MESSAGE FROM MR. SALMAN IQBAL

Bismillah-ir-Rahman-ir-Raheem

Dear Brothers and Sisters,

As we enter the blessed month of Ramadan, we are reminded of our duty to help those in need, uplift our communities, and strengthen the bonds of unity and compassion. This sacred time calls upon us to reflect, give, and stand in solidarity with our fellow Memons and the wider Ummah, ensuring that no one is left behind.

For generations, the Memon community has been known for its entrepreneurial spirit, resilience, and generosity. Yet, today, thousands of vulnerable Memon families across Pakistan, India, Sri Lanka, Africa, and beyond are struggling to meet their basic needs. Many face economic hardship, displacement, food insecurity, and lack of access to education and healthcare.

This Ramadan, the World Memon Organisation (WMO) is intensifying its efforts to support our own community, ensuring that Memon families and individuals in need receive access to education, sustainable livelihood opportunities, and essential aid to rebuild their lives.

Through our Education and Family Upliftment Program, we are sponsoring students, supporting schools, and ensuring that Memon children and youth receive quality education—a vital tool for breaking the cycle of poverty. Our Rozgar Project is equipping families with skills, vocational training, and financial assistance to help them start small businesses and achieve financial independence.

Alongside these initiatives, we continue to provide food parcels, medical aid, clean water, and long-term economic support to uplift our brothers and sisters facing hardship.

Last year, thanks to your generosity, WMO was able to make a significant impact in these regions. This year, we call upon you once again. your Zakat, Sadaqah, Fidyah, and Fitrana will provide not just immediate relief but also a path to dignity and prosperity.

Let us come together this Ramadan, fulfill our faith's obligations, and uplift our Memon brothers and sisters in their time of need. May Allah (SWT) accept our efforts and reward us abundantly for our generosity and kindness.

Jazakallahu Khairan,

Salman Iqbal

President, World Memon Organisation (WMO)

MESSAGE FROM MR. ASHRAF SATTAR

Bismillah-ir-Rahman-ir-Raheem

Dear Brothers and Sisters,

As the World Memon Organisation (WMO), our vision has always been to support and empower the Memon community globally, ensuring that no Memon is left behind in times of hardship. Ramadan is a time for reflection, renewal, and giving, and an opportunity for us to extend our hands to those in need—especially within our own community.

Throughout Pakistan, India, Sri Lanka, and Africa, there are thousands of Memon families struggling with financial instability, lack of education, and limited access to healthcare. We cannot turn a blind eye to their suffering. It is our duty to lift them up, provide for them, and ensure they have the means to thrive.

- This Ramadan, WMO is mobilizing urgent relief efforts for our Memon brothers and sisters in need, focusing on education, financial upliftment, and sustainable livelihoods: Education & Family Upliftment Program – Providing scholarships, school support, and educational resources to ensure Memon children and youth have the opportunity to build a brighter future.
- Rozgar Project – Equipping Memon families with vocational training, small business support, and financial aid, enabling them to become self-sufficient and independent.
- Food, Medical Aid & Clean Water – Delivering essential food parcels, healthcare assistance, and access to clean water, ensuring the well-being of vulnerable families.

Your Zakat, Sadaqah, Fidyah, and Fitrana will not only provide immediate relief but also long-term stability for vulnerable Memons.

This Ramadan, let us renew our commitment to our community, fulfill our faith's obligations, and empower those who need us most. By giving today, we ensure that our brothers and sisters in Pakistan, India, Sri Lanka, and Africa can see a better tomorrow.

May Allah (SWT) bless our efforts and multiply our rewards, and may we stand together as a united, compassionate, and giving Memon community.

Jazakallahu Khairan,

Ashraf Sattar
