around 96 doses were given both combined 1st dose and 2nd dose.

Camp was arranged by Ms.Rehnuma Rafik Dadani (Youth Vice Chairperson, Surat) with the support of Ms.Yasmin.A.Choksi (Surat City Chairperson ladies wing) and few other helping hands of Ladies Wing, Surat.

## YOUTH MEET- SURAT

The two-day conference garnered thunderous applause with more than 500 delegates and 20 speakers. The debates and discussions were held on burning Memon issues like girl education, the status of women, social work with minimum investment, Entrepreneurship, future of girls, and Covid relief.

While the regular meetings with the Youth Working Committee under the visionary leader Mr. Vasim have further niched to committees as follows.

1. Mufti Gufran Gazi- Islamic initiatives and development.
2. Mr. Asif Memon- Talent reachout.
3. Hadee Bhavnagarwala- Traditional Business
4. CA Firdosh- Ladies youth development.
5. Ms. Shana Memon- Ladies Reachout.
6. Ms. Rehnuma Dadani- Children Initiative and Development.
7. Ms. Seema Virani Kholiya- Communications Department.

15. Mr. Riyaz Virani- Planning committee.

## YOUTH CONNECT-NAVSARI

An event was organized for the youths of Navsari, Bilimora, Chikhli, Amalsad, and nearby areas. More than 250 delegates participated in social causes under the leadership of youth wing president Mr. Vasim Kapadiya. They were encouraged to join the wing.

New youth wings are formulated in Surat, Navsari, Bilimora more engrossed societal good than ever. Even a new lady's youth wing was formed in Surat under Ms. Rehnuma Dadani.

Besides physically meeting the youth of the country, there was a virtual Youth Connect- Chattisgarh led by Mr. Rizwan Surya with 12 vice presidents from respective cities spread across the state. The meet was an excellent example of teamwork and dedication. The response was overwhelming, and various subjects resonating with community upliftment were discussed and later executed.

## **REPORT OF GIFT OF SIGHT (A JOINT PROJECT OF WMO FAR EAST CHAPTER AND WMO PAKISTAN CHAPTER)**

This project is a joint venture between WMO Far East Chapter and WMO Pakistan Chapter.

Currently, we are working with AL Ibrahim Eye Hospital, a state-of-the-art hospital having all facilities for eye care.

Funding for this project is sufficient and there is no immediate need for funds. We are pleased to announce that the Gift of Sight Project is one of the most self-sufficient projects of WMOPC.

260 cases have been treated as of 31st December 2021. We have tried our best to give preference to patients belonging to the Memon Community but cornea transplant cases are not so common in the Memon Community, which is a good sign.

However, we have observed many cases of Retinal Detachment and Retina related surgeries in the community. The major cases are related to Cataracts, Alhamdulillah, we have now started cataract surgery and till the end of 2021 we handled 50 cases.

## **REPORT OF EDUCATION FOR ALL COMMITTEE**

WMOPC has started a Jamat partnership scheme. Alhamdulillah almost all Jamaats willingly became partners of WMO PC and now we are jointly struggling for the benefit of the students. For further improvement of this relationship, WMO PC formed a Jamaat Coordination Committee which is doing a commendable job.

After taking all Jamaats on board, the Number of Students has been almost doubled. The Number of students has increased from 3500 to 6175. With this increase we have also started working on our budget and we plan to increase the amount from 24,000 to 30,000 per Annum for Every School Going Child and for Every College Student we plan to increase the amount from 48,000 to 60,000 Per Annum. To maintain Transparency between the Donors and the Committee, we have started working on developing a software to make it a Paperless Procedure. The Pilot Testing is in the pipeline and we hope to launch the Software within a few months this will help us to compile and maintain the data of the students, donations, schools on one Platform and the parents work will also become hassle free since they won't have to fill forms every now and then.

We have also taken measures to decrease the number of schools on board and provide quality Education. To fulfil the purpose, we are working on Cambridge System Education to be provided to the children.

Educated Community is a golden dream of WMO and we undertake all measures necessary to make our community an aspiring one.

## **REPORT OF HIGHER EDUCATION COMMITTEE**

Since 2004, the Higher Education program is running smoothly, and till the end of 2021, WMO helped more than 1700 students to get higher and professional education. The students who have passed out are now well-placed in their careers. The quality of life and financial status of the students has improved drastically with the positive impact being felt by the whole family.

133 students have been provided financial assistance from WMOPC for Higher Education to various universities and for different courses such as CA, ACCA, ICMA, MBA, BBA, B.com, BSC, B-Pharm, M.Com, MBBS etc.

Due to currency influence in Pakistan and COVID 19, it is very difficult to bear the education expenses by white-collar families. It's necessary to adopt an EDUCATION LOAN SCHEME for those students whose families do not want to zakat. This loan will be given till the end of education and pay off will begin in installments after 6 months of graduation or getting a job.

On the other side, the cost of education is very high and increasing day by day. It is necessary to increase the fund, at present, WMOPC is contributing Rs.100,000 per student per annum. On request of the community, office bearers increased the fund from 100,000 to 150,000 but it's still not enough as the average monthly fee is Rs.25,000 per month which is equaling Rs.300,000 per annum. We recommend increasing this fund up to Rs. 300,000. The other costs like conveyance, books, etc. are not included in this amount.

## **REPORT OF REHABILITATION SCHEME**

Estimated population of memons living in Karachi is 1.5 million, whereas 150,000 memons are living in Sukkur, Hyderabad and other cities.

Social norms have completely and whereas parents like to live with large families but the new generation prefers to live as a separate family. Due to this reason the demand of individual small flats are increasing. But the cost of small flat is much higher because the cost of plot and construction have increased 6 to 10 times.

Since 2004, after long deliberation and discussion with the Ulmas, WMO started providing flats on ownership basis to the needy families after scrutinizing the applications.

## **WMO REHABILITATION COMMITTEE HAS PROCESSED FOLLOWING APPLICATIONS SINCE 2004:**

### **Application Received In 2004**

Total applications received in 2004	7225
Unprocessed applications	3947
Applications scrutinized till 2020	3278

### **Approved Application For Rehabilitation**

Applications Scrutinized	3278
--------------------------	------

Applications rejected after scrutiny	1924
Total applications approved for accommodations	1354
<b>Fund Required For Approved Application</b>	
Total applications approved for accommodation	1354
Flats provided on Ownership	910
Flats provided Rent	43
Flats Converted from Goodwill (Pugri) to Ownership	300
Waiting for Funding	101

## HANDING OVER OF PROPERTY FILES TO THE APPLICANTS:

WMO Rehabilitation Committee has been handing over the original property documents since 2018 to the applicants as per “the original file returning policy”. Till the end of the year 2021, we had returned 451 files to applicants, who meet the criteria.

Total Flats provided on ownership	910
Files returned till the year 2021	451
Files remaining as on 31.12.2020	459

Due to huge increase in the cost of Flats, we recommend to adopt “Repair a Flat Policy”. Through this activity the flat owner can continue to live in his old flat.

## SUPPORT FOR PURCHASE OF FLAT

We must work for those who are living on rent. The rental cost is equivalent to one month salary of an unskilled person. If we provide them a small flat they may be removed from Zakat distribution List.

In this year, we had a target to return maximum ownership files, but due to COVID-19, we could not achieve the target. We hope this target will be achieve in 2022 Insha’Allah.

Respected donors, philanthropists, and well-wishers are requested to come forward to assist WMOPC to provide shelters to deserving families, especially for those to which WMO has committed.

## REPORT OF LADIES WING- PAKISTAN CHAPTER

The Ladies wing of WMO Pakistan Chapter is the first Ladies Wing of WMO. The objective of ladies wing is social work and empower female in socio-economic activities.

WMOPC has a large membership with active and devoted females at the community.

During the year, Ladies Wing had database undertaken the following welfare projects and events:-

- Visited Sultan Goth Bin Qasim Town and distributed 250 Blankets and slippers in the winter season to the poor and needy people of the area and Slippers beside Biscuits/ Chocolates, Toffees etc to the kids all the area.
- Distributed Blankets and Shawls to the poor and needy ladies of Memon Community at WMO House.

- Organized free Medical and Surgical Camp in Thatta to the benefit the poor and needy residents of the area.
- Distributed Ration, for poor and needy families of Memon Community during the holy month of Ramzan.
- Besides the above social activities, Ladies Wing also donated funds for distribution of Qurbani Meat for poor and needy families of the Memon Community on the occasion of Eid ul Asha.

## REPORT OF FOOD BANK

The World Memon Organization, Pakistan Chapter, which is already engaged in the welfare activities of Lower and Higher Education, Gift of Sight and Special Children Projects, Rehabilitation, Rozgar Scheme, Ramzan Ration and Vocational Training, launched its Food Bank project at Fatima Bai Hall, Karachi on 19th November 2021.

Mr. Salman Iqbal, President, WMO, Mr. Mahmood Shaikhani, Deputy President, WMO, Mr. Jan Mohammad Gandhi, Trustee, Mr. Shoaib Ismail Mangroria, Trustee and the Office Bearers of WMOPC, were present at the Inauguration Ceremony, other honorable guests blessed the project on this occasion.

The objective of Food Bank project is to provide meals to the poor and needy people on daily basis. Three vans have been purchased for this purpose to provide daily meals to 1000 persons.

It's a continuous program and distribution is being done on daily basis.

## REPORT OF DISTRIBUTION OF QURBANI MEAT

### During 3 days of Eid ul Azha 1442 (2021)

Alhamdulillah,

Since last three years, WMO Pakistan and North America Chapters are working jointly to arrange fee Sabeelillah ۛ ۛ ۛ Collective Qurbani in different cities of Sindh and Baluchistan including Karachi, Hyderabad, Tando Allah Yar, Nawabshah , Sukrand, Sukkur, Thatta, and Hub Chowki.

We received fund through cash and online for Qurbani of cows on behalf of the donors from Pakistan and North America.

89 cows were sacrificed for the Eid this year.

In the year 2021, we offered to all Jamaats to collect fund and purchase the cow at their discretion and sacrifice at their place, but due to COVID, Jamaats could not work on this ground in Karachi but many Jamaats collected meat packets from WMO office on second day.

In Karachi, the hygienically packed bags of sacrificial meat were distributed in Gadap Town, Baldia Town, Orangi Town, Gulshan Town and Saddar Town.

We are incredibly grateful to all the donors, well-wishers, and volunteers for their support.

Special thanks to respected Bashir Akuli RP of WMONA and Respected H.M. Shahzad RP-WMOPC, Mr. Altaf Habib Jangda RSG- WMOPC, Mr. Arsalan Nara RT-WMOPC for their tremendous support. We are grateful to the entire team of WMOPC for their dedicated work during two Eid days of Eid.

The success was not possible without the support of our team leaders Mr. Qasim Lawai (representing WMO NA), Mr. Taufiq Ahmed Ghaziani and Asif Qureshi and all other Volunteers.

## REPORT OF EMPOWERING THROUGH INCLUSION PROJECT

WMO strongly believes that if enough love, care, therapy, training, and tenderness are extended to children with special needs, it will enable them to grow up as normal adults with the dignity and respect they deserve in a World that once thought they were different.

The Empowering Through Inclusion Project is running since 2019 with the collaboration between WMO Pakistan Chapter and WMO North America Chapter. It supports more than 200 special need children of different age levels. No doubt, we may change the socio-economic condition of many children suffering from their disabilities.

Since day one, we are providing the following services:

1. Consultancies, Audiology, Cardiology, Neurology, etc.
2. Lab Tests included MRI, CT, BERA, etc
3. Medication
4. Tools and devices, including wheelchairs, hearing aids, knee mobilizers, etc.
5. Occupational and Physiotherapy at home.
6. Speech, behavior, and other therapies from the various center.
7. Caretakers (Parents) Rehabilitation program
8. Ramadan Ration and Qurbani Meat
9. Eid Gifts, comforts, Blankets, ladies' suits, etc.

Our observations in the light of experiences are as under:

1. How to identify:
  - a. Awareness is the basic key. If parents are aware of the problem, the matter is controllable.
  - b. Schools are very important to identify the special needs. If schools identify at an early stage, the lives of children may be converted from special to normal in many cases.
  - c. Newborn baby screening is necessary, it results in the betterment and reduces the burden of special need children and parents by up to 40%.
  - d. It's clear that we can improve the lives of special need children if parents are aware and bring the child to a specialist at an early stage.

- e. It also needed to be aware the doctors to refer any abnormal cases to the specialists.

### 2. How to improve:

- a. The special children under 8 years are more controllable than the elders. If age is less, the result may be better.
  - b. Some need tools and devices to better their lives, like wheelchairs, hearing aids, and other required tools. If we provide the required equipment, they can move from special to the mainstream.
  - c. Some declared special children are not special needs, they have some muscles problem that can be solved by medication and physiotherapy.
3. Our target should be to improve their life skills or at least stay at the current level.
  4. Government should implement the rules passed by Cabinet.

## MITI PERFORMANCE REPORT 2021

### Year 2021 – The Fight Back – Restructuring & Renewal

It is my privilege to present here the various aspects of the performance of the Memon Industrial and Technical Institute in the year 2021.

I will be failing in my duty if I proceed further without remembering at the outset, the one person without whose vision Memon Industrial and Technical Institute (MITI) wouldn't have come into being. That person was none other than, Haji Abdul Razzak Yaqoob Gandhi (ARY) whose vision has benefitted more than 100,000 students to date. We must also remember the support of the then City Nazim, Mr. Mustafa Kamal And all my colleagues in WMO-PC, past and present who have always been supportive of my efforts in making MITI a model vocational training center. But mainly I have been ably supported in my work by the MITI team led by Mr. Shahab Hasan, C.O.O.

Whereas the year 2020 was one of challenges and survival, the year 2021 was one of rehabilitation and fight back. We started this fight back with resolve and determination to get back our lost ground. Our funding partners had also shut down their activities. So we lost two complete batches of our vocational calendar. It was in October 2020 that we finally limped back to normalcy. Needless to say we suffered badly financially also having lost the enrollment of almost 8000 students. However, by the Grace of Allah we were able to enroll almost 8700 students in 2021. The funding partners have restarted their activities and the year 2021 was one of restructuring and renewal for the management as well as for the whole staff. The outlook for the future is good.

These challenges notwithstanding, there has been strict compliance of the WMO principles of charity, welfare and service to humanity. MITI fees are still highly subsidized for all and free for those who cannot afford even that. MITI surpassed the figure of 100,000 skilled graduates since its inception in 2021 and with your help is destined to achieve bigger goals in the future for uplifting of the lives of the less fortunate youth of society. Alhamdulillah, we have been well received by the various funding agencies and once again we started work as training partners with almost all national and international agencies such as NAVTTC, GIZ, BAT, UNDP, and others. Some contracts were signed in 2021 while others are under finalization. Details are in the following pages.

I must bring to your kind knowledge that although MITI is equipped with the latest technology equipment and highly qualified teachers, but is charging very nominal fees from students including many full scholarships in line with our charter of welfare and charity. This does not even cover our expenses. I therefore appeal to you all to give your generous donations or zakat to MITI especially for its students and for its development plans.

May Allah guide us and help us in achieving the high targets which we have set for ourselves.

## MITI MANAGEMENT TEAM

MITI is being run by a core management team who are all working for the upliftment of the Institute and the beneficiaries.

**H. M. Shahzad, Chairman**

**Shahab Hasan, Chief Operating Officer**

**Majida Khursheed, Principal - Female Section**

**Anis Khan, Principal - Male Section**

**Monis Ali, Project Manager - Polytechnic**

**Furqan Aziz, Manager - Administration**

**Qazi Arshad Siddiqui, Chief Financial Officer**

## REPORT ABOUT VOCATIONAL TRAINING (MALE SECTION)

## RELATIONSHIPS WITH PARTNERS

MITI works in close collaboration with our industrial partners who provide jobs and trainings to our students.

Some of the major partners are listed below who have assisted us in the initial setting up of our facilities and helped us technically and financially.

### KHAWAJA GHARIB NAWAZ TRUST:

The construction of the ladies section was made possible by the financial assistance of Khawaja Gharib Nawaz Trust and ARY.

### PAK SUZUKI MOTOR CO.

The new Motor Bike workshop was completely developed with all tools, equipment and machines by Pak Suzuki. In addition, trainings were arranged by them for the students of CNG, Auto Mechanic and Motor Bike at their plant.

### UNITED MOBILE

Relations with United Mobile flourished and they have developed the new bigger workshop for larger number of students.

### ARDENT ELEVATORS

They are active nowadays in the installation of an elevator in the Institute as part of the studies.

### CHRISTINE COSMETICS

They have provided facilities for a new Beautician Clinic which will be used for conducting short courses in beauty and Cosmetology. They also provide their cosmetics for class room practice also.

### MILLAT FANS.

They have most generously provided their most popular Millat Fans for installation in MITI whenever requested.

### GLAMOROUS FACE U.S.A

They have provided provide their cosmetics for class room practice Workshops and short courses in beauty and Cosmetology are conducted.

### CENTRAL DEPOSITORY COMPANY (CDC)

As a part of their CSR activities, CDC has placed MITI as a beneficiary to receive donation for its programs.

### PAKISTAN ASSOCIATION OF PRINTING AND GRAPHIC ARTS INDUSTRY (PAPGAI)

is our partner association for implementing printing and packaging courses and they provide on the job training and employment facilities to our students. MITI and PAPGAI also established a state-of-the-art printing and packaging institute.

### THE FUTURE

MITI prides itself in becoming a premier institution for vocational training in the country and the management and staff of MITI are committed in its continued growth to help the destitute people of society for upward mobility.

We are humbled by the achievements and are grateful to Allah SWT for guiding us in the right direction and giving success in our ventures.

## EXPANSION AND RENOVATION OF FACILITIES

By the grace of Allah, MITI has completed 9 years of operation. In these 9 years, we have served more than 96250 students. The graduating students have been well received by the industry locally as well as internationally which is due to hard work and commitment of the management and our faculty team. To achieve these objectives, our workshops and other facilities were purpose built to satisfy the training needs of the time. To keep up with the time and

The time has now come when we are faced with the reality of the following:

1. **Addition of new equipment:** Many of the equipment and facilities have become old while new ones have not been added. The present facilities are falling behind the requirements and advancements in industry.

Computer hardware is another big area which requires up gradation. Our computers are no longer compatible with the software that are now available and have become standards of the industry and which we are teaching. So far, we have been coping with these requirements by local up gradations but this has a limit. This includes all the computers in our classes as well as the servers in the I.T. room.

2. **New Courses:** To remain competitive, it is necessary to keep pace with the needs of the students and employers and introduce new courses from time to time. We have not introduced any new course in the last 2 years. We badly need to begin the following courses which are demands of the industry:

- Industrial Electronics
- Instrumentation
- Fashion Marketing & Merchandizing
- Auto body Refinishing
- Alternate Energy

3. **Expansion of Facilities:** Besides the academic needs, there are needs of building and facilities.

Our power bill is very high. The only solution is to go solar. This solution is most economical in the long run but initial investment is high. We require USD 100,000 for this project.

The fiber glass roof is leaking badly and needs to be replaced. We also need a fully functional and well equipped Auditorium.

Your valuable contribution in this cause is the dire need of MITI which can rightly be called the flagship project of the World Memon Organization.

## WMO PAKISTAN CHAPTER-THE FUTURE

The Office Bearers and Chairpersons of various Committees at WMO Pakistan Chapter are constantly striving to serve humanity in the most befitting manner. Every now and then, a performance review is made to

ensure that regular improvements are made to keep up with the changing times.

The Chapter also strives to join hands with other like-minded organizations so that time, resources and manpower can be pooled to reach out to a greater number of people and to achieve much bigger targets. For this, the WMO Pakistan Chapter is encouraged and supported by other Chapters of WMO as well as numerous other like-minded organizations, such as Educational Institutions, Special Children Institutes, Healthcare Institutions, Jamats, Associations and the Corporate Sector.

Future plans include Distribution of Motorcycles to deserving Applicants who wish to earn a decent living by working as Riders in On Demand Ride Hailing and Home Delivery Companies. Many Companies are working to provide services by motorcycle.

Youth are our main focus. We desire to provide them Motorcycles on Markup free installment basis, and this action will change their lives. They can move easily which can facilitate them for Job seeking as well for family.

The WMO Pakistan Chapter has partnered with WMO North America Chapter for the special children and Bridal Dress Distribution Scheme.

We plan to provide 200 wheel chairs and 50 hearing Aids to deserving Memon and Non Memons.

The Education for All Scheme has been reviewed and need some important changes. As our slogan is Education for All so we have target to enroll all Memons in schools in Year 2022.

Regarding the Empowering through Inclusion (Special Children) Project, it is planned to detect more special children and consequently increase the number of children for treatment and therapies. This project is changing the lives of many children us.

May Almighty Allah guide us all to serve humanity in the best possible manner. Ameen.

## ANNUAL GENERAL MEETING – 18TH AGM 2021

On the 21st September 2021, The WMO Africa Chapter hosted their Annual General Meeting via ZOOM. The programme included matters arising from previous AGM, presentations by Dr Haroon Gutta [ASG] elaborating on the activities and projects coordinated by the Africa Chapter in 2020, Mrs Fazila AK Ismail showcased the hard and dedicated work by the WMO Ladies Wing and ladies of Jama'Atun Nisaa and the Financials presented by Mr Naeem Hassim [Treasurer]. The highlight of the evening was the addresses by our President; Mr Salman Iqbal and the Chairman of the Board of Trustees; Mr Ashraf Sattar. Their inspiring words were endearing and the audience was left feeling encouraged by their promise of support. It was wonderful to see members from all over the world joining the meeting and the well wishes offered to the Africa Chapter was truly appreciated. We would like to thank Albaraka Bank and the Working Committee for hosting the event and ensuring that the programme was well coordinated with minimal technical issues.

## RAMADAN, EIDUL FITR & EIDUL ADHA 2021

The Prophet Muhammad SAW said: "Whoever feeds the person who is breaking his fast, he will have his reward [for his fasting] without decreasing anything from the reward of the fasting person."

## WMO IN COLLABORATION WITH JAMA'ATUN NISAA

- WMO Trustee, Fazila AK Ismail assisted by fellow Jama'atun Nisaa ladies, Shireen Arbee, Halima Abdool, Feroza Mohammed and Shireen Abdool coordinated a massive Ramadan 2021 distribution in the KZN region. This mammoth task was fully supported by Mr AK Ismail and Trustee, Mr Yusuf Kamdar. This task entailed receiving of sponsored

goods, storage, personally supervising every distribution and overseeing all the logistics involved.

- WMO Trustee Fazila AK Ismail assisted by Halima Abdool and Shireen Arbee personally arranged the despatch of food items so urgently needed by the most vulnerable. Shireen Abdool and Feroza Mohammed were actively involved in ensuring that everything was arranged in advance to avoid the elders from sitting in the scorching heat and it being during the month of Ramadan we were much more sensitive to the pangs of hunger that these elders were experiencing which made us much more eager to not delay from despatch to distribution time. Chairs were arranged in advance by Aneesa Vawda who was responsible for the protocols of social distancing and wearing of masks to be strictly adhered to. On the 05 May 2021 they provided grocery hampers, bags of mealie meal and packs of sugar beans to the elders of Chesterville Ext 3. Many of these elders have to care for orphaned children with just a minimum grant, so very often they go hungry. The generous hampers sponsored to them ensured that they had food for the next few weeks.
- In addition to this, bags of mealie meal was sponsored to the soup kitchen and ECD Center that runs in Chesterville. The soup kitchen feeds 300 children daily and 30 ECD learners twice a day.
- Austerville Masjid Iftaar hosted by Jama'Atun Nisaa & WMO Ladies Wing.
- Provided Iftaar for 30 consecutive days to all the Musallees at the Commercial Rd Masjid in Durban.
- Food parcel distributions and Eid meals prepared and personally delivered to the elderly who live alone.
- Eid lunch at Umlazi Masjid.
- Eid hampers distributed to the students at Addington School.
- Eid hampers donated to the grave diggers & Muazzins

in KZN.

- In collaboration with WAMY - hosted Eid celebration with the people from the community.
- Provided an Eid meals to the residents at a centre for abused women in Durban.
- 240 Eid Goodie Bags delivered to 3 orphanages.
- 68 kurtahs sponsored to the boys of Imaani Village.
- 10 Tons of Kajoor donated.

## DONATIONS:

- WMO Africa Chapter raised R345 000 Lillah in aid of the Booyens Disaster Relief in collaboration with Islamic Relief SA.
- Many Muslim families in the Mayfair area were afflicted with damages and losses caused by fires. Mr Moosa Carrim immediately responded under the banner of WMO by donating linen, clothing, blankets and alternate accommodation to the residents who were left devastated by these tragic events.
- Overseen by Dr Taheera Hassim and Sayed Mia, WMO Africa Chapter purchased 150 blankets manufactured by the residents of Al-Hudaar, an institute funded by WMO in the 2020 as one of our Empowerment projects. These blankets and a few wheelchairs were donated to the residents of the Avril Elizabeth Home.
- When the United Ulama Council of South Africa (UUCSA) made a clarion call to preserve and safeguard Masjid Ul Aqsa, the World Memon Organization Africa Chapter & the ladies of Jama'Atun Nisaa were the first to respond. The two organizations collected R300k in total towards this cause. The donations went towards a Waqf that will sustain the project over the coming years. The contributions will restore the archaic mosque to its former glory and will help preserve it for several decades. On the 8th of May 2021, Mr. Feizul Ayob [VP] joined several dignitaries from across the globe on a live joint radio broadcast to express solidarity for Al Aqsa.
- An additional R50 000 Zakaat was donated to Africa Muslims Agency in aid of their Emergency Response appeal made via the Pledgeline on ITV Networks.
- R50 000 was donated to Wings of Mercy supporting general projects such as welfare cases and aiding the orphans who are Palestinian refugees.

WMO and the Africa Chapter Ladies Wing donated uniforms to all the students of Hammanskraal Madressah. We would like to thank Khudaija Suliman for overseeing the project and to all our donors who consistently supports all our endeavors.
- WMO Africa Chapter donated braille typewriters to BLIND SA to help the visually impaired enabling a blind person to take notes in braille and link the device to their smartphone. R45 000 was donated to purchase these devices. This device will assist them to perform their daily duties better, be it in a work environment or at an educational institute etc. Our ASG; Dr Haroon Gutta has personally met with the committee of BLIND SA to discuss the donation made by WMO and how this will benefit the recipients. As part of the commemoration of the 75th Anniversary of Blind SA, WMO Africa Chapter was awarded in recognition of their meritorious and distinguished services to recipients who are blind.
- Alhumdulillah in the blessed month of Muharram 1443, Mr Mohseen Moosa - Momars Capital; a Life Member of the organization had generously donated much needed furniture under the banner of WMO Africa Chapter. His heartfelt gesture was welcomed by the recipients from the Malaika Home for needy children in Hillbrow, Johannesburg. Items donated included: Kitchen tables, chairs, foot stools, kitchen cupboards, office cupboards and television stands. May Allah SWT reward our donor in abundance and the recipients AAMEEN.
- WMO Africa Chapter responded almost immediately when an appeal was made for Moulana Yacoob Abdullah whose home was destroyed. Immediate funds were raised and directed to the Moulana and his family.
- WMO Africa Chapter was blessed to be of service to 26 reverts in the Orange Farm Community all of whom are children, gifting them with brand new kurtahs etc for their end of year jalsah. These little ones celebrated their achievements over the past year. The desire and appreciation for Islam burns passionately in these children and we are pleased to be able to honour them. We would like to thank Dr Taheera Hassim and Abdul Kader Baba who coordinated the handover and a special thank you to Yasmin Gani from the WMO Youth Wing who also attended despite her recent loss of her beloved father and family members. May Allah SWT reward her abundantly AAMEEN.

- South Africa, gripped by the violent crimes of fellow South African citizens, looting and destroying businesses around the country. A few of our members also affected by this heinous crime and many left in despair during these difficult times. The worst affected were our brothers and sisters in KZN who endured the horror for many days, fearing their lives and their livelihood. Conditions reached a point of lack of basic essentials and once again the Muslim community stood united to bring relief. WMO Africa Chapter raised and donated funds to help support the NMJ Relief Project. TOTAL: R30 000 Lillah

## MYCUP PROJECT

1. On the 16 April and 28 May 2021, Dr Taheera Hassim visited Diepsloot Secondary School and Kgoro Ya Thuto High School in Ratanda with the Mycup team and reached out to +-300 girls. They facilitated an educational session with these young ladies enlightening them about the streamlined menstrual cups made of silicone which could possibly be a life changer in the long run. She kept the students interested and inspired throughout the programme and left them with some hope for better days to come. The menstrual health management being one of South Africa's biggest issues, not to mention that many of these children come from poverty-stricken homes. We at WMO will continue to strive towards fulfilling the basic human rights of our females and allowing them to seek another fundamental right to education without any hindrance. This project is solely maintained by the generous LILLAH donations of our supporters and we would like to thank you for helping us make the difference.
2. Our last campaign for the year took place on Friday, 13 August 2021. Our first stop was at Potchefstroom Secondary School where 120 female students attended the workshop by Dr Taheera Hassim and Mycup Coordinator, Cara discussing Menstruation & Female Reproductive topics. A complete 3-hour session with the assistance of educator, Mrs Hoorne went off smoothly and was a huge success.
3. Thereafter, we visited a home 45 minutes away from Potchefstroom in Welverdiend, housing 60 young ladies. This home is managed by our partner; the Potch

Muslim Women's Forum - Hajera Sooliman and team who donated hygiene packs, whilst WMO donated the silicone menstrual cups. Taheera addressed the older girls in a session, where she taught them how to use the cup during their menses. The residents were very appreciative of the kind gesture and time spent with them. This project continues to grow in leaps and bounds and we hope that in the near future, the youth of WMO will become actively involved in this project and help us to expand and reach more potential institutions in South Africa.

## WMO AFRICA LADIES WING

WMO Trustee, Fazila AK Ismail assisted by fellow Jama'atun Nisaa ladies, Shireen Arbee, Jameela Joosab, Halima Abdoola, Feroza Mohammed, Shireen Abdoola and Fathima Essa Hasshim coordinated a massive Ramadan 2021 distribution in the KZN region.

This mammoth task was fully supported by Mr AK Ismail and Trustee, Mr Yusuf Kamdar.

This task entailed receiving of sponsored goods, storage personally supervising every distribution and overseeing all the logistics involved. The hot summer days in South Africa together with the ongoing pandemic and challenges arising from the Covid19, did not deter the team from fulfilling the rights of the destitute and needy.

The hands-on approach from volunteers and the generosity of our donors was spiritually uplifting during this blessed month and appreciated by all our recipients.

WMO Trustee; Yusuf Kamdar, motivated a campaign and donated a very generous contribution to work with committee members of NMJ and the ladies of Jama' Atun Nisaa, feeding the absolute needy in their hometown of Durban KZN. Jama'Atun Nisaa contributed towards the hampers, blankets and mattress during this campaign.

NMJ completed the challenging task of distributing in the most poverty-stricken areas of KZN and sponsored the hampers in addition to the WMO Maize Meal Campaign.

Those afflicted with poverty in South Africa are devastated and the challenges of the new Covid era we are currently living in makes the needy much more vulnerable with loss of income and bread winners being affected with the sickness, leaving their families more destitute than before this pandemic. WMO, Jama'Atun Nisaa and NMJ are most grateful to be given this opportunity of being of services to Mankind. When so many unite, only then can one achieve the results that one dreams of.

A very special thank you to NMJ President Mohammed Gany, Vice President Kim Jooma, AC Cassim and the NMJ committee members for their untiring efforts in coordinating this relief aid to ensure that it reaches the neediest under the personal supervision of our most valued humanitarian activist; Mr Cassim Malani who is well known for his dedication to the plight of the needy working endless hours till late at night feeding the homeless.

A special note of thanks to Mr AK Ismail for securing a huge sponsorship of rice, sugar and beans from our generous sponsors; Gold Keys and to the AKI Group who facilitated the transport for this massive distribution. The coordination of logistics of this aid was assisted by; Fazila AK Ismail, Shireen Arbee, Halima Abdoola and Fazila Kamdar. WMO KZN is always grateful for the never-ending support of WMO AFRICA chapter; VP Mr Feizul Ayob. Note of appreciation to Trustee; Mr Yusuf Kamdar for initiating this campaign and Trustee; Fazila AK Ismail for coordinating these humanitarian efforts in KZN partnered with NMJ & Jama'Atun Nisaa teams.

When you hear the heart-breaking words that what you will provide will be the only meal for the day, there is nothing that can describe the emotions that you experience on hearing this so very often in the rural areas of KZN. WMO Trustee Fazila AK Ismail assisted by Halima Abdoola and Shireen Arbee personally arranged the despatch of food items so urgently needed by the most vulnerable of any community and that is our elders and children.

Shireen Abdolla and Feroza Mohammed were actively involved in ensuring that everything was arranged in advance to avoid the elders from sitting in the scorching heat and it being during the month of Ramadan we were much more sensitive to the pangs of hunger that these elders were experiencing which made us much more eager to not delay from despatch to distribution time. Chairs were arranged in advance by Aneesa Vawda who was responsible for the protocols of social distancing and wearing of masks to be strictly adhered to. Caring for the elders and children has always been a cause close to the hearts of WMO and Jama'Atun Nisaa and we continue to do our best to provide much needed food for the vulnerable in informal settlements and areas of extreme poverty.

On the 05 May 2021 we provided grocery hampers, bags of mealie meal and packs of sugar beans to the elders of Chesterville Ext 3. Many of these elders have to care for orphaned children with just a minimum grant, so very often they go hungry. The generous hampers sponsored to them will ensure that they had food for the weeks to follow.

*We also sponsored bags of mealie meal to the soup kitchen and ECD Center that runs in Chesterville. The soup kitchen feeds 300 children daily and 30 ECD learners twice a day. The bags of mealie meal will assist greatly towards feeding the children for whom this is the only meal they get for the day. Project coordinated by Aneesa Vawda.*

*Project jointly coordinated by Fazila AK Ismail & Fazila Kamdar – Chicken and a bulk maize meals, beans, and sugar and monthly hampers distributed to Muslim females in the community.*

- *Austerville Masjid Iftaar hosted by Jama'Atun Nisaa & WMO Ladies Wing.*
- *Provided Iftaar for 30 consecutive days to all the Musallees at the Commercial Rd Masjid in Durban.*
- *Biryani ingredients for Eid meals donated to needy*

families and meals personally delivered to the elderly who live alone.

- Eid lunch at Umlazi Masjid.

Educators at Addington School in Durban have taken a very keen interest in the plight of alleviating hunger and enhancing children's active learning capacity by identifying those children who come from needy families to take home a special hamper filled with contents making the day of Eid special. Besides the normal daily school feeding project, a hamper drive is undertaken so that kids can take home the basic food necessities for parents can prepare nutritious meals. Educators; Ayesha Essack and Saajida Mohammed work closely with Shireen Arbee and Fazila AK Ismail, discussing the needs of these children on a regular basis.

Shireen has raised funds on an ongoing basis as she is extremely passionate about the School Feeding Project and is involved in projects with various schools. Ayesha Essack wanted this year's Eid to be different for these children and went the extra mile to personalize each child's gift bag with their names and special artwork.

Halima Abdoola personally selected the items and was responsible for ordering of all the special items, while Fazila AK Ismail managed the delivery.

Lots of behind the scenes goes into these projects and we are ever thankful for all those who contribute which enables us to help those most deserving.

- Eid hampers donated to the grave diggers & Muazzins in KZN.
- 240 Eid Goodie Bags delivered to 3 orphanages. Coordinated by Halima Abdoola
- 68 kurtahs sponsored to the boys of Imaani Village.
- Funds raised for 10 Tons of Kajoor donated in rural areas by Darul Ihsan – coordinated by AK Ismail
- 100 individually wrapped cupcakes sponsored to Albert Luthuli Oncology Children's Ward.
- Checkmart vouchers sponsored to a single mother who was evicted from her home a night before Eid. In addition to this, a monetary donation was made for stock to start her own business, which will hopefully generate regular income.
- We are very grateful to Checkmart who had donated grocery vouchers to many single mothers who were struggling in the community

With your zakaat, we were able to feed 300 Muslims at the time of Iftaar. ALHUMDULILLAH. We are pleased to have been a means of providing iftaar to our Muslim brothers and sisters and at the same time maximising our reward in this holy month of Ramadan. Thank you to Dr Khudaija Suliman for presenting us this opportunity and overseeing this project.

**EID CELEBRATIONS AT WAMY KZN:** We would like to express our sincere gratitude to Jama'Atun Nisaa, coordinated by Shireen Arbee who collaborated with WAMY and contributed towards a joyous Eid celebration with the people from the community. The attendance was phenomenal with sincere kind appreciation for the gesture from both organizations. In addition to this, Jama'Atun Nisaa also provided an Eid meal to the residents at a centre for abused women in Durban.

Eid gift boxes and goodie bags filled with baking delicacies, fruit and juices were personally packed by Halima Abdoola and distributed to various orphanages and old age homes.

The WMO Ladies Wing fully supported by Jama'Atun Nisaa celebrates World Memon Day on the 11th Of April each year displaying the proud Memoni with acts of kindness within their communities, 2021 was celebrated with feeding the needy and distributing grocery hampers in the KZN region.

## **JAMA'ATUN NISAA & LADIES WING WHEELCHAIR CONTRIBUTIONS IS AN ONGOING PROJECT**

Our ladies continue to empower and improve the quality of those who are disabled by providing much needed wheelchairs. The ardent supporters such as Mr AK Ismail and Mr Yusuf Kamdar ensures the availability of these devices as soon as an appeal is made. Personal delivery of the device is facilitated by the ladies themselves. The need includes standard and specialized wheelchairs and we strive to meet the people's needs.

Alhumdulillah WMO Africa Ladies Wing donated much needed brand-new uniforms to the students of Hammanskraal Madressah. The children were beaming with joy when they received their uniforms.

We hope that this initiative would be one that brings some financial relief to the parents, build the self-esteem of every child at the Madressah and this kind gesture will remain embedded in the hearts of the learners.

Project overseen by Dr Khudaija Suliman

Consistent support and participation from our WMO Ladies Wing Members and Jama'Atun Nisaa at the Annual International Ladies Wing meetings. 2021 hosted a well-attended and presented meeting with women from all corners of the world with the same aims and objectives. We are proud to be a part of such a powerful movement. Women making a difference and bringing hope to those in despair, showing kindness and caring for society as a whole, making a change one day at a time. Alhumdulillah. We appreciate the well-coordinated online meetings and we look forward to once again meeting our sisters from all over the world at face-to-face meetings in the near future Inshaa Allah.

### WMO AFRICA CHAPTER WELFARE COMMITTEE

A Welfare Committee has officially been elected headed by Mr Moosa Carrim. Monthly meetings are held at Moosa Carrim's Office to assess existing cases and new applications. WMO Africa Chapter has requested a Moulaana to conduct personal home visits to assess each case and submit a detailed report to the Committee. The Moulaana is compensated for his time and services. Strict criteria have been put in place to ensure that all cases are legitimate and genuine. This process has been working well and we hope to continue the service for those families who are in need.

## **CONCLUSION**

The year 2021 has been an eventful, yet a trying year with WMO Africa Chapter consistently endeavoring towards reaching out to those in need and uplifting our communities in South Africa. Impacted by the harsh effects of the 2nd and 3rd wave of Covid19, we have been severely affected with the death tolls rising each day, some being near and dear to our very own members.

The aftermath, has been devastating leaving the people of South Africa incapacitated and desperate. The need of our people has become far greater as many breadwinners have lost their jobs, businesses and barely surviving. Those living under the poverty line are struggling to meet their basic expenses, everyday and medical needs. As the conditions worsen, it is apparent that hunger and starvation is the major affliction amongst our people. The WMO Hunger Relief Campaign initiated in the early days of Covid has since been integrated with the global WMO Foodbank Project and has been a welcomed gesture to the underprivileged. The ability to feed the hungry and aid the needy is our priority.

We at WMO will continue striving to provide basic needs to all families, ease their financial burdens and hope to rebuild South Africa to the beautiful country it once was. The collaborations made with sister organizations over the past two years has strengthened and the reach of assistance has spread vastly throughout the country.

We would like to thank our Regional Management Committee who has been tirelessly working towards coordinating projects under the banner of WMO, members and friend of WMO who have selflessly and generously supported and donated towards our projects and the Office Bearers, Project Managers and Committees of other Chapters who continue to lead, inspire and motivate us.

We foresee many more potentially worthy projects and needs to be fulfilled locally and look forward to the

# REPORT FOR THE YEAR 2021

## Global Youth Wing

The beginning of a new tenure of World Memon Organization's (WMO) Global Youth Wing (GYW) under the able leadership of Chairman, Mr. Khurram Hanif Kalia and in coordination with regional WMO leadership to enhance the footprint and impact of WMO as well as to prepare the potential future leaders to take forward the WMO legacy.

We've a strong conviction that Global Youth Wing is bringing the significant difference in people's lives which is imaginably difficult but unimaginably rewarding. Our programs, which have been planned and executed on the basis of elements like curiosity, respect for others, willingness to tolerate uncertainty, critical thinking, empowerment, equality among the genders, determination, creativity open mindedness and sensitivity towards living and non-living environment.

To rollout our ambitions, our regional chapters are on course with their 1st Quarter progress highlighted here under;

### FAR EAST CHAPTER

Muhammad Saad Iqbal Regional Vice Chairman Far East is an exceptional young asset to the Global Youth Wing, and is moving his soldiers far and wide with brilliant and well aligned events;

**First Aid:** Youth Wing Far East Chapter Organized by RVC Saad Iqbal's Team in order to educate the Memon community on how to respond quickly to accidents and ensure that injuries can be efficiently and promptly dealt with before a trained medical professional arrives to administer more specialized treatment. Youth Wing was successful in providing the Training to around 100 participants including men and women.

**Paanji ghal:** A program initiated by the Youth Wing Far East Chapter in Collaboration with MASL. The Memoni language speech competition for kids aged 10 to 15 to encourage the use of our mother tongue and to help preserve it to be passed on to future generations.

**Memon Champions League-Season 2:** In pursuit to keep the youth physically active during the difficult times of COVID. A sports event organized by the Youth Wing Far East Chapter to motivate the generation towards cricket. Champions out of Champions. The best 10 teams competed at Malay Cricket Grounds.

**Iftaar With Orphans:** The Youth Wing Far East were able to accomplish two iftaar projects this Ramadan. Alhamdulillah both of them took place at orphanages - Ishatul Islam Child Development Center in Dargah Town and Imaniya Arabic College, Thihariya in Sri Lanka.

**Oxymeter Donation To Hospital:** Saad Iqbal RVC WMO Youth Wing Far East Chapter and the team organized the distribution of 20 pulse oximeters donated by Memon Aid at the Ragama Hospital. Mr Ameen Bhaila handed it over to the Director of the Hospital.

**Stationery Distribution:** In order to ensure that the fulfillment of the basic education needs of students, Youth Wing FE managed to provide more than 50 stationery packs and distributed them to students at the orphanages.

**Youth Connection Covid Relief:** During the difficult days of COVID outbreak India had recently, Youth Wing Far East Chapter received a message from a village in south India requesting for rations for daily wage workers who have been struggling to find any work. The Youth Wing of the Far East in Collaboration with South Indian Chapter Alhamdulillah provided 300 villagers with rations.

Youth wing FE believes that Memon youth is the hope for the community to alleviate poverty, sickness and improve the living standard of the Memons living in this chapter. Activities performed during the same quarter are a true reflection of our faith and global youth vision.

**Stock Market:** The youth were invited for a stock market webinar. The stock market webinar had two eminent speakers in the stock market and one representing the Colombo stock exchange.

**Young Memon achievers award:** The First Young Memon Achievers award was awarded to Mustafa Kassim. An outstanding youngster for his career achievements throughout the year of 2020. The award was presented by our GYW VC for Far East Chapter Saad Iqbal. Every year a youth from the community will be selected by WMO Global Youth Wing Far East chapter for their achievements academically or career wise and awarded this prestigious recognition.

### NORTH INDIA CHAPTER-NIC

Vasim Kapadia Regional Vice Chairman NIC having the heaviest demographics of memons, with his impeccable leadership and creative skills, guarding the chapter's need with series of well-crafted events briefed well under;

**Rapid Action Team:** With an aim of empowering our youth to become leaders, we will be forming Rapid Action Leadership Team in every city/ town/ village of every chapter. These teams will be led by the RYE's of every chapter. Each RYE will handle a cluster of Rapid Action Leadership Teams. The objective of forming this team is that we don't want our Youth to remain volunteers because our youth is capable of handling much bigger roles and responsibilities and we will empower them for

that. A huge percentage of Memon Youth has been trained and transformed into leaders of tomorrow in every WMO Chapter, Insha'Allah.

**Project Genesis:** Return of Entrepreneurship in the community which is the essence or identity of being a MEMON. WMO INVESTOR NETWORK will be created which will lead WMO INVESTOR MEET and in order to support upcoming business leaders, MEMON INCUBATION CENTER will be setup across India and will be managed by a committee of eleven members in India.

**Inspirational Music Video For Memon Startup Fund:** An inspirational music video was shot in Vadodara with the help of Memon Youth. The song was created by Rodney and the lyrics were written by Vasim Kapadia. The video was launched and was a huge success. It is on the path of being the most watched video by the community. Currently the video has crossed 22000 views on You Tube.

**We The Memon - Episode 1 Launch:** The Promo of Memon community's first non-fiction web series, We the Memons was launched. We the Memon is a one of its kind non-fiction web series which focuses on the life of Memon Leaders and Icons during their youth days. This show will motivate the youth of today to become leaders of tomorrow. The first episode featured Memon Icon, Dr. Nasir Fulara.

**Memon Startup Fund:** It aims to promote Entrepreneurs, by providing them the funds and investments required to set up their businesses. Investors from around the world will be a part of this initiative. The idea is to help Memon Youth become successful Businessmen. This event will be conducted this year.

**WMO Investment Forum:** This is a platform for traditional business owners to get an investment to expand their businesses and shops. In Memon Investment Forum, these business owners will get an opportunity to boost their existing business or start a new one. Community members can now apply for the same.

**Online Skill Development For Memon Youth:** This concept focuses on online skill training for Memon Youth with the help of webinars. This organization will have its regional centers that will identify the need for skill-based training in its region and implement it accordingly.

**We The Memon Magazine:** The Magazine by the MEMONS and for the MEMONS. The idea is to connect the community on a digital platform and to publish the work done in various parts of the country. People can share their views and express their thoughts through this medium. We aim it to be user-centric and relatable. The entire community's youth are its editor.

**Halal Rizq 2021:** A unique, one of its kind of series of a webinar that will cover all the aspects of earning Rizq, the Halal way.

**MULAKAAT 2021:** The beginning of a New Era of service

to mankind by the WMO NIC and will be remembered as an event that marked a fresh start to many new Ideas and Initiatives to become an empowered community.

**Project Zindagi:** Apart from the above initiative, due to Covid, Project Zindagi was created by WMO GYW NIC and executed in sync with WMO NIC Team. COVID Apex Body had members from GYW NIC and was led by NIC.

The current youth leadership at NIC feels that every voice should be heard and every idea should be taken into consideration. No wonder the youth present there could relate to the current youth leadership and wished to join the organization. The vision of the new approach which Team NIC will adopt for marketing was shared too along with the structure of the new working committee for which the recruitments will start soon.

## **ONBOARDING OF GLOBAL YOUTH WING OFFICE BEARERS**

**Global Youth Wing Treasurer:** Mr. Yasir Gadit has joined GYW as the Treasurer. Yasir Gadit is a seasoned Chartered Account, and Assurance & Advisory consultant with 16+ years of experience with core expertise in Auditing, Taxation, Financial Analysis, Financial Reporting, and Management Consulting. He is currently the Chairman of the Managing Committee of UAE Chapter of ICAP Members and Managing Director of ATHGADLANG. He has previously also served as the Vice-Chairman and the Head of Financial Affairs for UAE Chapter of ICAP Members. He is a tech geek with a strong professional network and as a serial entrepreneur, he has time and again proved his worth of leading teams from rags to riches.

**Global Youth Wing Secretary:** Mr. Khurram Shehzad has joined GYW as the Secretary. Khurram Shehzad, MCTS, MCP, SAM and MBA-Finance, is leading a country-wide business for a Saudi-German Company and has professional experience of over 11 years. Ambitious to give back to the society, he started his social career as a Youth Chairman of Upleta Memon Community and laid the foundation of youth activation in community work. He then joined WMO Pakistan Chapter in 2012 as member and progressed to become an elected member of the Regional Management Committee. In 2014 as the Youth Wing leader of WMO Pakistan Chapter, elected by then VP, Mr. Shoaib Ismail, he was given this honor to lead the most active youth wing in WMO fraternity. He successfully designed, planned, executed and measured annually recurring events like - Spark, Think wise, Titans, Feminar, Summer Spring Fiesta.

## **GYW MIDDLE EAST CHAPTER**

**Memon Indoor Premier League(MIPL):** The WMO President returns to the crease at the Memon Indoor Premier League (MIPL). In the many years with the World Memon Organization, the WMO President took to the field, only when the winner's trophy was to be awarded to the captain of the victorious team. They congratulated the players, patted the winning captain on the back and

handed over the silverware.

This time it was different.

Mr. Salman Iqbal came to the crease, bat in hand and smashed the ball away. It's always a welcoming sight to have the President of an organization encourage the youngsters by gracing the youth wing event. But to join the team on the ground, run the 22 yards and share some intricate shot making secrets with your fellow teammates, boosts the spirit of the youngsters and gives an exceptional fillip to the morale of the youth wing.

If the first 6 months of the Salman Iqbal Presidency or the delectable shots played by him at the MIPL are any indication, then this President is never on the back foot. He leads from the front, takes the ball head on and is the quintessential team player. You can be rest assured that there will be many more hits over the ropes as he continues his triumphant innings as the WMO President.

**Project Elevate:** The vision and mission of project "Elevate" is to work towards uplifting the lives and living standards of Memons across the globe through providing access to better employment opportunities, enhanced business connections, entrepreneurship support and guidance

"Elevate" will be the first global online employment solution for Memon's seeking jobs and the Memons & other employers who need skilled and qualified resource. Hundreds of Memon all over the world are looking for jobs and on the other hand many of our Memon employers can't find qualified Memon candidates for their open jobs. Hence, Elevate aims to empower Memon employment across the globe through one single platform making job search easier. It contains the database of thousands of job listings and recruitments where applicants may search openings according to their relevant skill set and apply accordingly to get placement. This project has been on the roll and has received commitments from different organization for more than 500 employment placements for Memon youth.

## WAY FORWARD

Global Youth Wing meets every week, pondering over the new ideas while keeping the overall vision in sight and *articulates them into its programs to keep the youth active and connected by executing them globally.*

# REPORT FOR THE YEAR 2021

## International Ladies Wing

Assalamu Alaikum Warahmathullahi Wabarakathuhu

Committee Members:

Ms Shabana Abdul Razzak - <i>Chairperson</i>	
Dr Khudaija Suliman	Southern Africa
Ms Yasmeen Mozawalla	America & Canada
Ms Shamim Osman	Europe
Ms Shazia Sangani	Far East
Ms Sidrat Imran	Middle East
Ms Shahista Osman Varwani	Northern Africa
Ms Masheela Naviwala	Northern India
Ms Hamida Iqbal Bawany	Pakistan
Ms Farida Azeez	Southern India

The international ladies wing has always supported the cause of WMO, while echoing the spirit of harmony and cohesion amongst all chapters. This year being no exception under the leadership of Ms Shabana Abdul Razzak witnessed the same. The western chapters raised the funds for projects delivered and executed in the eastern regions.

### LADIES WING CONSTITUTION

The International Ladies Wing Core Committee has worked tirelessly since inception of Ms Shabana Abdul Razzak as Chairperson Ladies Wing for the formulation and implementation of constitutional changes recognising the ladies wing as a legit wing to the organisation as compared to its previous status of a subcommittee. The constitutional reforms are at the final completion stage and will be presented for approval at the AGM. The recognition of Ladies Wing in the WMO constitution, not only recognises the selfless work of our patrons ladies wing members but also provides a launching pad for the future members in their endeavours.

### WMO FOOD BANK

WMO Food Bank has been the biggest project of 2021, with the aim to eliminate hunger in the most remote localities of India, Pakistan, Sri Lanka and Africa. The Ladies Wing across all chapters has stepped up to the occasion and has relentlessly supported the cause.

LW Africa has been actively involved with sister organisations in the KZN regions such as Jamaat un Nisa, Natal Memon Jamaat, Muslin Relief SA, Muslims for humanity and Emergency Food Aid to fight world hunger.

LW North India Chapter also worked hand in hand towards the WMO Langar distribution in various remote areas of Mumbai.

### RAMADAN IFTAR MEALS AND RATION

Ramadan Iftar meals and ration distribution made across

Africa, India, Pakistan and the Middle East. Mass iftar arranged at various labour camps in Ajman, UAE.

LW across all chapters have played a tremendous role in collecting the funds for the aforementioned purpose.

### WOMEN EMPOWERMENT

A 3 storey building rises in the middle of the Ambojwadi slums, in the far flung suburbs of Mumbai. It will serve as an institution, offering a multitude of courses to destitute women, including sewing, embroidery, computer training, self grooming, cooking among several others.

It is one the most significant projects undertaken by Mrs Raziya Chashmawala for the furtherance of women empowerment in India.

The foundation of the structure was laid several months ago, courtesy the magnanimity of Mr. Solly Noor - former President of the World Memon Organisation. The Solly and Zohra Noor foundation has empowered thousands of women across the globe and their name will sit atop the institution.

LW North America graciously donated \$2000 to LW India toward the cause of empowering women that had lost earning members of their families due to COVID and floods.

LW North India is also supporting women in the region via aid INR 1500 per month and also self development events and exhibitions showcasing small businesses. LW Europe has donated €16350 for the Widow Support Fund run by LW North India.

LW Africa has also pledged towards the International Ladies Wing Empowerment Project for India & Pakistan for the year 2021.

### MEMON CONNECTION

Memon Connection is a matrimonial platform facilitating cross border marriages. The group is being maintained and managed successfully by Mrs Razia Chashmawalla. The group continues to work toward encouraging and promoting the Sunnah of marriage.

LW across all chapters have strongly supported the cause with 50 cross border marriages facilitated to date.

### INTERNATIONAL STUDENT FACILITATION

As we work towards promoting educating and empowering women; LW believes our students, specifically girls, should be given an equal chance to relocate and explore educational opportunities across the globe.

Mrs Yasmeen Mozawalla took the initiative and hosted an

international student from Canada at her residence, till the student was able to find a suitable accommodation and continue his education.

The above is a great example of how WMO could use its presence across the globe to facilitate international students.

## **HEALTH**

Mrs Zahida Taufiq visited Pakistan to oversee the international project “Empowering through Inclusion” supporting people of determination, which is a joint project of Pakistan and North America Chapter.

Several wheelchairs, CP chairs and tricycles were also distributed.

LW Africa also donated towards the construction of a Hydrotherapy pool at the Imran Rehabilitation Centre in Pakistan. The pool is still under construction. Ongoing fundraising is still being carried out by LW Pakistan Chapter.

LW Europe graciously donated €2000 towards Cataract operations for elderly in Pakistan.

# REPORT FOR THE YEAR 2021

## Zakat Committee

Assalamu Alaikum Warahmathullahi Wabarakathuhu

Committee Members:

Mr Salman Iqbal  
Mr Shoaib Ismail  
Mr Abdul Sattar Dada  
Mr Iqbal Dawood  
Mr Shoaib Kothawala  
Mr Haroon Karim  
Mr Ashraf Machiyara

On behalf of the Zakat Committee I hereby present our Annual Performance Report for year 2021. .

### Zakat

As the WMO Zakat Committee, we offer our thanks to all the Zakat Contributors, for entrusting WMO on the distribution of your Zakat. We pray Almighty Allah accept all contributions made by the donors, and to shower his blessings on them and their families.

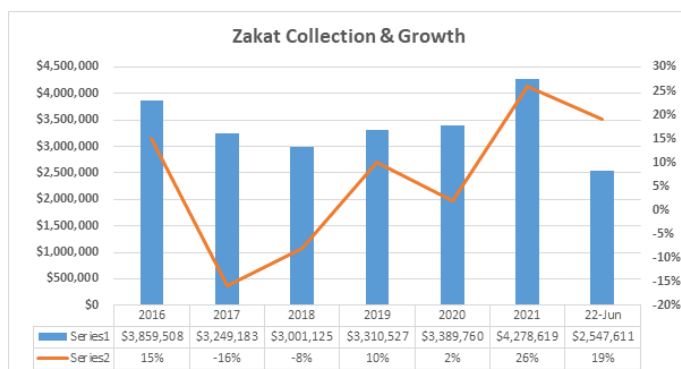

In the years 2021 and Year 2022, the Zakath collection has mainly been concentrated on the month of Ramadan, which leads us towards the challenge of uneven collection throughout the year. The Chapters are closely monitored and advised on this aspect and have been advised to encourage collection throughout the year.

### Zakat Policy

The Project-based Donor discretion Zakat Commitment policy established in the year 2018 is adapted in the year 2021 as well.

### Zakat Collections 2021 & 2022

WMO throughout the chapters collected US\$ 4,278,619 for the year 2021. This would be the highest for the past 6 years since 2016. So far up to June 2022, we have collected US\$ 2,547,611 and hoping to collect the balance of 2mn within the latter part of the year.

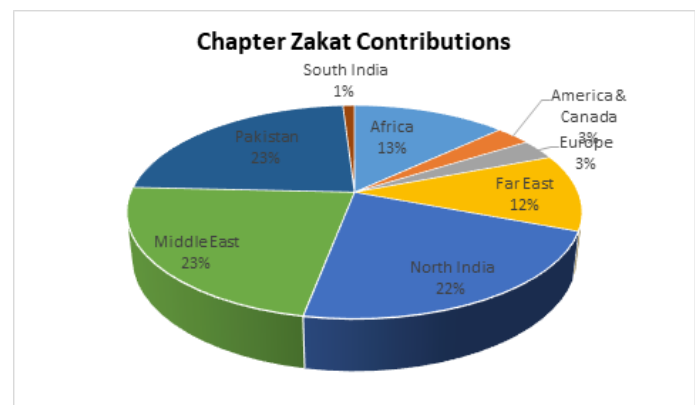

### Chapter Zakat collection summary for the 2021 / 2022

Chapter	2021		June 2022
	Projected (USD)	Collection (USD)	
Africa	750,000	506,694	332,158
America & Canada	50,000	151,056	76,000
Europe	460,000	184,656	78,900
Far East	350,000	839,400	297,268
North India	1,300,000	698,640	566,000
Middle East	650,000	878,588	579,400
Pakistan	1,300,000	924,345	592,884
South India	400,000	95,241	25,000
<b>Total</b>	<b>5,260,000</b>	<b>4,278,619</b>	<b>2,547,611</b>

With a 26% growth in the total Zakat contributions in the year 2021, a few essential factors to consider were;

- A successful WMO Telethon was conducted by ARY TV on the eve of Ramadan for the purpose of collecting zakat pledges throughout the world. WMO received over \$1.5mn worth pledges and was able to collect most of them through the chapters.
- Pakistan was the highest zakat collecting chapter during the year 2021, with an increase in contributions to 53%.
- Pakistan was the highest zakat collecting chapter during the year 2021, the collection has increased by over 50% in comparison with the previous year
- Middle East chapter is the 2nd largest contributor with a growth of 20% from 2020
- Southern Africa with over 40% growth in collection
- Far East chapter zakat collection improved by 25% compared to the previous year, which is 140% more than the agreed collection commitment of \$350,000.

It is noted that as in previous years the Zakat is collected mostly during the month of Ramadan which was observed again this year. This continues to be a challenge and we request the Chapters to get this irregularity sorted by pushing for collection throughout the year and not waiting till Ramadan.

## Zakat Disbursements

The spending of WMO, mainly Zakat & Non-Zakat, is focused on educational assistance, housing and community rehab, community welfare and financial aids, and disaster and COVID relief aid alongside other specific Zakat projects.

“Knowledge is power. Information is liberating. Education is the premise of progress, in every society, in every family.” – Kofi Annan. 42% of the WMO spending in the year 2021 was allocated for education.

The following table shows the totals charitable spending by WMO including Non-Zakat projects.

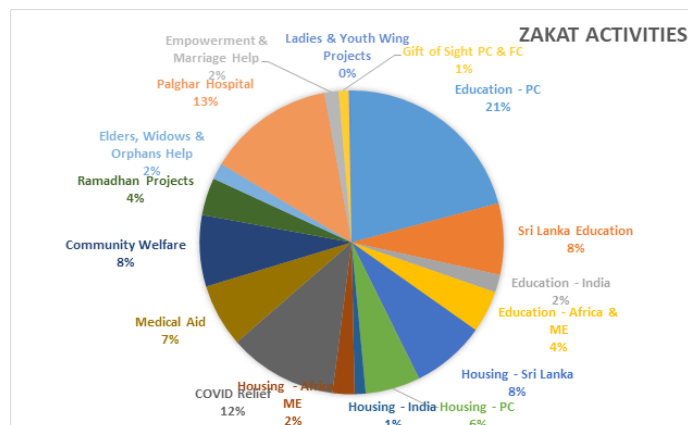

Especially the COVID relief activities carried out among all the communities throughout the chapters during 2021/2022. WMO has carried out food distribution and also we have contributed to oxygen supply shortage mainly in the northern Indian chapter.

Project	Zakat
Educational Assistance	1,433,902
Housing Assistance/Community Rehab	912,919
Other Specific Zakat Projects	1,010,934
Community Welfare / Financial Aid	298,406
Disaster & COVID Relief Aid	234,256

<b>Total</b>	<b>904,124</b>	<b>3,354,994</b>	<b>4,259,118</b>

WMO believes Education as the foremost important project and have utilized closer to 36% of the global Zakat, out of which around 25% was for Pakistan chapter Education, supporting more than 4,500 students from Primary to Tertiary education. Housing in Sri Lanka, India and Pakistan was 32% of the total Zakat spent, this has increased from previous years due to focus on housing in Sri Lanka. Indian Legacy housing projects were also completed and handed over during the year which was from Zakat funds.

WMO has always answered the call of the unfortunate victims of a humanitarian crisis or a natural calamity in any part of the World. As most countries are under a lockdown and all businesses are shut, several WMO Chapters have provided immediate funds to the unemployed, the daily wagers and the less-fortunate. Chapters have also distributed packs containing essential food items, sanitizers, masks and other hygiene material to underprivileged families to carry them through these difficult times. On the medical front, Personal Protective Equipment (PPE), N95 masks, testing kits, ventilators and beds have been provided to hospitals across the globe.

Cornea project also continued even during this time of pandemic in collaboration with Far East and Pakistan Chapters.

WMO have strived to distribute all Zakat Collected within one Calendar year as is required by Sharia.

## Zakat Disbursement process

- STEP 1. The Chapters requesting Zakat from the Central Fund has to send the prescribed Zakat Requisition Form to the AFZ committee detailing the project outcome, the local fund contribution and requirement from the center.
- STEP 2. The chapter has to send a report on the utilization of previous Zakat received from center
- a) The Zakat requisition has to be based on the Budget sent by the chapters to the MC at the beginning of the year.
- STEP 3. The AFZ committee members will receive recommendation report from the GM & CFO along with the summarized details of the usage and requisition.
- STEP 4. AFZ committee then resolve on the approval or rejection of the sanction of Zakat to the chapter
- STEP 5. If approved, the funds are remitted via EFT to the relevant chapter, from UK or Dubai.

***“They ask you about what they should spend: say, “The charity you give shall go to the parents, the relatives, the orphans, the poor, and the traveling alien.” And whatever good you do, Allah is fully aware thereof.” (Sura Al-Baqarah 02:215)***

***Charities (Sadaqaat) shall go to the poor, the needy, the officials who collect them, the new converts, to free the slaves, to those burdened by sudden expenses, in the cause of Allah, and to the traveling alien. Such is Allah’s commandment. Allah is Omniscient, Most Wise. (Sura At-Taubah 09:60)***

**Salman Iqbal**

*Chairman - Zakat Committee*

## Zakat Commitments for 2022

The Zakat commitments for 2022 is considered to remain at similar levels of the previous year i.e. \$5.26M. This is a result of no firm commitment being given by the chapters.

Chapter	Commitment (USD)
Africa	750,000
America & Canada	50,000
Europe	460,000
Far East	350,000
North India	1,300,000
Middle East	650,000
Pakistan	1,300,000
South India	400,000
	<b>5,260,000</b>

The disbursement policy will remain unchanged with contribution to be project specific as the donors wish to, provided the contribution is routed through a Chapter and not direct to any project/ 3rd party organization. Education will remain the main priority to serve the community;

## Conclusion

I would like to thank members of the ExCo and all Chapter management committees for their efforts, input, and counsel of the charity work carried out by WMO.

We need to put more effort in the Zakat collection as the need is far greater than what we collect.

May Allah SWT accept our efforts and grow WMO from strength to strength.

Committee Members:

Mr Suliman Noor Mahomed	Mr Ismail Gadit
Mr Bashir Sattar	Mr Salman Iqbal
Mr Ashraf Sattar	Mr Nowsad Gani
Mr Mahmood Shaikhani	Mr Arif Habib
Mr Asif Rangoonwala	

It is with great pleasure that I present the Investment Committee Report for the Year 2021. I would like to place on record my sincere appreciation to my fellow Committee Members for their support and enthusiasm in carrying out this task.

Alhamdulillah! Our total funds invested stands at approx. US\$ 4.55mn, a significant sum which will ensure the future success of our organization and help in realizing our moto "Serving Mankind". Our gratitude to our Trustees, Patrons, Members and Donors who made this possible.

WMO Investment can be divided into the following Investment Classes;

1. Property
2. Bank Deposits
3. Mutual Funds
4. Islamic Bonds – (Sukuks)

The source of funds for WMO Investments has been the Trustee Fees, Donations and Profit earned on these funds.

<b>Our Suggestion</b>	Suggest to Dispose as soon as possible	Suggest to Dispose / Revalue early next year to reflect the exact value in the books

## 2. Bank Deposits

### A) Trustee Funds

#### i) Sri Lanka

Trustees' funds of \$ 750,000 from Dubai Bank Account was invested in Amana Bank Sri Lanka, for a better return. Amana Bank gave a return of approx. 4% per annum on average (this is invested in US\$) and the tenure is 12 months with a rollover option. The Total Bank profit earned through this investment up to December 2021 is US\$ 171,000 (funds have been invested for 5 years).

Note: These funds including profit earned has been remitted to HBZ Bank UK during April 2022.

Far East Chapter Trustee funds as at 31st December 2021 amounting to \$ 180,350 (LKR 36.7mn) was invested in the form of Fixed Deposit at Amana Bank. This earns an average LKR profit return of 6% per annum. The total return for the year 2021 from this fund was \$ 9,900.

Note : During early 2022, the LKR devalued over 80% and the current value of the trustee fund is only Approx. \$100,000

### B) Education Endowment Funds

#### i) MH OMAR Education Fund – Far East Chapter

MH Omar Fund opening balance during

the year was \$655,275, this was invested in LKR Fixed Deposit at Muslim Commercial Bank (MCB), earning a return over 05-6% per annum. The return on this investment in 2021 was \$ 37,500/=. The return earned from these investments are utilized for education projects in Sri Lanka and the balance is placed in income earning deposits with the Islamic bank. Balance fund available at the end of year 2021 is \$ 431,250 (LKR 12mn was utilized for a school building construction)

## ii) Education Endowment Fund - Pakistan Chapter

At the beginning of 2021, the fund had an accumulated balance of \$ 213,443/- (PKR 34.15mn) and these funds were invested in the forms of TDR. The returns earned through the deposits are on average ranges from 7-10% per annum.

Description	USD	PKR

The main purpose of this fund to provide non-zakat financial assistance/scholarship to the needy white-collared students in Pakistan. However, to date the Chapter has not commenced the scholarship scheme and the returns are reinvested in short term investments.

## C) North Indian – Members Funds

North India Chapter has placed the funds available for Non-Zakath members funds in a Fixed Deposit. During the year NIC has purchased a property for the purpose of its office with a part payment of \$82,000. The total cost estimated at \$300,000. This would be the first ever property to be owned by WMO in India.

## 3. Mutual Funds – Pakistan Chapter

A sum of PKR 21mn (US\$ 132,638) was invested in Meezan Islamic Fund and NAFA Funds (Mutual Funds). These Islamic mutual funds are expected to gain a price from 8-10%.

Over the years there has been a fall in value of the Mutual Fund from the year 2018, however there has been a gain in the prices of the mutual funds from last year and market value appreciation continued in the year 2021

as well. Therefore, we are hopeful that the market price would increase for us to implement our exit strategy at the suitable time.

# REPORT FOR THE YEAR 2021

## Health Committee

Assalamu Alaikum Warahmathullahi Wabarakathuhu

Committee Members:

Dr Shiraz Suleman - <i>Chairman</i>	
Dr Naseem Shekhani	America & Canada
Prof Mohammed Magdi	Europe
Dr Haroon Gutta	Africa
Dr Nasir Fulara	India
Reyaz Ahmed	Pakistan
Dr Haroon Admani	Far East

It gives me great pleasure to present the 2021 health report. I want to thank the founders of WMO and our executive team for entrusting me with this responsibility. Even though we have not been able to see all of you in person, fortunately with the help of technology and virtual meetings we have kept in touch with WMO members.

A healthy nation is one that has a low infant mortality and a low maternal mortality. Simply stated this means less mothers dying in childbirth and more babies surviving the first year of life. In order to achieve this on a mass scale only basic requirements and minimal costs are needed. This includes clean water supplies, proper sewage facilities, childhood vaccinations and basic education of mothers. The average person, on the other hand, has this false perception that great healthcare means high tech specialist cancer hospitals, MRI facilities, brilliant surgeons, robotic and laser surgeries. Whilst these high tech and extremely expensive services are valuable, they only service a small fraction of the health care needs of a family in any country.

Wide gaps that exist between rich and poor is clearly seen in healthcare. When mothers die in childbirth in large numbers in Muslim countries and thousands of babies die in the first year of life because of poor drinking supplies and waterborne infections [Cholera, typhoid], the solution for these simple problems is not expensive drugs and fancy surgeries. The solution is very simple and includes basic education on hygiene, boiling water, seeking care from trained providers in rural settings and vaccines.

### “EDUCATE A MOTHER EDUCATE A NATION”

I was taught this as a first-year medical student. In third world countries millions of people die each year from malaria, cholera, tuberculosis and many other diseases unheard of in Western countries. Sadly, these very simple basic diseases that rarely exist in the first world can be prevented by providing simple basic education to mothers. The high level of illiteracy amongst Muslim mothers is everyone's responsibility. We must do our utmost to highlight the problem, give it coverage and emphasize to Muslim leaders in communities that education saves lives,

uplifts communities, increases the likelihood of children receiving higher education and subsequently uplifts countries.

### COVID AND FAKE NEWS

In the last two years the world stopped functioning in its usual way. Lockdowns, travel bans widespread illness, death and devastation of families was all over the news. As a result, wealthy nations and their pharmaceutical industries in a very short time were able to produce vaccines, improve treatment protocols and discover new drugs. This required the global coordination of governments, medical societies, drug companies in a historic and unprecedented way. Millions of people have died, and many more millions have taken ill due to the COVID virus. We have seen the virus destroy entire families, we have seen people die lonely deaths in hospitals without their loved ones present and witnessed hurried “cold” funerals without the chance to mourn these deaths.

Pictures of mass graves in London continue to haunt us. A COVID death is one of the worst and most inhuman ways to see a family member pass away. I have never experienced a similar phenomenon in my medical career when family members are unable to attend or visit their aging parents in hospital or in old age homes because of the restrictions to visitors. The eery images of grandmothers getting virtual visits through ipads in their final minutes will live with us for the rest of our lives. This is COVID-a horrible and real disease. It is not fake news. It does not matter where it started but what matters is that we deal with the condition safely and with common sense to protect our parents, our children and our communities.

Whilst the COVID disease was devastating, sadly, the most devastating and the biggest killer of Muslim people was the distribution of fake news material and fake information globally. My prediction is that “FAKE NEWS WILL LAST A LOT LONGER AND KILL FAR MORE PEOPLE THAN THE COVID VIRUS”

It is my humble opinion that basic education will help people become less likely victims of fake news.

### HOW DID WMO COME TO THE RESCUE?

**25 APRIL 2021:** The WMO held a telethon hosted by the ARY network and our visionary leader Mr Salman Iqbal. An unprecedented and historic amount of \$1.5 million US was pledged during this event to assist India in this COVID calamity. Celebrities and callers from the entire globe pledged money and assistance. The images from India were heartbreaking, we saw mothers and parents being carried from hospital to hospital in a desperate search for beds, we witnessed thousands of people gasping for

oxygen outside hospitals, Hospitals ran out of oxygen supplies with the huge demand and weak infrastructure. Doctors in India were making pleas to the entire world community for aid. When WMO witnessed this level of desperation its leadership felt compelled to swing into action and help the Mother Nation. Within days a plan was developed to help India in this crisis, an emergency Indian team under the leadership of Mr Ehsan Gadawalla, Suhail Khandwani and Dr. Nasir Fullara was assembled. They quickly helped coordinate the needs of the local people. The money provided was used to get vaccines (which were in short supply at the time), provide desperately needed oxygen cylinders to makeshift hospitals, distribute food to destitute families who lost their breadwinners and provide CASH to people who were unable to work during the lockdown. This assistance was extremely warmly received and WMO received great exposure in India and non-Muslim organizations also appreciated this gesture and some non-Muslims even donated to WMO during this time. The COVID virus continues to ravage many parts of the world but fortunately the government and health authorities have a better handle of the situation. With increasing rates of vaccinations, we pray for Allah's mercy and ask for his help to eradicate this virus totally from this dunyah. Sadly, I must add that these kinds of pandemics may become more common as viruses get smarter and the world gets more connected.

## PAKISTAN AND NORTH AMERICA

The WMO empowerment through inclusion project which is a joint initiative between North America and Pakistan. This project for children with special needs, provides well trained teachers and professionals with expertise for their care. The provision of therapies tailored to the unique requirements of each child is especially well received. The children are also provided with mobility assistant devices like walkers, customized shoes and leg braces. This programme has benefited hundreds of children and provided easy access to professionals. It has helped the children improve their daily lives and daily functioning and increased their self-worth.

## WMO AFRICA

The MYOWNCUP menstrual cup project by Dr. Taheera Hassim (WMO Africa) for school-going children in South Africa helped raise awareness about menstrual hygiene. This is a difficult and taboo health issue in the Muslim world and many young girls suffer in silence. It is extremely difficult for women and even families to approach this topic in Africa. They had an opportunity to educate young girls on feminine health and hygiene and helped them overcome the stigmas." Menstrual Poverty" is a reality. Pads and tampons come at a considerable cost and are also harmful for the environment. These menstrual cups are made of silicone and can be reused. This health issue likely affects millions of girls all over the world but does not receive its fair coverage because men are unaware of the problem. Therefore woman, and the ladies wing are such

an important part of WMO, and they should continue to take leadership on these matters and many other matters that afflict women.

## WMO PAKISTAN/FAR EAST

The Gift of Sight programme is a joint venture where corneas are harvested from Sri-Lankan patients and shipped to Pakistan for corneal transplants. This amazing and powerful programme has benefitted many patients and provided them with the greatest gift-SIGHT!

## WMO PAKISTAN

In addition to their collaboration with Sri-lanka and North America-the Pakistan chapter is also involved with Thalassemia awareness and screening for Thalassemia Minor.

## FUTURE

It has always been the dream of WMO leadership including its founders that one day WMO will have its own powerful institutions like the Aga Khan's hospitals that would provide training for doctors, nurses and other professionals. As a physician who places a high value on education, it is my opinion that training young memons to become successful nurses, allied health care workers, doctors and surgeons is a great way to uplift our people and instill very important values in the community regarding education. We are living in a very connected world, and we must ensure that our communities will not only be healthy but also become successful and be leaders in all fields of life. We must strive to produce the best doctors, the best nurses, the best surgeons and frankly the best of everything. This is what matters in the end. We must strive for Excellence.

In conclusion we must understand that female education is a critical component to elevate the status of a nation.

*“Educate the mother, Educate the nation”*

# REPORT FOR THE YEAR 2021

## Audit & Finance

*Assalamu Alaikum Warahmathullahi Wabarakathuhu*

### Audit

#### Completion of Audits

We have requested the chapters to complete the Audit by April of the following year.

Chapter	Target Date	Date of Completion
South Africa	April 2021	May 2021
America & Canada		April 2021
Europe		June 2021
Far East		June 2021
Middle East		March 2021
North India		August 2021
Pakistan		July 2021
South India		August 2021

Similar to previous years there has been close communication between the Auditors of all Chapters, Regional Treasurers, WMO Treasurer, and Deputy Treasurer, and WMO CFO in the preparation of the Audited Accounts. In Sha Allah, going forward, we hope to improve on any further inadequacies and the Audit for 2022 will be in line with WMO group policies.

The Consolidated Audited Financial Statements, presented as part of this annual report, is prepared to incorporate the Audited Accounts of Europe Chapter, Middle East Chapter, Pakistan Chapter, South Africa, America & Canada, Far East, North India, and South India Chapters for adoption by members.

The Consolidated Balance Sheet stands at US\$ 8.33mn which has increased by a nominal \$ 203,000 from 2020, which is due to the increase in the fund account balances. Our Consolidated Statement of Financial Activities shows a surplus of \$ 544,345 mainly due to the retained rental funds and non-zakat-specific funds.

### Finance

WMO has a cloud-based accounting platform i.e. Sage Accounting. The chapters are required to update the system online in real-time with an allowance of batch processing delay of a 2 weeks.

Chapter quarterly Management Accounts are prepared and submitted using Sage MIS report extracts. It should be noted that certain chapters are yet to adhere to these timely submissions. WMO being an International Charity organization, the involvement of both Regional Treasurers and the RMC towards Management Accounts shall contribute to the status of WMO as a Charitable Organization.

The implementation of WMO Policies has to be given a relook as the chapters need to appoint qualified individuals for this position. The policy framework and Check Lists for Financial Policy & Procedure to make monitoring the Policies easier. This could be used as guideline and to report on their compliance or contradictions of WMO standard operating procedures.

RMC Officials continued to complain about no permanent officials in chapter levels to monitor the implementation of SOPPs. As usual, Regional Management Committee office bearers were requested to consider this as very important and support the implementation in a very stringent manner, most of the chapters showed limited progress during their tenures so far,

## Legal & Compliance Committee

### *Assalamu Alaikum Warahmathullahi Wabarakathuhu*

It was decided at the AGM event in 2020 to register four more Trustees / Directors in the UK with Companies House and the Charity Commission. The names agreed were as follows;

Mr Salman Iqbal

Mr Ashraf Abdul Sattar

Mr Mahmood Shaikhani

Mr Shoaib Ismail Mangrora

Copies of both registers at Companies House and the Charity Commission are shown below;

With the sad demise of one of our dear founder members Mr Abba Ali Yusuf in December 2020, his resignation was also recorded.

During the year 2021 the other legal and compliance matter that prevailed was a review by Habib Bank AG Zürich who are the charities principal banker. Their review included a thorough disclosure of all the registered officers and their KYC formalities.

This review was concluded in 2022.

# REPORT FOR THE YEAR 2021

## MARKETING & COMMUNICATIONS COMMITTEE

### *Assalamu Alaikum Warahmathullahi Wabarakathuhu*

The Marketing & Communications Committee was conceptualised during the Executive Committee Meeting held in Dubai on 13th January 2015.

The committee was entrusted to deliver the following objectives -

- Strategize, develop and design “WMO” as a Brand
- Create a comprehensive media network
- Promote WMO on local and global platforms
- Increase the Global footprint of WMO

The following has been achieved for the year 2021

### **The Memon**

The e-magazine is published to highlight prominent, global Memon personalities and update ongoing activities and projects across all Chapters of WMO.

The inaugural edition was released on April 15, 2016 and till date 35 editions have been published.

Distinguished Humanitarians and Doyens of Industry such as Mr. Satar Dada, Mr. Solly Noor, Mr. Haroon Karim, Mr. Iqbal Sacranie, Mr. Yunus Suleman, Mr. Ashraf Sattar, Mr. Nowsad Gani, Mr. Gulaam Abdoola and Abdul Sattar Edhi have adorned the cover.

The year 2021 began with another luminary on the cover.

One of the most publicised editions of The Memon magazine was released in February with the newly elected President and media mogul Salman Iqbal gracing the cover.

The edition soon became a rage with Salman Iqbal giving a rare insight into his life as the World discovered another side to the visionary who built the ARY media conglomerate.

The next Edition was a Ramadan special which covered the Humanitarian endeavours of WMO while the December edition was a compilation of the year, aptly titled the year that was 2021.

Over the years the popularity of the Magazine has grown by leaps and bounds. The cover has become one of the most coveted spaces, with many distinguished Memon personalities aspiring to grace the Cover. We are very humbled with the response and it's our constant endeavour to make each edition better than the last.

The year 2021 also saw several short compilations including the 6 month Presidency of Mr. Salman Iqbal titled Leadership Personified and a booklet that launched the WMO Food Bank project.

### **A Projects and Donation Menu**

A Donation Menu was created on the Website in the early part of 2017 and is expanded upon each year to attract Zakat and Lillah funds online. A comprehensive list of projects encompassing the broad spectrum of humanitarian services rendered by WMO across all Chapters are meticulously listed on the Website for the benefit of the donors.

With a simple click of the button, donors, around the world can now contribute to a cause closest to their hearts after comprehensively studying the details of the project online. A human story is also attached to empathise with the cause and create awareness of the hardships faced by the less fortunate.

WMO Food Bank was one of the landmark projects of the year which was duly listed on the donation page. The Initiative launched a global movement to eradicate hunger in all corners of the World with the program flourishing in India, Pakistan, South Africa, UAE and Sri Lanka. A million meals have been provided thus far under the WMO Food Bank banner.

### **WMO Website (wmoworld.com)**

The popular WMO website keeps getting upgraded each year. The website's continual transformation has attracted greater traffic. In 2021 we had 25,073 visitors to the website with 59,023 page views.

### **WMO Facebook (@wmoworld)**

Since January 2016, the WMO Facebook page fan base has grown from 4,532 to 16,273, generating a net growth of 11,741 Page Likes.

### **WMO Video**

This visual medium has been extensively used over the years and much emphasis was given to short videos documenting the pertinent causes throughout the year.

Amongst the many conceptualized videos that stood out in 2021 were the ones that highlighted the wonderful women of the World Memon Organisation, the WMO ARY Telethon coverage, motivational speeches by Mr. Salman Iqbal and the WMO Food Bank project.

The WMO ARY Telethon was a watershed event in the history of WMO which exponentially increased its global footprint with a live broadcast in 120 countries.

A number of videos are made as teasers for The Memon magazine. Also live interviews are shot on Facebook during the AGMs of prominent members of the organisation.

In the past, the membership video was a grand success with an overwhelming response to membership across chapters. The important causes of education, housing and humanitarian aid are highlighted extensively through 3 short documentaries.

The YouTube page catalogues all the videos of events and orations made on important occasions.

### **WMO YouTube** (<https://www.youtube.com/wmoworld>)

We have a dedicated You Tube page for our library of videos covering humanitarian endeavours, events and various projects of WMO.

### **WMO Instagram (@wmoworld)**

WMO Instagram posts received a total of 8,917 reach during 2021.

### **WMO Twitter (@wmoworld)**

WMO Tweets earned a total of 30,588 impressions during 2021.

We have firmly established our mediums of communication with the WMO Website, Social Media, E-Magazine. We have almost doubled our following on Facebook as well as readership of the Memon magazine in 2021.

Mr. Shazly Makeen as Designer and co creator of The Memon magazine has delivered on his promise of better content and production value for the E-Magazine in the year 2021.

## **Communications Committee**

### **Editorial Board:**

Mr. Salman Iqbal  
Mr. Mahmood Shaikhani  
Mr. Ashraf Sattar  
Mr. Zubair Chashmawala

The Editorial Board will be the cornerstone of the Marketing and Communications Committee. They will select the personalities and humanitarian services that must be put in the spotlight, hence adorn the covers of The Memon magazine. They will also establish guidelines for communication and will be responsible in allocation of the budget towards the Marketing needs.

## **The Editorial Team (The Memon Magazine)**

### **Editorial Committee:**

Ms. Reeda Sheikhani - *Editor*  
Mr. Shazly Makeen - *Designer*

## **The Marketing Team (Representatives from each Chapter)**

The Marketing Team has been selected by the respective Vps to share with us information about all regional activities that take place in their respective Chapters.
