Dear Mr Moosa Carrim

As-Salamu alaykum wRwB.

I am writing to extend my personal heartfelt thanks and appreciation for your recent donation of R916 500 to our Türkiye and Syria Earthquake Emergency Response.

Your contribution has made a significant difference in our ability to provide vital humanitarian assistance and support to those affected by the devastating earthquakes in Türkiye and Syria.

With your support, we were able to respond quickly and effectively to the emergency and provide critical assistance to those who needed it most.

Thanks to your generosity, we have been able to provide emergency shelter, food, water, and medical care to those affected by the earthquakes, as well as to support long-term recovery and rebuilding efforts. Your donation has made a real difference in the lives of many, and we are truly grateful for your support.

We take our responsibility to our donors very seriously, and we are committed to applying your donation effectively and efficiently to provide maximum impact and benefit to those in need.

We understand that your support is not just financial, but also reflects your trust in Islamic Relief, our mission, our capability and our shared values. We are deeply honoured by your confidence in us.

Once again, on behalf of Islamic Relief South Africa and our global family, I express my sincere appreciation for your generous donation to our Türkiye and Syria Earthquake Emergency Response. Your support has literally helped us to save lives.

May Allah accept from us and from you. Jazak-Allahu khayr.
